33 dues.

34 **Section 3.4 Failure to Satisfy Obligation.**

35 In the event an employee who, as a condition of continued employment, is

17 this Agreement: In the event the application of such provisions were to
18 become permissible in such state during the effective period of this

23 of the effective date of this Agreement.

24 **Section 3.8 Payroll Deduction for Union Dues and Initiation Fee.**

25 The Company shall make payroll deductions for the Union's initiation fee,
26 and its regular and usual monthly dues, upon receipt by the office
27 designated by the Company of a voluntary written assignment from the
28 employee covering such deductions on a form mutually agreed to by the
29 Union and the Company. The list of such deductions will be itemized to
30 include each such employee's social security number or permanent
31 employee number, name, and amount of deduction, and such itemization
32 will be forwarded to the Union. The initiation fee or regular and usual
33 monthly dues shall either be in amounts that are specified on such
34 assignments, or pursuant to a written formula, submitted by the Union to the
35 Company which, in either case, the Company has approved in writing in
36 advance as being administratively practicable.

37 **Section 3.9 Contributions to Machinists' Nonpartisan Political League.**

38 Upon receipt by the Company of a signed voluntary authorization by an
39 employee, on a form approved by the Company, requesting that there be
40 deductions made from his/her wages, in a monthly amount designated by
41 the employee, such deductions to be forwarded to the Union for use by the
42 Machinists' Nonpartisan Political League, the Company will thereafter

1 make such deductions and forward them to the Machinists' Nonpartisan
2 Political League, care of the Union. Such authorization will remain in
3 effect for the duration of this Agreement, unless earlier canceled in writing
4 by the employee.

5 **Section 3.10 Contributions to Guide Dogs of America.**

6 Upon receipt by the Company of a signed voluntary authorization by an
7 employee, on a form approved by the Company, requesting that there be

12 authorization will remain in effect for the duration of this Agreement,
13 unless earlier canceled in writing by the employee.

16 any and all claims, demands, charges, complaints or suits instituted against
17 the Company which are based on or arise out of any action taken by the
18 Company in accordance with or arising out of the foregoing provisions of
19 this Article 3.

20 **ARTICLE 4**

21 **UNION REPRESENTATIVES AND UNION ACTIVITY**

22 **Section 4.1 Union to Furnish List of Representatives.**

23 The Union shall inform the Company in writing of the names of its Grand
24 Lodge representatives, officers, business representatives and stewards who
25 are accredited to represent it, which information shall be kept up to date at
26 all times. Only persons so designated will be accepted by the Company as
27 representatives of the Union.

28 **Section 4.2 Bulletin Boards.**

29 The Company shall provide bulletin boards for the Union's use in areas
30 conveniently accessible to bargaining unit employees. New and
31 replacement boards will be at least three (3) feet by four (4) feet in size.
32 The Union may maintain the boards for the purpose of notifying employees
33 of matters pertaining to Union business. All notices shall be signed by a
34 representative of the Union who is authorized by the Union to approve
35 Union notices.

36 **Section 4.3 Business Representatives - Access to Plants.**

37 The Company shall provide identification badges so that each business
38 representative can have access during working hours to the area in which
39 employees are assigned who are within a bargaining unit defined in Article
40 1 and for which area he/she is an accredited business representative, to the
41 extent government or customer regulations will permit. The business

representative may retain the badge affording such access during the period he/she is so assigned as a business representative.

Section 4.4 Grand Lodge Representatives - Access to Plants.

Grand Lodge representatives will be permitted access during working hours to areas in the Company's facilities where employees in the bargaining units defined in Article 1 hereof are assigned, for the purpose of conducting Union business to the extent government or customer regulations permit.

Section 4.5 Conditions Relating to Access to Plants.

Access of Union representatives to Company facilities for the purpose of investigating complaints or claims of grievance on the part of employees or the Union shall be subject to the following:

4.5(a) The Company shall be required to admit only those accredited business representatives who are being admitted as of the effective date of this Agreement, and such other business representatives as may be accredited by the Union as provided in Section 4.1 above.

4.5(b) Business representatives and Grand Lodge representatives who are entitled under Sections 4.3 and 4.4 to admittance to the Company's facilities shall sign in where required through the Company-designated organization at the plant or facility they desire to enter. Upon being admitted, they shall proceed to the shop or organization they wish to visit, contact the supervisor then present, inform him/her of the purpose of their visit and obtain his/her permission prior to contacting any employee in such shop or organization. Such permission will be granted except where there is a substantial reason for delaying the contact due to safety conditions or the fact that a critical operation is in process. Upon leaving the plant or facility they shall sign out and return any temporary identification badges which were issued for the purpose of the specific visit.

4.5(c) Business representatives and Grand Lodge representatives granted admittance to the Company's facilities under this Article 4 shall not engage in organizing or campaigning for Union or political office on Company premises. This Section 4.5(c) will not be interpreted as preventing business representatives or Grand Lodge representatives from discussing, in nonwork areas during nonwork periods, matters of Union membership, fees or dues, with employees who are within one of the collective bargaining units described in Article 1 of this Agreement.

4.5(d) Union representatives who fail to comply with the provisions of Sections 4.3, 4.4, 4.5 and 4.6 shall forfeit their admittance rights.

Section 4.6 Union Activity During Working Hours.

Solicitation of Union membership or collection or checking of dues will not be conducted during working time. The Company agrees not to

discriminate in any way against any employee for Union activity, but such activity shall not be carried on during working time, except as specifically allowed by the provisions of this Agreement.

Section 4.7 Stewards.

The provisions and rules regarding stewards shall be as follows:

4.7(a) The Union may designate one (1) employee as a steward for each one hundred (100) employees, or fraction thereof, for each shift in each shop. In instances where a shop has a unit geographically separated from its main location, the Union may also designate a steward for each such separate unit for each shift provided that such unit consists of a minimum of four (4) employees, is not adjacent to the shop's main location and is not established on a temporary short-term basis; notwithstanding Section 4.7(d), when such unit drops below four (4) employees, no employee in such unit shall have steward status. If a geographically separated unit of a shop does not have a separate steward, arrangements will be made to permit employees in such unit to contact a steward upon request. In the absence of the regular steward for any reason, the Union may designate a temporary steward to act for the regular steward. Such designation shall be in writing. (For the purpose of this Section 4.7, a shop shall be defined as any organization, geographically separated unit, or grouping of employees which the parties establish in advance by mutual agreement. The definition of "organization" as set forth in Section 22.1(n) of this Agreement shall be applicable to that term as used in Section 4.7.)

4.7(b) The effective appointment date of a steward will be the third workday following the date on which the appointment letter from the Union is received by the applicable designated office of the Company, provided the appointment is determined to be in conformance with Section 4.7(a) above.

4.7(c) The Company will notify the Union of cases requiring a selective reduction in the number of stewards to conform with Section 4.7(a) above. Within three (3) workdays following the date the Union receives such notice from the Company, the Union will notify the Company of the names of the appropriate number of individuals the Union desires to have deleted from the Company records as stewards. No surplus action will affect such excess stewards during such three (3)-workday period. The above three (3)-workday waiting period will not apply in the handling of situations wherein no selective reduction is involved.

4.7(d) An employee while serving as a steward shall not be surplusd, transferred or loaned from his/her job title, or his/her shop, or his/her shift so long as other employees remain in his/her job title, and in the

shop and on the shift for which he/she is designated as steward. If he/she is not eligible so to remain in his/her job title, he/she will be offered downgrade to the highest labor grade job title within his/her normal line of promotion which is then being utilized in the shop and on the shift for which he/she is designated as steward. If he/she declines such a downgrade or if he/she is relieved of his/her steward's status prior to such downgrade action, he/she will then be subject to normal surplus procedures as provided in Article 22.

4.7(e) Stewards will be promoted and recalled from layoff on the same basis as provided in Article 22 for other employees, except that in the event a shift in a shop is deactivated and is reactivated by the Company within one hundred twenty (120) calendar days after such deactivation, the former steward will be offered an opportunity to return to that shop and shift provided the Company determines to utilize the steward's former job title or a lower grade in the same job family in such shop and on such shift within such one hundred twenty (120)-day period, and further provided that the former steward has not been replaced as steward by the Union in the interim.

4.7(f) A steward will retain his/her steward status while on approved medical leave of absence for a maximum of one hundred eighty (180) calendar days, provided that he/she has not been replaced as steward by the Union prior to expiration of such leave.

Section 4.8 Departure from Work Assignment by Stewards to Investigate Complaints or Claims of Grievance.

Each steward shall notify and obtain permission from his/her supervisor before leaving his/her work assignment for the purpose of investigating complaints or claims of grievance on the part of employees or the Union or contacting the business representative in regard to such claim or grievance. Such permission shall be granted except where there is a substantial reason for delaying the contact or the investigation due to safety conditions or the fact that a critical operation is in process. The supervisor may be present during any discussion relating to any complaint or grievance. However, upon the request of an employee or steward, the supervisor shall authorize a steward to participate in a private discussion with an employee or business representative, relating to a complaint or grievance. Discussions of the type described in this Section 4.8 shall be conducted without requiring the employee or steward to clock out provided the discussion does not extend beyond the time that the supervisor considers reasonable under the circumstances.

Section 4.9 Departure from Work for Union Business.

Except as provided in Section 4.8 above, each steward, local lodge officer or district council delegate shall have authorization from the Union, give his/her supervisor at least twenty-four (24)-hour advance notice if possible

1 and clock out prior to departure from his/her work assignment to conduct
2 Union business. If the work assignment given the steward, local lodge
3 officer or district council delegate seriously interferes with the performance
4 of his/her duties for the Union, or if Union business seriously interferes with
5 his/her work assignment, the Company and the Union agree to cooperate in
6 making arrangements to prevent such interference in the future. However,
7 stewards, local lodge officers and district council delegates shall not be
8 penalized for such Union business; provided, that nonpayment by the
9 Company for time spent on Union business shall not be considered as a
10 penalty. This Section 4.9 shall apply to cases of stewards who are
11 designated to act for business representatives in accordance with Section
12 19.13 for the temporary period the steward is authorized as a designee.

13 **Section 4.10 Security Clearances.**

14 If governmental regulations require special clearance to obtain access to
15 certain areas where employees are assigned who are within a bargaining
16 unit defined in Article 1, the Company will cooperate with the Union to
17 obtain necessary clearance for two (2) representatives designated by the
18 Union: one (1) for the Puget Sound and Portland Units, and one (1) for the
19 Wichita Unit. If this number is not adequate in view of the workload, the
20 Company and the Union will discuss the possibility of attempting to obtain
21 clearance for additional representatives.

22 **ARTICLE 5** 23 **WORKWEEK, HOURS OF WORK, SHIFTS**

24 **Section 5.1 Workweek.**

25 The normal work schedule shall consist of five (5) consecutive workdays,
26 Monday through Friday, followed by two (2) days of rest (Saturday and
27 Sunday), except for those employees designated in advance by mutual
28 agreement between the Company and the Union who regularly work on
29 Saturday and/or Sunday, whose normal work schedule shall consist of five
30 (5) consecutive workdays, followed by two (2) days of rest, which shall be
31 treated as their Saturday and Sunday, in that order. The Company will
32 attempt to meet its nonregular workweek assignments on a voluntary basis
33 among the employees. In the event there are insufficient volunteers to meet
34 the requirement, the supervisor may designate and require the necessary
35 number of employees to work the nonregular workweek. Such designation
36 shall first affect the junior qualified employees in the classification. When
37 reducing the number of nonregular workweek assignments, senior
38 employees within each job will be given their preference to return to regular
39 workweek schedules. The purpose of nonregular workweek assignments is
40 to provide for those maintenance and service functions that are required on
41 a continuing seven (7)-day per-week basis. Such assignments will not be
42 utilized for the purpose of providing maintenance or service in support of
43 weekend production operations. It is mutually agreed that Maintenance

employees and employees in organizations providing seven-day customer service may be assigned to a nonregular workweek.

Section 5.2 Short Workweek.

In the event the Company deems it advisable to work any number of the employees on a short workweek, the Union and the affected employees will be notified in advance which days are to be worked, and such days worked shall be consecutive. An employee's options in regard to the use of vacation credit in such situation are set forth in Section 8.4(i).

Section 5.3 Shifts; Lunch Periods; Rest Periods.

Each employee shall be assigned to a definite shift with designated times of beginning and ending. The first and second shifts each shall be an eight (8)-hour-and-thirty-minute period which shall include a thirty (30)-minute unpaid lunch period. The third shift shall be a seven (7)-hour period which shall include a thirty (30)-minute unpaid lunch period. The designated times of beginning each shift during the scheduled workweek (the period covered by Section 6.10(c)) shall be: first shift - between 5:00 A.M. and 8:30 A.M.; second shift - between 1:30 P.M. and 6:00 P.M.; third shift - between 10:00 P.M. and 1:30 A.M. of the following day. Each employee shall be given a ten (10)-minute rest period in each half of the shift to which he/she is assigned, the time of starting each such rest period to be designated by the Company. Each employee who is required to report for work two (2) or more hours prior to the start of his/her regular shift shall receive a ten (10)-minute rest period prior to the start of his/her regular shift. Each employee who is scheduled to work two (2) or more hours of overtime after his/her regular shift shall receive a ten (10)-minute rest period prior to the start of the overtime. Changes of shift assignments shall be made on the first day of a new workweek whenever practicable.

Section 5.4 Shift Preference.

In order to ensure operational efficiency, the Company shall have the exclusive right to assign employees to any shift. Subject to the foregoing, senior employees who have a shift preference on file shall be given preference over junior employees who are assigned to the same job title and shift, junior returning non-bargaining unit employees, new hires, recalls from layoff, and promotional candidates for placement in openings in their job title and organization. Shift preference rights are not applicable over employees being downgraded, laterally reclassified on their current shift, laterally transferred to the organization on their current shift or over senior employees who are in their labor grade. Employees who have requested downgrades will not be given preference over senior employees in their organization who have shift preferences on file. Shift preferences must be filed more than three (3) working days prior to an organization effecting a shift change or declaring a job opening by submission of a dated open requisition. If an employee does not file a shift preference, it shall be

1 assumed that he/she is on his/her preferred shift. Under no circumstances
2 will the provisions of this Section 5.4 be construed to enable an employee,
3 at his/her instance and request, to displace a less senior employee from
4 his/her job and shift.

5 **5.4(a)** As stated, shift preferences as defined will not apply in
6 instances where the exercise of such rights would affect the efficiency
7 of Company operations in any organization on any shift. When such
8 instances arise, it shall be the responsibility of organizational
9 management to prepare an exception request for transmittal to the
10 organization's designated executive or delegate. Exception requests
11 shall be discussed with the Union prior to submittal to the site senior
12 Human Resources representative or designee for final approval.

13 **5.4(a)(1)** When staffing a new shift, the Company maintains the
14 right to assign employees necessary to accomplish the work,
15 including the right to assign employees with key skills regardless
16 of their shift preference. The Company will attempt to complete
17 such staffing from volunteers, assignments from other shifts in
18 reverse seniority order, promotions, and new hires.

19 **5.4(a)(2)** When senior employees are displaced from their shift of
20 preference during a staffing exercise, the Union will be notified
21 and the displaced employee shall be given, in writing, a date of
22 return to the preferred shift he/she was on.

23 **5.4(b)** The Company will de-staff a shift in the following order: first,
24 by shift preference filings, and second, in reverse seniority order among
25 remaining employees. In cases where the shift is to be eliminated,
26 employees will be notified in advance and given the opportunity to file
27 a timely shift preference.

28 **5.4(c)** In the event an employee is holding a higher graded job
29 classification but is no longer assigned to work as a lead (as defined by
30 the Rules Governing the Application of Job Descriptions), he/she shall
31 have the same shift preference rights accorded to the employees in the
32 lower graded job classification of the work being performed.

33 **5.4(d)** In the event two (2) or more employees have the same seniority
34 date, the employee with the lowest BEMS ID will be provided the first
35 opportunity for shift preference movement.

36 **ARTICLE 6** 37 **RATES OF PAY**

24 which he/she was laid off and he/she was at the maximum rate at
25 the time of layoff, he/she will be paid at the maximum rate,
26 otherwise, he/she will be paid the base rate and the cost of living
27 adjustment in effect on the date of his/her layoff, provided that, if
28 cost of living adjustment has been added to base rates and made a

part thereof since the employee's layoff, the cost of living adjustment in effect on the date of the employee's layoff shall be similarly added to his/her base rate.

6.2(d)(2) If the employee is recalled to either a higher or lower labor grade than the one from which he/she was laid off, his/her base rate will be determined first by treating him/her as though he/she had been recalled to the same labor grade under Section 6.2(d)(1) and then reclassified under Section 6.3(c).

6.2(d)(3) If the employee is recalled to the previously held labor grade following downgrade, and the employee was not at the maximum rate at the time of downgrade, then he/she will be paid the same base rate held at the time of downgrade, provided that, if a cost of living adjustment has been added to base rates and made a part thereof since the employee's downgrade, the cost of living adjustment in effect on the date of the employee's downgrade shall be added to his /her base rate.

6.2(d)(4) If an employee is downgraded due to surplus and is subsequently promoted to a higher labor grade than previously held, he/she shall be paid at least the same base rate held at the time of downgrade, plus any increase for promotion to which he/she may be entitled under Section 6.3(a).

6.2(e) Returns from Leaves of Absence. An employee on approved leave of absence who returns to the active payroll will have the following base rate:

6.2(e)(1) If the leave of absence was granted due to industrial injury or industrial illness, military service, or to accept a full-time Union position, the employee's base rate will be equal to the base rate he/she would have had if he/she had not been on a leave of absence.

6.2(e)(2) If the leave of absence was granted for any other reason, his/her base rate will be determined as though he/she had been recalled from layoff under Section 6.2(d).

Section 6.3 Base Rate Changes.

6.3(a) Seniority Progression Increases. On the Friday immediately preceding their six (6)-month anniversary of the date of hire or date of the last seniority progression increase, employees below the rate range maximum for their labor grade shall, subject to such maximum, receive a seniority progression increase to their base rate of fifty (50) cents. Employees shall automatically progress to the base rate range maximum upon their twelfth (12th) seniority progression increase. Employees on approved leave of absence will continue to accrue time

1 toward their next six (6)-month progression increase for the first ninety
2 (90) days of the leave. Employees recalled from layoff within one (1)

28 not they were absent during the week, except when an
29 employee has previously scheduled the use of vacation,
30 bereavement leave or military leave on Friday preceding the
31 weekend, or unless Sections (2)(c), (2)(d) or (2)(e) of this
32 Section 6.10(b) apply.

Section 7.2 Unworked Holidays.

Employees shall receive eight (8) hours pay for unworked holidays (those holidays designated above), at their base rate in effect at the time the holiday occurs, plus applicable shift differential and Cost of Living Adjustment, if, on the holiday, they are on the active payroll, including those on approved leave of absence for not longer than ninety (90) calendar days. Employees not on leave of absence who take leave without pay (LWOP) at the time the holiday occurs shall be eligible for holiday pay.

Section 7.3 Worked Holidays.

Employees who are required to work on the above-named holidays shall receive the pay due them for the holiday, plus double their base rate for all hours worked on such holiday, plus shift differential and Cost of Living Adjustment, if applicable, unless the employee starts to work at 10:00 P.M., or thereafter on that day.

Section 7.4 Holidays During Vacation.

Should a holiday occur while an employee is on vacation, the employee shall be allowed to take one (1) extra day of vacation with pay in lieu of the holiday as such.

Section 7.5 Employees on Non-regular Workweek.

For those employees who regularly work on Saturday and/or Sunday, receiving two (2) consecutive days off during the week, the two (2) days off shall be treated as "Saturday" and "Sunday," in that order, for the purposes of this Article 7. Should any of the holidays observed by the Company occur on such a "Sunday," the following day shall be considered as a holiday for such employees. Should any of the holidays observed by the Company occur on such a "Saturday," the preceding day shall be considered as a holiday for such employees.

Section 7.6 Employees Prevented from Working Because of Local Holidays.

Employees assigned to a non-Boeing facility where (due to the fact that a holiday not listed in Article 7 but recognized at that facility) they are prevented from working their assigned shift, they nonetheless shall be paid for such assigned shift.

1 **Section 7.7 Employees on Third Shift.**

2 Those employees who are assigned to work on third shift shall observe
3 holidays in accordance with Sections 7.1 through 7.6 except when
4 Independence Day falls on a Monday, Tuesday, Wednesday or a Thursday.
5 When this occurs, they shall observe the Independence Day holiday on the
6 fifth of July.

7 **ARTICLE 8**

8 **VACATION, SICK LEAVE, FINANCIAL SECURITY PLAN**

9 **Section 8.1 General Description of Credit.**

10 Upon reaching his/her first eligibility date with the Company and during
11 each succeeding year, an employee subject to this Agreement shall be
12 credited with a certain number of hours of credit for the purposes of this
13 Article 8, based upon hours worked, during his/her first year of service and
14 each succeeding year, such credit to be earned and used as designated in this
15 Article 8.

16 **Section 8.2 Computation of Credit.**

17 The credit to which an employee shall be entitled on his/her first eligibility
18 date, and at any time thereafter, shall be computed in accordance with the
19 following rules:

20 **8.2(a)** An employee with less than five (5) years of seniority will earn
21 one (1) hour credit for each seventeen (17) hours worked.

22 **8.2(b)** An employee with five (5) or more but less than ten (10) years
23 of seniority will earn one (1) hour credit for each sixteen (16) hours
24 worked.

25 **8.2(c)** An employee with ten (10) or more but less than fifteen (15)
26 years of seniority will earn one (1) hour credit for each thirteen (13)
27 hours worked.

28 **8.2(d)** An employee with fifteen (15) or more but less than twenty (20)
29 years of seniority will earn one (1) hour credit for each twelve (12)
30 hours worked.

31 **8.2(e)** An employee with twenty (20) or more but less than twenty-five
32 (25) years of seniority will earn one (1) hour credit for each eleven (11)
33 hours worked.

34 **8.2(f)** An employee with twenty-five (25) or more years of seniority
35 will earn one (1) hour credit for each ten (10) hours worked.

36 **8.2(g)** Seniority shall be the seniority as defined in Article 14.

37 **8.2(h)** Each hour worked on third shift shall be increased, at the ratio
38 of eight (8) to six and one (6-1/2)-half for the purpose of computing
39 credit.

1 **8.2(i)** Total credit for any period of service will be computed to the
2 nearest tenth of an hour.

3 **8.2(j)** All hours for which an employee is paid will be counted as hours
4 worked in the computation of credit and hours worked at premium rates
5 shall be counted as straight time hours in such computation.

6 **Section 8.3 Eligibility to Use Credit.**

7 Eligibility for use of credit shall be determined as follows:

8 **8.3(a)** An employee becomes eligible to use his/her credit as provided
9 in Section 8.4 after reaching his/her first eligibility date, except as
10 provided in Subparagraph 8.4(c)(2).

11 **8.3(b)** The eligibility date of an employee newly hired or hired after
12 termination of employment shall occur on the anniversary date of such
13 hire.

14 **8.3(c)** An employee who had established an eligibility date prior to the
15 effective date of this Agreement will retain such eligibility date so long
16 as he/she remains in the continuous service of the Company.

17 **8.3(d)** Time on layoff and time on authorized leave of absence will be
18 considered as continuous service for the purpose of establishing and
19 retaining eligibility dates.

20 **Section 8.4 Use of Credit.**

21 Credit earned by any employee is to be used as follows:

22 **8.4(a) Allocation of Portion of Credit to Sick Leave Credit and to**
23 **Vacation Credit.** The first forty (40) hours credited on an employee's
24 first eligibility date and thereafter as earned during each succeeding
25 year of service shall be allocated to the employee's Sick Leave Credit.
26 The number of such hours that at any time are earned and unused shall
27 be referred to as the employee's Sick Leave Credit.

28 All hours credited on an employee's first eligibility date and as earned
29 during each succeeding year of service, in excess of the number of
30 hours to be allocated to the employee's Sick Leave Credit as aforesaid,
31 shall be referred to as the employee's Vacation Credit.

32 **8.4(b) Use of Vacation Credit as Vacation With Pay or Sick Leave.**
33 Between eligibility dates, an employee shall use his/her unused
34 Vacation Credit accumulated in the twelve (12)-month period
35 preceding his/her last eligibility date as vacation with pay at the rate in
36 effect for each day of the vacation period, including shift differential, if
37 applicable, subject to the following conditions:

38 **8.4(b)(1)** He/she shall request vacation dates on forms provided
39 by the Company and the Company will endeavor to schedule

1 his/her vacation as requested. Generally, Vacation Credit will be
2 used in units of eight (8) hours; however, Credit may be used in
3 lesser amounts to cover partial days of absence, subject to advance
4 approval by the employee's supervisor.

5 **8.4(b)(2)** In instances where Company management believes the
6 awarding of vacations as requested would interfere seriously with
7 production requirements, the scheduling of vacations shall be as
8 near to the dates requested as possible.

9 **8.4(b)(3)** In scheduling vacations, the Company will attempt to
10 meet its production requirements by use of employees on a
11 voluntary basis and, failing in this, the seniors will be given their
12 preference of available vacation dates when request is made thirty
13 (30) or more days prior to the vacation dates requested to the
14 extent established vacation schedules will permit.

15 **8.4(b)(4)** In the event an employee is temporarily laid off as
16 provided in Section 22.8 or is on approved leave of absence, he/she
17 may elect to take his/her vacation with pay, to the extent of his/her
18 eligibility, during such layoff or leave.

19 **8.4(b)(5)** If an employee's Sick Leave Credit is exhausted,
20 management shall allow an employee to use vacation credit to care
21 for a child, spouse, parent, parent-in-law, or grandparent as may be
22 required by law, even if an employee is under a Corrective Action
23 Memo for attendance. In other cases, management may approve
24 on a case-by-case basis an employee's request to use Vacation
25 Credit as sick leave for legitimate reasons for absence under the
26 same conditions as set forth in Subparagraph 8.4(c)(1). Such
27 approval will not be unreasonably denied; however, requests will
28 not normally be approved if the employee is then under a
29 Corrective Action Memo for attendance.

30 **8.4(c) Use of Sick Leave Credit as Sick Leave.** Sick Leave Credit
31 may be used as follows:

32 **8.4(c)(1) General.** Between eligibility dates, an employee,
33 including an employee on a leave of absence, may, at his/her
34 option, use any part or all of his/her Sick Leave Credit as sick
35 leave providing: (A) the employee is partially or wholly
36 incapacitated by actual illness or injury on the days taken as sick
37 leave, (B) an illness in the employee's immediate family requires
38 the employee's presence or (C) the employee has a medical or
39 dental appointment which can be scheduled only during working
40 hours. The employee shall be paid for absence charged to sick
41 leave and shall not be penalized for such absence providing the
42 nature of the absence and anticipated length of absence is reported

1 to his/her organization on the first day of such absence, or as soon
2 thereafter as reasonably possible. As to possible rights after
3 exhaustion of Sick Leave Credit, see Subparagraph 8.4(b)(5) and
4 Section 8.5(a).

5 **8.4(c)(2) Prior to First Eligibility Date.** Prior to his/her first
6 eligibility date an employee may use in accordance with
7 Subparagraph 8.4(c)(1) accumulated Sick Leave Credits
8 anticipated to be allocated on his/her first eligibility date. Use of
9 such credits will be considered to be an advance from the
10 employees' Sick Leave Credits due on his/her first eligibility date
11 and will reduce such allocation accordingly. Should the employee
12 terminate for any reason other than layoff prior to completion of
13 his/her first year of service, sick leave payment made to the
14 employee may be deducted from the employee's final paycheck
15 and any remaining amounts will be due the Company.

16 **8.4(d) Unused Vacation Credit.** It is the intent of the parties that
17 employees shall be required to use Vacation Credit as vacation.
18 However, where an employee does not use all or part of such Vacation
19 Credit as vacation with pay during the year between vacation eligibility
20 dates, the employee shall receive pay in lieu of any remaining unused
21 Vacation Credit after reaching his/her next eligibility date. An
22 exception to the foregoing will be to allow employees to elect carryover
23 of vacation credits in order to meet extended vacation needs, provided
24 the employee makes such election in writing at least ten (10) working
25 days before the employee's next eligibility date. Once an employee
26 elects this exception to carryover vacation, that election will remain in
27 effect unless otherwise requested. Vacation credits so carried over
28 must be used during the next eligibility year and pay in lieu of vacation
29 credits carried over will not be allowed until the end of the eligibility
30 year following the eligibility year in which the carryover election is
31 made. All payments in lieu of vacations shall be made at the
32 employee's rate in effect on the employee's current vacation eligibility
33 date, including shift differential where applicable.

34 **8.4(e) Unused Sick Leave Credit.** An employee who, on any
35 eligibility date, has more than forty (40) unused hours in his/her Sick
36 Leave Credit, less the number of leave without pay hours taken during
37 the eligibility year, will receive pay-in-lieu of those hours over forty
38 (40) in accordance with the following table:
39

Hours of Unused Sick Leave Credit in Excess of 40 (Less Leave Without Pay Hours)		<u>Percentage Payment</u>
40 hours		160%
36 to 40 hours		150%
32 to 36 hours		140%
28 to 32 hours		130%
24 to 28 hours		120%
20 to 24 hours		110%
less than 20		100%

Such payments shall be made at the employee's rate in effect on that eligibility date, including shift differential where applicable. Notwithstanding the above, there will be no deduction for leave without pay hours taken for the following reasons: departure from work for Union business pursuant to Section 4.9; temporary layoff pursuant to Section 22.8; time loss as a result of industrial injury or illness; authorized military leave of absence pursuant to Section 6.6(b), or emergency plant closure.

8.4(f) Effect of Termination. Upon termination of an employee's employment for any reason on or after any eligibility date, such employee shall receive pay in lieu of his/her hours of Vacation Credit and Sick Leave Credit earned and unused up to and including the effective date of his/her termination of employment. For the purposes of this Section 8.4(f) only, an employee shall be deemed to have terminated on or after his/her first eligibility date if he/she worked on his/her last scheduled workday prior to that eligibility date. Such pay shall be in addition to such benefits as may be payable to the employee under the Financial Security Plan.

8.4(g) Effect of Military Service on Credit. Any employee who leaves to enter military service shall receive pay in lieu of his/her hours of Vacation Credit and Sick Leave Credit earned and unused up to the effective date of termination irrespective of whether he/she has been employed until his/her eligibility date. Such payment will be made when the employee furnishes proof, satisfactory to the Company, of his/her entry into military service within sixty (60) days after termination and without intervening employment elsewhere. Such pay shall be in addition to such benefits as may be payable to the employee under the Financial Security Plan.

8.4(h) Effect of Layoff on Credit. Any employee who is laid off (on other than a temporary layoff of fourteen (14) calendar days or less)

1 shall receive pay in lieu of all of his/her hours of Vacation Credit and
2 Sick Leave Credit earned and unused up to the effective date of layoff
3 irrespective of whether he/she has been employed until his/her
4 eligibility date. Such pay shall be in addition to such benefits as may
5 be payable to the employee under the Financial Security Plan.
6 Employees temporarily laid off shall not receive pay in lieu of unused
7 Credit.

8 **8.4(i) Use of Credit in Lieu of Working Short Workweek.** In the
9 event the Company deems it advisable to work an employee on a short
10 workweek as provided in Article 5, Section 5.2, the employee may:

11 **8.4(i)(1)** elect against working the short workweek in which case
12 he/she may apply for and use his/her unused Credit accumulated in
13 the twelve (12)-month period preceding his/her last eligibility date
14 (to the extent that it is not allocated or required to be allocated to
15 his/her Sick Leave Credit) as time off with pay at the rate in effect
16 on the day(s) such credit is used, including shift differential if
17 applicable, or

18 **8.4(i)(2)** elect to work the short workweek and apply for and use
19 such unused Credit as time off with pay for the regular workdays
20 that are not worked in the short workweek, or

21 **8.4(i)(3)** elect layoff, in which case the provisions of Section
22 8.4(h) above shall apply.

23 **Section 8.5 Financial Security Plan.**

24 **8.5(a) Use of Accrued Financial Security Plan Benefits.** The
25 Financial Security Plan is not applicable to employees within the units
26 to which this Agreement relates. However, after October 4, 1983, an
27 employee who has transferred into a unit defined in Article 1 who has
28 an accrued benefit under the Financial Security Plan shall retain such
29 accrued benefit under the Plan subject to the current withdrawal and
30 termination provisions of the Plan applicable to the employee's unit
31 before transfer.

32 **8.5(b) Deferral of Benefit Payment.** A Member may defer payment
33 of benefits upon termination of Service regardless of the amount of the
34 Member's account balance.

35 **8.5(c) Annuity Form of Benefit Payment.** A Member to whom a
36 benefit is payable on account of retirement under a retirement plan
37 sponsored by the Company may, prior to the Member's retirement date
38 under such retirement plan, elect to receive all or any designated
39 portion of this Plan benefit in an alternate annuity form regardless of
40 the amount of the Member's account balance.

ARTICLE 9
VOLUNTARY INVESTMENT PLAN

Section 9.1 Continuation of Plan.

Subject to the approval of the Commissioner of Internal Revenue and of other cognizant governmental authorities, as more particularly hereinafter specified, a Voluntary Investment Plan (hereinafter called the Plan) in the form now in effect as to the employees within the units to which this Agreement relates shall continue to be effective while this Agreement is in effect as to such employees in accordance with and subject to the terms, conditions, and limitations of the Plan.

Section 9.2 Approval of Plan.

Approval of the Plan by the Commissioner of Internal Revenue as referred to in Section 9.1 means a continuing approval sufficient to establish that the Plan and related trust or trusts are at all times qualified and exempt from income tax under Section 401(a), Section 401(k) and other applicable provisions of the Internal Revenue Code of 1986 and that contributions made by the Company under the Plan are deductible for income tax purposes in accordance with law. The cognizant governmental authorities referred to in Section 9.1 include, without limitation, the Department of Labor and the Securities and Exchange Commission, and their approval means their confirmation with respect to any matter within their regulatory authority that the Plan does not conflict with applicable law.

Section 9.3 Continuation Beyond Agreement.

The Company shall not be precluded from continuing the Plan in effect as to employees within the units to which this Agreement relates, after expiration or termination of this Agreement, subject to the terms, conditions, and limitations of the Plan.

Section 9.4 Plan Updates.

The parties agree the innovations in technology and administrative practices can give savings plan participants better access to information about their benefits, increased investment options, timely on-line transactions capability and enhanced administrative features. Accordingly, when the Company identifies administrative services that in its estimation reflect industry best practices, the Employee Benefit Plans Committee has discretion to adopt these changes to the Savings Plan. The Company will notify the Union in advance of implementation of any changes adopted by the Employee Benefit Plans Committee.

Section 9.5 Company Matching Contributions

The Company matching contribution shall be equal to fifty (50) percent of the first eight (8) percent of the employee's contributions.

Section 9.6 Changes to the Current Plan.

Subject to action by the Company's Board of Directors (or its delegate, the Employee Benefit Plans Committee) and to the approvals specified in Section 9.2, all provisions of the Plan are to remain unchanged, with the exception of the following amendments, effective January 1, 2009:

9.6(a) Effective January 1, 2009 through December 31, 2014, employees may contribute up to twenty-five (25) percent on a pre-tax basis, an after tax basis, or a combination of both, in one (1) percent increments.

9.6(b) Effective January 1, 2015, employees may contribute up to thirty (30) percent on a pre-tax basis, an after tax basis, or a combination of both, in one (1) percent increments.

9.6(c) Employees hired or rehired on or after January 3, 2014, will be eligible for an additional Special Company Retirement Contribution under the Plan. Each pay period, the Company will contribute to the Plan an amount equal to four (4) percent of the employee's eligible pay for that pay period.

Eligible pay, for the purpose of calculating the Special Company Retirement Contribution, is base pay, shift differential, pay additives (e.g., team leader, A&P, etc.), overtime premium, paid time off (excluding payout of unused benefits), cost of living adjustments (COLA) and Aerospace Machinists Performance Program (AMPP) payments paid on or after January 1, 2015 and before the end of the payroll cycle following his or her termination of employment. Employees will be one hundred (100) percent vested immediately in the Special Company Retirement Contribution. For purposes of determining eligibility for the Special Company Retirement Contribution, the employee will be considered hired before January 3, 2014, if:

1. On an authorized leave of absence on January 2, 2014, and returns to active employment directly from that authorized leave of absence.
2. An active employee on January 2, 2014, goes on an authorized leave of absence, and returns to active employment directly from that authorized leave of absence.
3. On layoff on January 2, 2014, and returns to active employment within six (6) years of the layoff date.
4. An active employee on January 2, 2014, is laid off, and returns to active employment within six (6) years of layoff date.

The employee is considered rehired if:

1. The employee voluntarily terminates employment and is subsequently reemployed.
2. The employee returns to active employment from layoff and the return date is more than six (6) years after the date of layoff.
3. The employee commences their retirement benefit during the layoff period and later returns to active employment within six (6) years of the layoff date.

35 committed to controlling health care costs through joint efforts under
36 the Joint Committee on Health Care Costs and Quality. In support of
37 these efforts, the Company will continue to share the cost of medical
38 coverage with employees. Effective January 1, 2013, Company and

1 Cost, and Quality, make any necessary design changes to the active
2 medical plans to avoid excise taxes related to the ACA. For active
3 medical plans, in the event that plan design changes will be
4 necessary to avoid the excise tax, the Company will make plan
5 design and contribution changes in a manner that will maintain the
6 negotiated cost share of sixteen (16) percent.

7 Medical contributions will increase as agreed to in Article 11,
8 Section 2 (a maximum of ten (10) percent over the previous years'
9 contributions), however, in the event the aggregate medical cost
10 share for the active population is projected to be different than
11 sixteen (16) percent for the following plan year, the active
12 employee contribution will be prospectively adjusted for the
13 following plan year evenly across all three plans and family tiers to
14 keep the aggregate cost share at sixteen (16) percent.

35 \$100 each month for medical coverage under the Group Benefits
36 Program to enroll a spouse or same-gender domestic partner who is
37 eligible for medical coverage under another employer-sponsored
38 plan and waives such coverage. This \$100 contribution will not be
39 required for a spouse or same-gender domestic partner who waived
40 coverage under another employer-sponsored plan prior to
41 eligibility for medical coverage under the Group Benefits Program,
42 provided he or she enrolls at the other plan's next enrollment

1 period or, if earlier, at an enrollment date allowed by the other
2 plan.

12 referred to in such Attachment B. The program summarized in Attachment
13 B shall be referred to as the Retiree Medical Plan.

14 **Section 11.4 Cost of the Retiree Medical Plan.**

15 Except as described in 11.4(b) and 11.4(c), the Company will share the cost
16 of medical coverage for current eligible retired employees, employees on
17 the active payroll, on layoff or on leave of absence on June 30, 2002 as

22 coverage, retired employees will contribute \$10 for a retired
23 employee only, \$20 for a retired employee and spouse, \$20 for a

25 family. For Traditional Medical Plan coverage, retired employees
26 will contribute \$20 for a retired employee only, \$40 for a retired
27 employee and spouse, \$40 for a retired employee and child(ren), or

35 service for the duration of the Agreement. Retired employees pay the
36 difference (the cost of the plan minus the Company contributions).
37 However, all covered retirees must make contributions not less than the
38 amount specified in Section 11.4(a).

39 **11.4(c)** The retired employee is required to contribute \$100 a month to
40 enroll a spouse in the Retiree Medical Plan if the spouse is eligible for
41 coverage under another employer-sponsored plan as an active
42 employee and waives such coverage.

1 **11.4(d)** Company contributions will be made only for an eligible
2 retired employee who is receiving benefits from The Boeing Company
3 Employee Retirement Plan (the “Retirement Plan”) provided the
4 employee meets the eligibility requirements of the Retiree Medical Plan
5 and either authorizes deduction of the balance of plan rates, if any,
6 from his or her retirement check or makes arrangements with the
7 Company to self-pay for coverage. In the case of an employee hired or
8 rehired on or after January 3, 2014, who is not a participant in the
9 Retirement Plan, Company contributions will be made provided the
10 employee meets the eligibility requirements of the Retiree Medical Plan
11 and makes arrangements with the Company to self-pay for coverage.
12 Such Company contribution will continue for an eligible retired
13 employee or eligible spouse reduced by retired employee contributions
14 required under Sections 11.4(a) and 11.4(b) and the spouse contribution
15 in Section 11.4(c), if any, until such eligible person attains 65 years of

17 such dependent is no longer an eligible dependent or earlier qualifies
18 for Medicare.

19 The Affordable Care Act (ACA) will levy excise taxes for plans over
20 certain statutory thresholds beginning in 2018. Beginning in the 2018
21 plan year, and thereafter on an annual basis, the Company will, based
22 on reviews with the Joint Committee on Health Care, Cost, and Quality,
23 make any necessary design changes to the retiree medical plans to
24 avoid excise taxes related to the ACA.

25 **Section 11.5 Details and Method of Coverage.**

26 The benefits summarized in the Group Benefits Program and the Retiree
27 Medical Plan shall be procured by the Company under contracts and/or
28 administrative agreements with insurance companies, health care
29 contractors or administrative agents which will be in the form customarily
30 written by such carriers and administrative agents, and the Group Benefits
31 Program and Retiree Medical Plan shall be subject to the terms and
32 conditions of such contracts and/or administrative agreements, consistent
33 with the summary in the Group Benefits Program or Retiree Medical Plan.

34 Such contracts and/or administrative agreements will require the
35 administrative agents to develop various programs and procedures designed
36 to contain costs based on those portions of the Group Benefits Program and
37 the Retiree Medical Plan which contain the requirement that charges are
38 covered only on the basis of medical necessity. Such cost containment
39 programs or procedures may be utilized to determine the medical necessity
40 of the treatment itself, the appropriateness of the services provided, the
41 place of treatment or the duration of treatment. The administrative agents
42 and the Company will announce each such program or procedure before it
43 is required or available to the affected employees or retirees. Any such cost

1 containment program or procedure will not operate to reduce or deny the
2 benefit properly due under the Plans to any covered person or to shift the
3 costs covered under the Plans to the covered person.

4 Except as otherwise provided in this Article 11, during the term of this
5 Agreement, the Company shall not change the benefits or increase the
6 deductibles or copayments shown in Attachment A and Attachment B,
7 except as required by law, without approval of the Union, and in the event
8 the Company makes such change without the Union's approval, such action
9 shall be subject to the provisions of Article 19 of this Agreement. The
10 failure of an insurance company, health care contractor or administrative
11 agent to provide for any of the benefits for which it has contracted shall
12 result in no liability to the Company, nor shall such failure be considered a
13 breach by the Company of the obligations which it has undertaken by this
14 Agreement. However, in the event of any such failure, the Company shall
15 immediately evaluate the need to replace the services of such insurance
16 company, health care contractor, or administrative agent.

17 **Section 11.6 Administration.**

18 The Group Benefits Program and the Retiree Medical Plan shall be
19 administered by the insurance companies, health care contractors or
20 administrative agents with whom the Company enters into contractual
21 relationships for the purpose of providing and/or administering the coverage
22 contemplated by the Group Benefits Program or the Retiree Medical Plan
23 and the Employee Benefit Plans Committee of The Boeing Company, and,
24 except as provided in Section 11.5 above, no question or issue arising under
25 the administration of such Group Benefits Program or the Retiree Medical
26 Plan or the contracts and/or administrative agreements identified therewith
27 shall be subject to the grievance procedure or arbitration provisions of
28 Article 19 of this Agreement. No new medical or dental plans will be added
29 or existing plans deleted without prior consultation and notification of the
30 Union.

31 **Section 11.7 Copies of Policies to be Furnished to Union.**

32 Copies of the policies, contracts, and administrative agreements executed
33 pursuant to this Article 11 shall be furnished to the Union and the coverages
34 and benefits indicated in the Group Benefits Program or the Retiree Medical
35 Plan, the rights of eligible employees in respect of such coverages, and the
36 settlement of all claims arising out of such coverages, shall be in accordance
37 with the provisions, terms and rules set forth in such contracts.

38 **Section 11.8 Federal or State Programs.**

39 If during the term of this Agreement there is mandated by federal or state
40 government a program that affords to employees and/or retirees covered by
41 this Agreement similar benefits (such as but not limited to medical benefits
42 and dental benefits) to those that are afforded by this Agreement, benefits
43 afforded by this Agreement will be replaced by such federal or state

1 program. The Company will comply with the provisions for the furnishing
2 of such program to the extent required by law. No question or issue
3 regarding the level of benefits under the state or federal program shall be
4 subject to the grievance procedure or arbitration provisions of Article 19 of
5 this Agreement.

6 **ARTICLE 12** 7 **TRAVEL AND RELOCATION REIMBURSEMENT**

8 **Section 12.1 Recognition of Varied Type of Operations.**

9 It is recognized that Company operations throughout the country are varied
10 as to type and location and that this has required and will continue to
11 require the use and application of different policies, regarding
12 reimbursement for travel and relocation expenses, depending on the
13 particular circumstances involved, such as: housing, transportation and
14 other personnel requirements; policies and requirements of the cognizant
15 military and other governmental agencies; duration and nature of
16 assignment; considerations as to any urgency identified with the assignment
17 or operation involved; and other related factors.

18 **Section 12.2 Copies of Policies to Be Furnished to the Union.**

19 The Company will furnish to the Union copies of the present published
20 Company policies relating to reimbursement of travel and relocation
21 expenses.

22 **Section 12.3 Advance Notice to Employee of Applicable Policy.**

23 Each employee who is requested to relocate or who is afforded an
24 opportunity to relocate, shall be advised by the Company in writing, prior to
25 any commitment on his/her part to undertake the assignment, as to the
26 published policy or policies and the particular provisions thereof that are to
27 be applied to him/her in connection with the assignment if he/she takes it;
28 and if he/she takes the assignment, later revisions of published policies or
29 parts thereof will not cause any change in the reimbursement policy or
30 policies specified in the advice.

31 **Section 12.4 Changes in Policies.**

32 The Company may make further revisions of such published policies or
33 establish additional published policies and in each such instance will furnish
34 copies to the Union. Reimbursement provisions of such published policies,
35 which are applicable to employees covered by this Agreement, will not be
36 revised to provide less favorable reimbursement for such employees, except
37 by mutual agreement between the Company and the Union.

38 **Section 12.5 Determination of Applicable Policies.**

39 The policy or policies and the part or parts thereof to be applied to the
40 individual in each instance in accordance with Section 12.3 shall be
41 determined by the Company.

1 **Section 12.6 Scope of Grievance and Arbitration Proceedings as**
2 **Applied to Travel and Relocation Reimbursement.**

3 The form and content of the various published Company policies regarding
4 reimbursement for travel and relocation expenses, the revisions thereof or
5 additions thereto that may be made by the Company from time to time, and
6 the determination of the policy or policies and the part or parts thereof to be
7 applied to the individual in each instance in accordance with this Article 12
8 shall not be subject to the grievance procedure or arbitration provisions of
9 this Agreement; however, claims that the policy or policies specified in the
10 written advice given to the employee under Section 12.3 have not been
11 applied to the employee shall be subject to the grievance and arbitration
12 procedures.

13 **ARTICLE 13**
14 **LABOR GRADES - IDENTIFICATION**
15 **AND APPLICATION OF**

16 **Section 13.1 Labor Grades.**

17 The various labor grades are those identified in Article 6.

18 **Section 13.2 Corporate Job – Definition of.**

19 "Job" as used in this Article 13 shall in each instance refer to, as a
20 composite unit, The Boeing Company title, number, and description of the
21 job.

22 **Section 13.3 Identification of Existing Jobs–Placement in Labor Grade.**

23 The "Corporate Job List - Existing Jobs as of September 4, 2008" contains
24 all the jobs existing as of that date. For the period of this Agreement,
25 thereafter each job in that list respectively shall continue within the same
26 labor grade as the one with which it is identified in such list.

27 **Section 13.4 Procedure for Placement, Within Labor Grades, of New**
28 **or Changed Jobs.**

29 In the following sections of this Article 13, a procedure is established for
30 the placement, within labor grades, of new jobs or jobs in regard to which,
31 after the date of this Agreement, there has been a substantial change in job
32 function or job description. Such procedure provides agreed upon
33 measurements, standards and considerations to be applied in the placement
34 of any such job within a particular labor grade.

35 **Section 13.5 Establishment of New Jobs.**

36 When work operations involving new or substantially changed requirements
37 are established after the effective date of this Agreement and such
38 requirements are not adequately or specifically described in an existing job,
39 the Company will describe and establish a new job in a labor grade based
40 upon its use of the Classification Guides and Representative Jobs referred to
41 in Section 13.10 by notifying the IAM Overall Coordinator and the

1 Directing Business Representative at each major location of its action. If,
2 forty-five (45) days after receipt of such notification of the establishment of
3 the new job, the Union has not requested negotiation of the labor grade on
4 the ground that pursuant to Section 13.10 the job should be in a different
5 labor grade, the job will become permanent. The parties shall discuss the
6 job description and changes shall be made by the Company in response to
7 negotiation with the Union in the interest of clarity, better understanding or
8 to more properly describe the way the work is organized; however, the
9 organization of the work shall not be affected. If the labor grade is changed,
10 such change will be retroactive to the date of installation by the Company.
11 In the event that the parties are unable to reach agreement on the labor grade
12 such dispute may be submitted to arbitration under Section 13.9. However,
13 neither the organization of work nor the determination of the job duties
14 shall be subject to arbitration and the arbiter shall not have authority to alter
15 a job description.

16 **Section 13.6 Temporary Classifications.**

17 Temporary classifications and code numbers identified with the prefix "T"
18 may be established by the Company for new work functions for which no
19 current job description is applicable and which require a period of time to
20 stabilize job duties. This period shall not exceed ninety (90) days unless
21 extended by mutual agreement. Extensions will be limited to two (2) and
22 be granted in ninety (90) day increments. Employees will be assigned to
23 such new work at their current labor grades. The Union will be notified of
24 the effective date and approximate duration of the temporary classification
25 and code number. If the permanent job title, job description and code
26 numbers are installed at a higher labor grade than the labor grades of the
27 assigned employees, these employees will be paid at the higher labor grade
28 for the time assigned to the job duties of the applicable job title.

29 **Section 13.7 Initial Staffing of New or Temporary Classifications.**

30 When establishing a new or temporary classification (not job combinations)
31 and where such new or temporary classification is comprised of portions of
32 existing jobs in programs currently in production, the Company will
33 identify the job classifications whose current work assignments will form
34 the basis for the Determining Duties of the new or temporary job
35 description. The Company will then initially staff these positions with
36 senior volunteers from the employees currently assigned to those existing
37 job classifications within the organization from the site where the new or
38 temporary job is being installed. When a new job is installed in an existing
39 job family, and is of a higher labor grade, all employees currently
40 populating the lower labor grade in the normal line of promotion in the new
41 job family shall be notified of the opportunity to file a Category B Effective
42 Application in accordance with Section 22.1(b). If the temporary job results
43 in the installation of a new job, the employees assigned to the temporary job

will have established rights to the new job. All further openings will be staffed in accordance with Article 22.

Section 13.8 Opportunity for Union to Challenge Placement in Labor Grade.

In the event the Union disagrees with the labor grade in which the new or changed job has been placed, it must, within forty-five (45) calendar days from the date the new or changed job description is forwarded by the Company, challenge the labor grade, detailing in writing the reasons why the Union disagrees and why another Classification Guide (considered with its Representative Jobs) is more appropriate to establish the labor grade; otherwise, the job title, description, and labor grade, as determined by the Company, will continue for the life of this Agreement.

Section 13.9 Procedure in Event of Disagreement.

If the Union challenges the labor grade in regard to a new or changed job, Company and Union representatives shall meet promptly, at a mutually agreed time, for the purpose of attempting to reach agreement as to the appropriate labor grade. If no agreement is reached within thirty (30) calendar days of the Union's challenge as described in Section 13.8, the Union may, within the next ten (10) calendar days, request that the controversy be submitted to arbitration in accordance with Sections 19.6 to 19.10, inclusive, of Article 19.

Section 13.10 Classification Guides and Representative Jobs.

Each labor grade shall be identified with a "Classification Guide" and certain "Representative Jobs." Any disagreements between the Union and the Company shall be resolved (whether by agreement or arbitration) exclusively on the basis of applying the overall composite guideline afforded by each Classification Guide and the Representative Jobs identified with it. The Classification Guide and its Representative Jobs are to be considered together as presenting a composite picture of a particular grade level of work. No Classification Guide is intended to cover any of the specifics of a particular package of work but is intended instead to provide (together with its Representative Jobs) measurements and standards that identify a particular grade level of work. In each instance, the designated Representative Jobs are intended to provide a grade level picture only and will not always relate directly and specifically to each of the new or changed jobs that may be developed in the future. Further guidelines to be followed by the parties and (in the event of arbitration) by the arbiter are as follows:

13.10(a) The Determining Duties and Responsibilities (see the Rules referred to in Section 13.10(e)) in the job description describing the new or revised work shall be the basis for determining the appropriate labor grade.

1 **13.10(b)** The requirements to satisfactorily perform the work shall be
2 considered. For example, typical requirements to be considered would
3 be job knowledge, skill, responsibility, working conditions, and
4 problem solving. The abilities and personal qualities of individuals
5 who may already have been assigned to do the work shall not be
6 evaluated.

7 **13.10(c)** The Classification Guides and Representative Jobs
8 established for each labor grade shall be carefully studied and the sum
9 of the requirements so represented shall be compared with those of the
10 work to be graded.

11 **13.10(d)** The new or changed job shall be placed in the labor grade
12 that is identified with the Classification Guide and Representative Jobs
13 most comparable, in terms of work grade level, to the job to be graded.

14 **13.10(e)** The attached "Rules Governing the Application of Job
15 Descriptions" and the glossary entitled "A Glossary of Terms and
16 Phrases" shall remain in effect for the life of this Agreement.

17 **Section 13.11 Retroactive Payment Where Labor Grade Changed.**

18 If the Union challenges the labor grade of any new or changed job
19 classification as to which the Company has submitted a revised job
20 description to the Union, and it is determined that the job is not in the
21 correct labor grade, the Company shall pay each employee involved at the
22 corrected rate for time in which the employee has performed the
23 determining duties specified in the job description subsequent to the date on
24 which the Union notifies the Company in writing of its challenge of the
25 labor grade placement and within forty-five (45) calendar days prior to that
26 date. Section 19.5 of Article 19 shall not apply.

27 **Section 13.12 Existing "Nonrepresentative" Jobs.**

28 The parties recognize that, as of the date of execution of this Agreement,
29 certain jobs now are in labor grades which, measured against the applicable
30 guidelines, do not meet the standards and work level appropriate to the
31 labor grade. Job references and comparisons in connection with placement
32 of new or changed jobs within a labor grade are therefore limited to the
33 Representative Jobs designated for the particular labor grade.

34 **Section 13.13 Applicable Classification Guides and Representative**
35 **Jobs.**

36 During the life of this Agreement, unless changed by mutual agreement of
37 the parties, the Classification Guides and Representative Jobs identified
38 respectively with each labor grade shall be those to which the parties have
39 mutually agreed bearing date of September 4, 2008, and entitled
40 "Classification Guides and Representative Jobs for Use in Placing New or
41 Changed Jobs Within the Appropriate Labor Grade."

1 **Section 13.14 Misassignment Grievances.**

2 During the life of this Agreement, the Company shall have sole
3 responsibility for making work assignments. The Union, however, may
4 challenge the labor grade of any employee covered by this Agreement based
5 on the contention that the work assigned by the Company differs from the
6 job description to the extent and in such a manner so as to require assigning
7 the employee to an existing or new job that would be in a higher labor grade
8 after applying the guidelines of Section 13.10. Disputes based on such
9 contention may be settled in accordance with Article 19.

10 **ARTICLE 14**
11 **SENIORITY**

12 **Section 14.1 Accumulation of Seniority.**

13 The seniority of an individual at any time (subject to the other Sections of
14 this Article 14) shall be:

15 **14.1(a)** The amount of seniority he/she had immediately prior to the
16 effective date of this Agreement, calculated in accordance with the
17 Collective Bargaining Agreement between the parties dated September
18 29, 2005; plus

19 **14.1(b)** The time after such effective date that he/she is on the active
20 payroll of the Company within any bargaining unit to which this
21 Agreement relates; plus

22 **14.1(b)(1)** for employees on the active management (supervisory)
23 payroll of the Company on September 1, 1999, the time before or
24 after the effective date of entry onto such payroll, provided he/she
25 has at some previous time worked within any such unit (including
26 any preceding variation of any such unit) and provided further that
27 this Subparagraph will not affect the seniority of those in any such
28 unit (including those on layoff or leave of absence from any such
29 unit) on such effective date; plus

30 **14.1(b)(2)** for employees promoted to the active management
31 (supervisory) payroll of the Company on or after September 2,
32 1999, a cumulative total of five (5) years spent on such payroll
33 following such effective date, provided he/she has at some
34 previous time worked within any such unit (including any
35 preceding variation of any such unit); provided further that this
36 Subparagraph will not affect the seniority of those in any such unit
37 (including those on layoff or leave of absence from any such unit)
38 on such effective date; and provided further that this Subparagraph
39 shall not apply to employees temporarily promoted to such payroll
40 or promoted to such payroll for purposes of staffing a joint

1 program (such employees to continue to accrue seniority in
2 accordance with Section 14.1(b) above); plus

3 **14.1(b)(3)** time lost by reason of industrial injury, industrial
4 illness, or jury duty; plus

5 **14.1(b)(4)** time on leave of absence granted for the purpose of
6 serving in the Armed Forces of the United States; plus

7 **14.1(b)(5)** time spent on authorized leave of absence for Union
8 business; plus

9 **14.1(b)(6)** time spent on leave of absence granted by the Company
10 for the purpose of permitting an employee to engage in activities
11 requested by the Company; plus

12 **14.1(b)(7)** time spent on authorized leave of absence granted
13 because of pregnancy or to cover periods of nonindustrial injury or
14 illness, not to exceed one (1) year during any such period; plus

15 **14.1(b)(8)** the first ninety (90) days of any other authorized leave
16 of absence; plus

17 **14.1(b)(9)** time on disability retirement from any such unit
18 provided the employee qualifies to return to the active payroll
19 under the provisions of Section 22.18(e); plus

20 **14.1(b)(10)** time on layoff from any such unit not to exceed, in
21 each instance:

22 (a) A period of eight (8) years for employees with five (5) or
23 more years of seniority at time of layoff (less time on
24 leave under Subparagraphs 14.1(b)(7) and 14.1(b)(8)
25 where such leave immediately precedes such layoff);

26 (b) A period of five (5) years for employees with three (3) or
27 more but less than five (5) years seniority at time of
28 layoff (less time on leave under Subparagraphs
29 14.1(b)(7) and 14.1(b)(8) where such leave immediately
30 precedes such layoff);

31 (c) A period of three (3) years for employees with less than
32 three (3) years seniority at time of layoff (less time on
33 leave under Subparagraphs 14.1(b)(7) and 14.1(b)(8)
34 where such leave immediately precedes such layoff);

35 **Section 14.2 Transfer From One Location to Another.**

36 An individual who has accumulated seniority under the provisions of this
37 Article 14 when transferred from one Primary Location (or Remote
38 Location thereof) to another Primary Location (or Remote Location thereof)
39 shall retain such seniority.

1 **Section 14.3 Loss of Seniority.**

2 **14.3(a)** An individual shall lose seniority rights for the following
3 reasons:

4 **14.3(a)(1)** Resignation.

5 **14.3(a)(2)** Discharge for cause.

6 **14.3(a)(3)** Failure to respond with his/her acceptance within seven
7 (7) regular workdays after dispatch by courier or certified mail,
8 return receipt requested, of a recall from layoff unless such period
9 is extended by the Company if such recall is to a job that he/she
10 must accept under the applicable provisions of Article 22 or lose
11 seniority. However, if such an employee, who otherwise would
12 retain his/her seniority except for the provisions of this Section
13 14.3(a)(3), contacts the Company in writing within thirty (30)
14 calendar days of his/her seniority loss, his/her seniority will be
15 reinstated and he/she will be placed on the Category A roster in
16 seniority order for prospective purposes.

17 **14.3(a)(4)** Failure to report for work within five (5) workdays
18 after acceptance or on such later date as may be designated by the

21 employees with five (5) or more years of seniority at time of
22 layoff; layoff for a period in excess of five (5) years for employees
23 with three (3) years or more but less than five (5) years seniority at
24 time of layoff; layoff for a period in excess of three (3) years for
25 employees with less than three (3) years seniority at time of layoff.

26 **14.3(a)(6)** Retirement from the active payroll, leave or layoff
27 status (excludes those employees on disability retirement who
28 qualify to return to the active payroll under the provisions of
29 Section 22.18(e)).

30 **14.3(b)** Any employee of the Company outside of a collective
31 bargaining unit covered by this Agreement who is discharged or quits
32 shall be considered a new hire without seniority if subsequently
33 employed within the bargaining unit.

34 **Section 14.4 Reinstatement of Seniority Lost by Reason of Duration of**
35 **Layoff.**

36 An employee laid off on or after October 4, 1990, who has lost his/her
37 seniority solely because of the application of Subparagraph 14.3(a)(5) shall,
38 upon re-employment by the Company, have that seniority reinstated if the
39 employee returns to the active payroll and his/her period of separation from
40 the active payroll does not exceed the amount of seniority he/she had at the

1 date of his/her layoff, plus the amount of seniority he/she accumulated
2 under the applicable provisions of all Collective Bargaining Agreements
3 between the parties beginning October 4, 1980 and thereafter.

4 **Section 14.5 Nature of Seniority Rights.**

6 not be deemed to exist independently of such agreement.

7 **ARTICLE 15**

10 **15.1(a)** For the period indicated in each instance, leaves of absence
11 (without pay except to the extent sick leave credit or vacation credit can
12 be used and is used under and in accordance with Article 8) shall be
13 granted to an employee on the active payroll:

14 **15.1(a)(1)** In case of accident or illness, for the period of time
15 his/her injury or illness requires that he/she be absent from work.
16 The Company may require satisfactory proof of such illness.
17 Alcoholism or drug dependency may be the basis for granting
18 medical leave as to individuals while under treatment at a generally
19 recognized and accepted treatment center or hospital if such
20 treatment is requested prior to the employee's having been
21 terminated for unsatisfactory attendance or violation of other
22 Company rules.

23 **15.1(a)(2)** In pregnancy cases, for the period of the employee's
24 temporary physical incapacity caused by the pregnancy as verified
25 by the employee's physician with concurrence of the Company
26 medical staff. If there is a difference of medical opinion as to the
27 employee's physical incapacity, the Company will solicit the
28 opinion of a third physician. The Company shall be notified
29 immediately upon medical confirmation that a pregnancy exists.

30 **15.1(a)(3)** For the period of time necessary to serve in the Armed
31 Forces of the United States.

32 **15.1(a)(4)** In case he/she is appointed by the President or
33 Directing Business Representative of the Union representing the
34 particular unit, or elected, to a full-time Union position, for the
35 period of time necessary to fill such position.

36 **15.1(b)** The Company may grant leaves of absence without pay for
37 other reasons that the Company considers valid.

Section 15.2 Return from Leave of Absence.

An employee who applies for return from leave of absence on or before the expiration date of his/her leave will be returned in accordance with the following:

15.2(a) Where an employee returns from a leave of absence that was granted due to industrial injury or industrial illness and he/she is medically able to perform the job which he/she last held:

15.2(a)(1) he/she will be returned to it if this does not conflict with Article 22.

15.2(a)(2) if this does conflict with Article 22, he/she will be considered for any job that he/she is qualified and able to perform, or (if a surplus occurred that would have affected him/her during such leave) be subjected to surplus procedures all in accordance with Article 22.

15.2(b) Where an employee returns from a leave of absence of the type described in Section 15.2(a) and he/she is medically not able to perform the job which he/she last held, he/she will be considered for any job that he/she is qualified and able to perform (or for any temporary light duty assignment that may be available at the Company's discretion), or (if a surplus occurred that would have affected him/her during such leave) be subjected to surplus procedures, all in accordance with Article 22.

15.2(c) Where an employee returns from a leave of absence that was granted due to nonindustrial injury or illness or because of pregnancy, and the period of the leave has not exceeded one (1) year, and he/she is medically able to perform the job which he/she last held, the steps and procedures of Subparagraphs 15.2(a)(1) and 15.2(a)(2) will apply.

15.2(d) Where an employee returns from a leave of absence of the type described in Section 15.2(c) and he/she is medically not able to perform the job which he/she last held, he/she will be considered for any job which he/she is qualified and able to perform, subject to Article 22. If placement is not effected, the employee may be placed on layoff.

15.2(e) If leave was granted due to nonindustrial injury or illness and the period of leave is in excess of one (1) year, the employee may be returned to the job title which he/she last held providing there is an opening in such job title and his/her placement in such opening is not inconsistent with Article 22; otherwise, he/she may be placed on layoff.

15.2(f) If leave was granted for military service or other requirements of law, the provisions of applicable laws shall apply.

1 **15.2(g)** If leave, irrespective of length, was granted for any reason
2 other than those stated in Sections 15.2(a) to 15.2(f), inclusive, and in
3 Section 15.2(h), the employee will be returned to the job title which
4 he/she last held providing there is an opening in such job title and
5 his/her placement in such opening is not inconsistent with Article 22;
6 otherwise, he/she may be placed on layoff.

7 **15.2(h)** If leave was granted to accept a full-time position with the
8 Union, the employee will be returned to the job which he/she last held
9 if such job is then populated; if such job is not then populated he/she
10 will be returned to one of equal grade.

11 **ARTICLE 16** 12 **HEALTH AND SAFETY**

13 **Section 16.1 Mutual Objective.**

14 The Union and Company recognize the value of working together to
15 maintain high standards of occupational health, safety and environmental
16 care throughout the plants of the Company. Both parties commit to work
17 together to create an environment which promotes a positive approach to
18 processes, attitudes and activities that bring about the changes necessary to
19 achieve a workplace free of incidents, accidents and injuries, and that
20 protects the environment. It is our intent that no employee shall be required
21 to perform work that involves an imminent danger to health or physical
22 safety. Both parties will continue to establish proactive, customer-driven
23 programs and systems to support this mutual objective.

24 **16.1(a) Health and Safety in the Workplace.** The Union and the
25 Company are committed to working together to maintain a healthy, safe
26 and environmentally responsible workplace. Both parties agree that all
27 employees should be actively involved in creating a safe workplace and
28 complying with all applicable safety, health and environmental policies
29 and procedures. Both parties recognize that good physical health and
30 being prepared to do physical work may reduce injuries. Together, the
31 parties will explore methods to promote health programs.

32 **16.1(b)** The Union and the Company agree that it is in their best
33 interest to provide for and maintain a healthy, safe and environmentally
34 responsible workplace for all employees; therefore, no employee shall
35 be required to perform work that involves imminent danger to their
36 health or physical safety. Imminent danger is defined as loss of life or
37 limb.

38 **16.1(c)** Should the employee believe that there is imminent danger due
39 to work required to be performed, the employee should inform the
40 immediate supervisor and/or the responsible site safety manager or a
41 designee. In addition, the employee may contact the Union Steward or

1 a Health and Safety Institute (HSI) Site Safety Committee member who
2 will assist in contacting the Site Safety Manager.

3 **16.1(d)** Work will not continue until the responsible Site Safety
4 Manager or designee makes the final determination concerning the
5 safety of the individual and the work to be performed.

6 **16.1(e)** Further, the parties agree that a contact listing of the
7 responsible Site Safety Managers or designees and the HSI Site Safety
8 Committee members will be posted at locations conveniently accessible
9 to IAM bargaining unit employees.

10 **Section 16.2 IAM/Boeing Health and Safety Institute.**

11 **16.2(a) Purpose.** The parties recognize that efforts directed to achieve
12 a safe and healthy workplace must represent shared responsibility and
13 encourage the involvement of all employees. Therefore, the
14 IAM/Boeing Health and Safety Institute exists to address occupational
15 health and safety issues which impact employees within the bargaining
16 units and support the parties' mutual objectives.

17 **16.2(b) IAM/Boeing Joint Programs National Governing Board**
18 **and Executive Directors.** General direction and guidance of the
19 IAM/Boeing Health & Safety Institute (HSI) shall be the responsibility
20 of the IAM/Boeing Joint Programs National Governing Board
21 (Governing Board) as described in the parties' Letter of Understanding
22 No. 26, entitled Administration of Joint Programs, and the parties'
23 Letter of Understanding No. 18, entitled Expenditure of Funds under
24 Article 16 and Article 20. Oversight of day-to-day operations of HSI
25 and coordination of HSI administrative staff activities, as directed by
26 the Governing Board, shall be the responsibility of the IAM/Boeing
27 Joint Programs Executive Directors as described in the parties' Letter
28 of Understanding No. 26.

29 **16.2(c) Administrative Staff.** In support of the HSI Mutual Objective
30 as outlined in Section 16.1, staff responsibilities include being involved
31 in developing, recommending, and implementing health and safety
32 programs. The IAM/Boeing Health & Safety Institute's Administrative
33 Staff is described in the parties' Letter of Understanding No. 26,
34 Sections C and D.

35 **16.2(d) Joint Health and Safety Communication Committee.** The
36 Joint Health and Safety Communication Committee shall be comprised
37 of one (1) representative of each party from each of the Site
38 Committees and one (1) administrative staff from each party. The Site
39 Committee representatives to the Joint Health and Safety
40 Communication Committee shall be comprised of the Site Committee
41 Chairperson and the Site Committee Secretary. The Committee shall

work to ensure a consistent approach to communication and application of the Health and Safety Institute's programs and services, to benchmark and share best practices, to make recommendations back to the respective sites, and to review any matters referred to it by a Site Committee, the Governing Board, or the administrative staff. The Committee shall meet at least monthly and shall select from among its members a chairperson and secretary, from the opposite party, who shall serve a half-year term. The chair and secretary of the Committee shall rotate between the parties. No Committee member shall suffer any loss of employee rights or benefits, including opportunities for promotion, as a result of serving on the Committee.

16.2(e) Site Committees.

16.2(e)(1) Structure. The Governing Board shall be responsible for the establishment of Site Committees and may add, delete or modify existing or future Site Committees as it deems necessary. Site Committees are currently established at: Auburn Site, Developmental Center/Kent Site, Everett Site, Frederickson Site, Plant II Site, Portland Site, Renton Site, and Wichita Site. Site Committees shall be comprised of a minimum of four (4) representatives from each of the parties, one of whom shall be the Union's health and safety focal point for that site, one of whom shall be the EHS safety manager for that site and one of whom shall be an HSI Administrator from each of the parties. The appropriate Directing Business Representative will appoint Union representatives to the Site Committees as authorized by the Governing Board. No Committee member shall suffer any loss of employee rights or benefits, including opportunities for promotion, as a result of serving on the Committee.

16.2(e)(2) Responsibilities. Each Site Committee shall meet at least monthly and shall select from among its members a chairperson and secretary, from each party, who shall serve a half-year term. The chair and secretary shall rotate between the parties. Minutes of all meetings, tours and recommendations shall be forwarded to the Committee members, the senior operations site manager(s) the EHS Director and the Health and Safety Institute office. Each Site Committee shall be responsible to carry out those functions as directed by the Governing Board and as coordinated by the administrative staff. Each Site Committee also shall make a monthly tour based on the following criteria: accident injury rates, SHEAR forms, Operations safety plan goals and objectives and/or other tour indicators agreed to by the Site Committee. Information gathered will be shared with the organization, members of the Site Committee, Division Executives, EHS and the Health and Safety Institute offices. Such tours shall be conducted as efficiently as

possible and time spent in each instance shall be kept to the reasonably necessary minimum. In support of Site Committee responsibilities, Site Committee members will receive adequate training as determined by HSI in support of individual site requirements.

16.2(f) Hazard Communication Team. The Hazard Communication Team shall consist of equal numbers of representatives of each party: team members will be from Puget Sound, Portland and Wichita. The Union's representatives shall be individuals who are knowledgeable about hazard communication issues, and at least one (1) administrative staff member. The Company's representatives shall be personnel from EHS and other appropriate organizations, and at least one (1) administrative staff member. The Team shall meet at least monthly and shall select from among its members a chairperson and secretary who shall serve a half-year term. The chair and secretary shall rotate between the parties. The Team shall be under the direction of the Governing Board as coordinated by the administrative staff, and shall be responsible for reviewing the occupational health and safety effects resulting from changes in machines, processes or materials, staying current with Company/industry manufacturing trends and providing information and communications to employees. To enhance the communication between various health and safety activities, the chair and secretary of the Hazard Communication Team will provide a monthly report to the Joint Health and Safety Communication Committee.

16.2(g) Health and Safety Training. The Health and Safety Institute will develop, provide and/or deliver health and safety training that impacts IAM bargaining unit employees.

16.2(g)(1) The Health and Safety Institute provides training for employees where driven by requesting organizations, Operations safety plans, appropriate occupational health and safety practices and compliance, and other training mutually agreed to by the Governing Board.

16.2(g)(2) Shop Safety Monitors/Focals. The Union and Company agree that shop safety monitors/focals should be considered as leaders in employee participation to help deploy individual team safety plans. Utilization of shop safety monitors/focals can be an effective means by which the Company and Union working together can create a safer workplace through enhanced employee involvement. The Institute, working with local management, EHS, Union Stewards and Site Committee members provides to requesting organizations a shop safety monitor/focal selection process and training plan.

1 **16.2(g)(3)** When the need arises, subject matter experts (SMEs)
2 from the bargaining unit may be used in the development and
3 delivery of health and safety training with concurrence of the
4 SMEs home organization. SMEs will be identified, selected and
5 approved by the administrative staff. With concurrence between
6 the Institute and the affected organizations, normal lost time
7 charges for those SMEs assigned to assist in the development or
8 delivery of such training may be paid by the Institute or the home
9 organization.

10 **16.2(h) Employee Participation.** The Governing Board, the
11 administrative staff, the Joint Health and Safety Communication
12 Committee, a Site Committee or the Hazard Communication Team may
13 utilize the expertise of bargaining unit employees either as advisors or
14 as representatives on the joint Health and Safety Communication
15 Committee, or on a Site Committee with concurrence of their home
16 organization. Time spent by these individuals in such capacities shall
17 be considered to be paid work time. In addition, no bargaining unit
18 employee who has served as an advisor or representative shall be
19 subject to discrimination or retaliation because of such activities.

20 **16.2(i) Expenditure of Funds.** The Company will provide the
21 necessary funds in support of the IAM/Boeing Health & Safety
22 Institute's activities and such other health and safety related expenses
23 as may be agreed to by the Governing Board. The details of such
24 funding are described in the parties' Letter of Understanding No. 18,
25 entitled Expenditure of Funds Under Article 16 and Article 20.

26 **16.2(j) Indemnity.** The Company shall indemnify and hold the Union
27 and its representatives harmless from and against any and all claims,
28 demands, charges, complaints or suits against them which are based on
29 or arise out of any action taken by them in accordance with the
30 foregoing provisions of this Section 16.2.

31 **Section 16.3 Health and Safety Focal Points.**

32 The Union and the Company will designate a health and safety focal point
33 for each site or facility. The Union will designate a business representative
34 or appropriate delegate as the Union's focal point. The Company will
35 designate the appropriate site safety manager as the Company's focal point.
36 The focal points will be the contact for occupational health and safety issues
37 at such site or facility. In addition, the Union focal point will represent the
38 Union at health and safety regulatory agency site reviews requiring Union
39 participation, including walk-around inspections and complaint
40 investigations.

1 **Section 16.4 Use of Safety Devices.**

2 **16.4(a)** The Company will furnish proper, modern and sanitary safety
3 devices (except eyeglasses ground and fitted to individual
4 requirements) for all employees working on potentially hazardous
5 work. It shall be mandatory for all employees to use such devices
6 when the Company determines that they are necessary. The Company
7 shall replace any Company approved employee provided prescription
8 safety glasses or approved safety shoes accidentally and irreparably
9 damaged while performing their job assignment if the employee's own
10 negligence or lack of care was not a primary factor.

11 **16.4(b)** The Union and the Company have a longstanding commitment
12 to individual employee safety and regulatory compliance. This
13 commitment extends to issues regarding personal protective equipment
14 and safety devices and the value of working together to create an
15 injury-free workplace. To further their commitment, the parties have
16 agreed that the IAM/Boeing Health and Safety Institute and the
17 Company will maintain a process that will provide employees up to
18 \$75.00 per year towards the purchase of approved safety shoes where
19 such shoes are mandatory due to regulatory compliance or Company
20 directive.

21 **Section 16.5 Safety Health and Environmental Action Request**
22 **(SHEAR).**

23 The Health and Safety Institute Site Committees shall work closely with
24 employees and management to find solutions to health and safety issues and
25 concerns. To that end, the parties agree that the preferred process for
26 addressing the health and safety matters is the SHEAR process. SHEARs
27 are a tool that formally allows the employee, manager, EHS, HSI, and other
28 parties, as needed, to work together to resolve health and safety concerns
29 and document the solutions. Further, it is the intent of the parties to
30 immediately resolve safety-related problems at the location where the safety
31 or health concern arises; therefore, the parties encourage the appropriate
32 management and the Union Steward to be an integral part of the resolution
33 process. A copy of the closed SHEAR form shall be furnished to the
34 chairperson of the appropriate Site Committee and the safety office.

35 **Section 16.6 Disputes.**

36 Disputes concerning the Health and Safety Institute or its operations may be
37 referred by the Joint Programs Executive Directors to the Governing Board
38 for final resolution. No matter involving Sections 16.1 through 16.5 shall
39 be subject to the grievance and arbitration procedure of Article 19 of this
40 Agreement.

41 **Section 16.7 Requirement of Medical Examination.**

42 In the interest of continued health and safety of individuals and their fellow
43 employees, any applicant for employment, any employee returning from

1 layoff or leave of absence, any employee requesting return from disability
2 retirement or medical layoff, any employee with a medical
3 recommendation, or any other active employee may be required by the
4 Company to undergo a medical examination by a Health Care Provider of
5 the Company's selection. Applicants and employees will be furnished a
6 copy of the Health Care Provider's report and/or medical recommendation
7 upon their request. If an employee is found to be incapable of performing
8 the work functions of the job title because of a medical recommendation,
9 the Company will attempt to place such employee in available work which,
10 in the opinion of the Company, he/she is medically capable of performing.
11 In the event that reassignment to a lower labor grade, denial of promotion,
12 denial of return to active employment, involuntary separation from the
13 payroll or other adverse action results from the Company's finding of
14 medical disqualification, the Union may take such finding through the
15 regular grievance channels; and such grievance, in order to be processed, (a)
16 must be supported by medical testimony which is contradictory to the
17 Company's findings and (b) must be filed by the business representative
18 with the designated representative of the Company within seven (7)
19 workdays after the date of such reassignment to a lower labor grade, such
20 denial of promotion, such denial of return to active employment, such
21 involuntary separation from the payroll or such other adverse action.

22 **Section 16.8 First Aid.**

23 **16.8(a)** The Company will maintain registered nurses or qualified first
24 aid attendants, emergency first aid stations, and emergency first aid
25 service to care for employees in case of accidental injuries at the Puget
26 Sound, Portland and Wichita Primary Locations.

27 **16.8(b)** The Company will maintain emergency first aid service at
28 other locations unless such service is available from military or other
29 sources.

30 **16.8(c)** When an employee at work requires immediate medical
31 attention by a private medical practitioner or at a hospital due to an
32 industrial injury/illness or exposure to hazardous agents in the work
33 environment, and the employee is not able to provide his/her own
34 transportation, the Company will provide the transportation to and from
35 the employee's normal work location. If such an employee is returned
36 to his/her work location too late to use his/her normal transportation
37 home, the Company will provide that transportation.

38 **Section 16.9 Medical Recommendations.**

39 **16.9(a)** A medical recommendation is a description of an employee's
40 functional capabilities (i.e. physical or cognitive abilities) which are
41 limited due to a medical condition. Medical recommendations are
42 issued by the Company Health Care Provider based on a review of

relevant information, including information from the employee's community Health Care Provider when available.

16.9(b) An employee who may need a new medical recommendation or the removal of a current medical recommendation, shall have the responsibility to report to the nearest Company medical clinic or dispensary and provide the following information, as applicable:

16.9(b)(1) Upon the employee's return to work, the employee's community Health Care Provider's statement including the date the employee is released to return to work, and the employee's functional capabilities;

16.9(b)(2) To report for re-evaluation when the period of a time-limited medical recommendation has elapsed, with a statement from the employee's community Health Care Provider regarding the functional capabilities if available;

16.9(b)(3) A statement by the employee's community Health Care Provider pertaining to his/her medical condition, or change to such condition, including a statement of the employee's functional capacities.

If the Company's Health Care Provider agrees that the medical condition of the employee warrants the initiation, removal or modification of a medical recommendation, such action will be taken. A medical recommendation will be removed when the medical recommendation expires, or is discontinued by the Company's Health Care Provider.

Section 16.10 Employees with Injuries or Illnesses.

With respect to employees who suffer an injury or illness on or after November 22, 1989:

16.10(a) An employee who is unable to perform his/her job because of injury or illness may be reclassified to another job title that he/she is qualified and able to perform subject to the employee's medical recommendations or shall be reclassified to a job in which he/she has established surplus rights (Category A, downgrade, and reclassification) in Article 22 subject to the employee's medical recommendation.

16.10(b) Employees whose initial reclassification under Section 16.10(a) is to a lower-graded job shall receive the rate of pay for the job he/she would have held under Article 22 but for an industrial injury or illness, subject to the maximum of the labor grade he/she held immediately prior to the reclassification. This pay rate protection shall begin on the date when (1) the employee is reclassified to a lower-graded job, or (2) the employee's workers' compensation claim is either

accepted by the Company or determined by the State to be compensable and shall end five (5) years later or at the employee's return to his/her former job or labor grade, if earlier. In the case of items (1) and (2), pay protection will begin on the latter of the two (2) dates.

16.10(c) Employees on a leave of absence that was granted due to injury or illness shall be considered for placement pursuant to Articles 15 and 22. If suitable placement is identified, the employee shall, no later than the next work day following the day he/she is cleared to return to work by the Company or its agents, be returned to work or be considered to be on report time under Section 6.9 if he/she reports to work until he/she is so returned.

16.10(d) If the employee requires medical care for the injury or illness and if such care unavoidably occurs during working hours, any such absence shall be excused with no attendance infraction.

Section 16.11 Union Liability to Employees.

Nothing contained in this Article 16 shall be construed to create or give rise to a claim by a member of the bargaining units that the Union acted wrongfully or failed to take action with respect to any alleged breach of contract by the Union with respect to any matter covered by this Article 16.

ARTICLE 17 APPRENTICES

1 **Section 17.2 Apprentice Agreements.**

2 The Apprentice Agreement first executed October 27, 1939 and approved
3 by the Washington State Apprentice Council November 6, 1939, and as
4 amended effective April 20, 1978, shall be applicable within the State of
5 Washington only, and the Apprentice Agreement executed February 10,
6 1988, and approved by the State of Oregon Apprenticeship and Training
7 Council June 9, 1988, shall be applicable at Boeing of Portland, Multnomah
8 County, Oregon only, and the Apprentice Agreement executed November 1,
9 2001 with the State of Kansas Apprenticeship Council shall be applicable
10 within the State of Kansas only. These Agreements may be extended to
11 other Company locations by later mutual agreement of the Company and
12 the Union. The Apprentice Agreements, as now applicable, and any
13 extended application of either of them by later agreement of the parties shall
14 not contravene the provisions of this Agreement.

15 **ARTICLE 18**
16 **STRIKES AND LOCKOUTS**

17 The Union agrees that during the term of this Agreement, and regardless of
18 whether an unfair labor practice is alleged (a) there will be no strike, sit-
19 down or walk-out and (b) the Union will not directly or indirectly authorize,
20 encourage or approve any refusal on the part of employees to proceed to the
21 location of normal work assignment where no rare or unusual physical
22 hazard is involved in proceeding to such location. Any employee who
23 violates this clause shall be subject to discipline. The Company agrees that
24 during the term of this Agreement there will be no lock-out of employees
25 covered by this Agreement. Any claim by either party that the other party
26 has violated this Article 18 shall not be subject to the grievance procedure
27 or arbitration provisions of this Agreement, and either party shall have the
28 right to submit such claim to the court.

29 **ARTICLE 19**
30 **GRIEVANCE PROCEDURE AND ARBITRATION**

31 **Section 19.1 Establishment of Grievance and Arbitration Procedure.**

32 Grievances or complaints arising between the Company and its employees
33 subject to this Agreement, or the Company and the Union, with respect to
34 the interpretation or application of any of the terms of this Agreement, shall
35 be settled according to the following procedure. Subject to the terms of this
36 Article 19 relating to cases of dismissal or suspension for cause or of
37 involuntary resignation, only matters dealing with the interpretation or
38 application of terms of this Agreement shall be subject to this grievance
39 machinery.

1 **Section 19.2 Employee Grievances.**

2 In the case of grievances on behalf of employees and subject to the further
3 provisions of Section 19.3 below, relating to cases of layoff or dismissal or
4 suspension for cause or involuntary resignation:

5 **STEP 1. Oral Discussion.** The employee first shall notify his/her
6 supervisor of his/her grievance and then, if he/she so desires, shall
7 discuss his/her grievance with the steward or the Union business
8 representative, and if the steward or the business representative
9 considers the grievance to be valid, then the employee and the steward
10 or business representative will contact the employee's supervisor and
11 will attempt to effect a settlement of the complaint. This procedure,
12 however, will not prevent an employee from contacting his/her
13 supervisor if he/she so chooses. If the purpose of the employee's
14 contacting his/her supervisor is to adjust the grievance, the steward or
15 the business representative shall be given an opportunity to be present
16 and such adjustment shall be in conformity with this Agreement.

17 **STEP 2. Grievance Reduced to Writing – Handling at Supervisory**
18 **Level.** If no settlement is reached in Step 1, the business representative,
19 if he/she considers the grievance to be valid, may at any time reduce to
20 writing a statement of the grievance or complaint which shall contain
21 the following:

- 22 (a) The facts upon which the grievance is based.
23 (b) Reference to the section or sections of the Agreement alleged
24 to have been violated (this will not be applicable in cases of
25 dismissal or suspension for cause or of involuntary
26 resignation).
27 (c) The remedy sought.

28 The business representative shall submit the written statement of
29 grievance to the supervisor for reconsideration, with a copy to the
30 designated representative of the Company. After such submission the
31 supervisor and the business representative may, within the next five (5)
32 workdays (unless mutually extended), settle the written grievance and,
33 over their signatures, indicate the disposition made thereof. Otherwise,
34 promptly after the expiration of such five (5)-day period (or agreed
35 extension thereof) the supervisor and the business representative shall
36 sign the grievance, with the supervisor indicating the basis for denying
37 the grievance, and their signatures will indicate that the grievance has
38 been discussed and reconsidered by them and that no settlement has
39 been reached.

40 **STEP 3. Written Grievance; Handling at Business Representative-**
41 **Company Representative Level.** If no settlement is reached in Step 2,
42 within the specified or agreed time limits, the business representative

1 may at any time thereafter submit the grievance to the designated
2 representative of the Company. After such submission the designated
3 representative of the Company and the business representative may,
4 within the next ten (10) workdays (unless mutually extended), settle the
5 grievance and, over their signatures, indicate the disposition made
6 thereof. Otherwise, promptly after the expiration of such ten (10)-day
7 period (or agreed extension thereof) the designated representative of the
8 Company and the business representative shall sign the grievance, with
9 the designated representative indicating the basis for denying the
10 grievance, and their signatures will indicate that the grievance has been
11 discussed and reconsidered by them and that no settlement has been
12 reached.

13 **STEP 4. Arbitration.** If no settlement is reached in Step 3 within the
14 specified or agreed time limits, then either party may in writing, within
15 ten (10) workdays thereafter, request that the matter be submitted to an
16 arbiter for a prompt hearing as hereinafter provided in Sections 19.6 to
17 19.9, inclusive.

18 **Section 19.3 Dismissals, Suspensions, Layoffs, Etc.**

19 In cases of layoff, or of dismissal or suspension for cause, or of involuntary
20 resignation, the employee shall be given a copy of the layoff, suspension or
21 termination of service slip, as the case may be, if he/she is available to be
22 presented with such copy. If he/she is not available, copies of the slip will
23 be sent to the employee and to the Union office. The employee shall have
24 the right to appeal the action shown on the slip providing the business
25 representative files a written grievance, beginning at Step 3, with the
26 designated representative of the Company within seven (7) workdays after
27 the date of layoff, dismissal, suspension for cause or involuntary
28 resignation, or within seven (7) workdays after the date of the mailing of the
29 copy of the slip, provided, however, that any dismissal or suspension of an
30 employee who has committed a sex crime victimizing a child or children
31 shall be deemed to be for cause and shall not be subject to the grievance and
32 arbitration procedure of this Article 19. The written grievance then may be
33 processed through subsequent steps.

34 **Section 19.4 Union Versus Company and Company Versus Union** 35 **Grievances.**

36 In the case of any grievance which the Union may have against the
37 Company or the Company may have against the Union, the processing of
38 such grievance shall begin with Step 3 and shall be limited to matters
39 dealing with the interpretation or application of terms of this Agreement.
40 Such grievance shall be submitted in writing to the designated
41 representative of the Company or the designated representative of the
42 Union, and shall contain the following:

1 **19.4(a)** Statement of the grievance setting forth the facts upon which
2 the grievance is based.

3 **19.4(b)** Reference to the section or sections of the Agreement alleged
4 to have been violated.

5 **19.4(c)** The correction sought.

6 The grievance shall be signed by the designated representative of the Union
7 or the designated representative of the Company. If no settlement is
8 reached within ten (10) workdays (unless mutually extended) from the
9 submission of the grievance to the designated representative of the
10 Company or the designated representative of the Union, as the case may be,
11 both shall sign the grievance and indicate that it has been discussed and
12 reconsidered by them and that no settlement has been reached. Within ten
13 (10) workdays thereafter either party may in writing request that the matter
14 be submitted to an arbiter for a prompt hearing as hereinafter provided in
15 Sections 19.6 to 19.9, inclusive.

16 **Section 19.5 Retroactive Compensation.**

17 Grievance claims involving retroactive compensation shall be limited to
18 thirty (30) calendar days prior to the written submission of the grievance to
19 Company representatives, provided, however, that this thirty (30)-day
20 limitation may be waived by mutual consent of the parties.

21 **Section 19.6 Selection of Arbiter – By Agreement.**

22 In regard to each case reaching Step 4, the parties will attempt to agree on
23 an arbiter to hear and decide the particular case. If the parties are unable to
24 agree to an arbiter within ten (10) workdays after submission of the written
25 request for arbitration, the provisions of Section 19.7 (Selection of Arbiter -
26 From Arbitration Panel) shall apply to the selection of an arbiter.

27 **Section 19.7 Selection of Arbiter – From Arbitration Panel.**

28 Immediately following execution of this Agreement the parties will proceed
29 to compile a list and agree upon three (3) separate panels of arbiters, one (1)
30 panel each for Puget Sound, Portland, and Wichita. The Portland and
31 Wichita panel shall be comprised of five (5) arbiters and, insofar as
32 practicable, the arbiters on each panel shall be located in the general vicinity
33 of the location identified with the title of their panel. Assignment of cases to
34 arbiters on the Portland and Wichita panels shall be rotated in the
35 alphabetical order of the last names of those available on the panel. The
36 Puget Sound panel shall be comprised of six (6) arbiters and insofar as
37 practicable, the arbiters shall be located in the general vicinity of the Puget
38 Sound location. Assignment of cases to arbiters shall be accomplished by
39 the parties taking turns in striking a name from the panel until one (1) name
40 remains. The arbiter whose name remains shall be the arbiter for that case.
41 The right to strike first shall be alternated between the parties on a case-by-
42 case basis. If a case reaches Step 4, and the parties are unable to agree to

an arbiter within the time limit specified in Section 19.6, the case shall be heard and settled by an arbiter on the panel geographically identified with the grievance, if available. An available arbiter is one who is available to conduct a hearing within sixty (60) days (unless mutually extended) after expiration of the time limit specified in Section 19.6.

Section 19.8 Procedure Where Corporate Panel Arbiter Not Available.

In the event, as to any case, that there is no available arbiter on the applicable Corporate Panel, the parties shall jointly request the American Arbitration Association to submit a panel of seven (7) arbiters. Such request shall state the general nature of the case and ask that the nominees be qualified to handle the type of cases involved. When notification of the names of the panel of seven (7) arbiters is received, the parties in turn shall have the right to strike a name from the panel until only one (1) name remains. The remaining person shall be the arbiter. The right to strike the first name from the panel shall be determined by lot.

Section 19.9 Arbitration – Rules of Procedure.

Arbitration pursuant to Step 4 shall be conducted in accordance with the following:

19.9(a) The arbiter shall hear and accept pertinent evidence submitted by both parties and shall be empowered to request such data as he/she deems pertinent to the grievance and shall render a decision in writing to both parties within fifteen (15) days (unless mutually extended) of the completion of the hearing.

19.9(b) The arbiter shall be authorized to rule and issue a decision in writing on the issue presented for arbitration, which decision shall be final and binding on both parties.

19.9(c) The arbiter shall rule only on the basis of information presented in the hearing before him/her and shall refuse to receive any information after the hearing except when there is mutual agreement, in the presence of both parties.

19.9(d) Each party to the proceedings may call such witnesses as may be necessary in the order in which their testimony is to be heard. Such testimony shall be limited to the matters set forth in the written statement of grievance. The arguments of the parties may be supported by oral comment and rebuttal. Either or both parties may submit written briefs within a time period mutually agreed upon. Such arguments of the parties, whether oral or written, shall be confined to and directed at the matters set forth in the grievance.

19.9(e) Each party shall pay any compensation and expenses relating to its own witnesses or representatives.

1 **19.9(f)** The Company and the Union shall, by mutual consent, fix the
2 amount of compensation to be paid for the services of the arbiter. The
3 Union or the Company, whichever is ruled against by the arbiter, shall
4 pay the compensation of the arbiter including his/her necessary
5 expenses.

6 **19.9(g)** The total cost of the stenographic record (if requested) will be
7 paid by the party requesting it. If the other party also requests a copy,
8 that party will pay one-half of the stenographic costs.

9 **Section 19.10 Extension of Time Limits by Agreement.**

10 Time limits designated in this Article 19 for processing grievances and for
11 bringing a matter to arbitration may only be extended by mutual written
12 consent.

13 **Section 19.11 Agreement Not to Be Altered.**

14 In arriving at any settlement or decision under the provisions of this Article
15 19, neither the parties nor the arbiter shall have the authority to alter this
16 Agreement in whole or in part.

17 **Section 19.12 Conferences During Working Hours.**

18 All conferences resulting from the application of provisions contained in
19 this Article 19 shall be held during working hours.

20 **Section 19.13 Business Representative, When Not Available, May**
21 **Authorize Designee.**

22 For any period that the business representative is unavailable to serve in that
23 capacity under this Article 19, he/she may designate an accredited steward
24 or another accredited business representative to act for him/her, as his/her
25 designee. As to each such period of unavailability, authorization of the
26 designee will be accomplished by the business representative informing the
27 appropriate Company representative of the expected period of the business
28 representative's unavailability and naming the designee. When the business
29 representative again is available to perform his/her duties under this Article
30 19, he/she shall promptly notify the Company representative of the fact and
31 such notice will terminate the period during which the designee is
32 authorized to act.

33 **Section 19.14 Signing Grievance Does Not Concede Arbitrable Issue.**

34 The signing of any grievance by any employee or representative either of
35 the Company or of the Union shall not be construed by either party as a
36 concession or agreement that the grievance constitutes an arbitrable issue,
37 that other claims or defenses may not be raised, or that the grievance is
38 properly subject to the grievance machinery under the terms of this Article
39 19.

Section 19.15 Union Jurisdictional Claims.

Union jurisdictional claims arising under the provisions of Section 1.3 of this Agreement, except those identified in Section 1.3(f), shall be handled pursuant to the provisions of Section 19.4 and Sections 19.6 through 19.14, inclusive, except that the following requirements shall apply:

19.15(a) The written statement of grievance shall identify the job involved, state the Union's contention or contentions in detail, and shall contain a detailed statement of the reasons for the position taken by the Union.

19.15(b) If the Company and the Union are unable to agree upon the contents and scope of the record to be presented to the arbiter, either party may present to the arbiter whatever evidence, testimony and written argument it deems relevant to the question to be submitted to the arbiter. A written summary of such evidence, testimony and written argument will be submitted to the other side at least ten (10) days in advance of the hearing.

19.15(c) If the parties are unable to agree upon the question that it is to be submitted to the arbiter for decision, the question to be submitted to, and answered by, the arbiter shall be:

"On the basis of the evidence, information, and arguments submitted by the parties in reference to the Union's contention in this case, is the Company violating Article 1, Section 1.1, paragraphs 1.1(a), 1.1(b), 1.1(c), or 1.1(d)?"

19.15(d) The arbiter shall answer the question submitted to him/her under Section 19.15(c) or the agreed statement of the issue presented by both parties. The arbiter's answer shall either be in the affirmative or the negative. The arbiter shall confine the proceedings before him/her to the questions presented to him/her in accordance with this Section 19.15 and he/she shall not have authority to specify any change in a job or any change in the work assignments under a job or the creation of a new job or any other remedy or type of award.

19.15(e) If the arbiter's answer sustains the Union's contention, the Company shall, within thirty (30) days (or any longer period to which the parties may mutually agree) after receiving the arbiter's decision, take whatever corrective action is necessary to eliminate the basis for the Union's jurisdictional claim in the particular case.

19.15(f) Any resolution of any claim or controversy under Section 1.3, whether by mutual agreement or by arbitration, that requires corrective action on the part of the Company shall be prospective in effect from the date of the corrective action taken by the Company.

ARTICLE 20
QUALITY THROUGH TRAINING

Section 20.1 Mutual Objective.

The Union and Company agree that it is to their mutual benefit, in a competitive global economy and environment of rapid technological innovation and change, to work together to improve the quality of worklife and productivity. The parties, utilizing participative principles, will offer a diverse range of opportunities for training, retraining, and personal growth to enhance employee development and satisfaction and support increased market share and improved economic performance of the Company.

Section 20.2 IAM/Boeing Quality Through Training Program.

20.2(a) Purpose. It is the intent of the parties to develop and implement a wide variety of mutually agreeable training, education, and learning programs and services as well as support for other joint activities. These activities will include efforts to ensure Union and management representatives are trained in participative, cooperative techniques and concepts. Therefore, the IAM/Boeing Quality Through Training Program (QTTP) exists to support the parties' mutual objectives and will target training: (1) for employees who may be impacted or their job duties and responsibilities affected by technology changes and/or job combinations; (2) for employees who wish to meet their individual career/personal development goals; (3) for laid-off employees to enable them to become better qualified for employment within or outside the Company; and (4) to enhance employee workplace knowledge and skills (academic, employability, occupational and technical).

20.2(b) IAM/Boeing Joint Programs National Governing Board and Executive Directors. General direction and guidance of the IAM/Boeing Quality Through Training Program (QTTP) shall be the responsibility of the IAM/Boeing Joint Programs National Governing Board (Governing Board) as described in the parties' Letter of Understanding No. 26, entitled Administration of Joint Programs, and the parties' Letter of Understanding No. 18, entitled Expenditure of Funds Under Article 16 and Article 20. The Governing Board's responsibilities also include determining the extent to which funding should be expended on paid time training for employees who may be impacted by technology changes and job combinations. Oversight of day-to-day operations of QTTP and coordination of QTTP administrative staff activities, as directed by the Governing Board, shall be the responsibility of the IAM/Boeing Joint Programs Executive Directors as described in the parties' Letter of Understanding No. 26.

1 **20.2(c) IAM / Boeing Quality Through Training Program (QTTP)**
2 **Administrative Staff.** In support of the QTTP purpose as outlined in
3 Section 20.2(a), the staff will be responsible for developing,
4 recommending, and implementing training programs which may be site
5 specific or program wide. The IAM/Boeing Quality Through Training
6 Program (QTTP) Administrative Staff is described in the parties' Letter
7 of Understanding No. 26, Sections C and D.

8 **20.2(d) Training Programs.** QTTP, by working together with line
9 organizations, Union representatives, and subject matter experts, will
10 identify education, training and retraining needs to support IAM
11 bargaining unit employees. QTTP will design, develop and implement
12 training, education and learning strategies to support those needs by
13 working closely with the appropriate organizations both within and
14 outside the Company. Program activities may include: (1) identifying
15 areas of skills which will be required by the Company in the future and
16 develop courses to provide those skills; (2) establishing education and
17 training programs so that participants can become aware of growth
18 opportunities, identify their career/personal development goals and
19 create action plans to reach those goals; (3) developing criteria for
20 selecting candidates for training; (4) establishing criteria to determine
21 successful completion of the courses; (5) developing a system to record
22 successful completion for future consideration. The recommended
23 training programs will be developed, to the extent feasible, to be
24 compatible with the Company's existing training programs. In order to
25 accomplish these activities the QTTP staff will: (1) make decisions
26 regarding training delivery systems/processes (e.g., technical schools,
27 community colleges, home study programs, in-plant skill centers,
28 Employee Development Resource Centers, etc.); (2) evaluate the
29 effectiveness of such training programs and courses and the delivery
30 systems utilized; (3) develop communication programs to inform active
31 and laid-off employees about the availability and purpose of the
32 training programs and encourage employees to participate in and
33 successfully complete the available training; and (4) investigate the
34 availability of state and federal funds which could be used to augment
35 training, placement, relocation and support services for active and laid-
36 off workers. In addition to developing training programs for laid-off
37 employees to enable them to become better qualified for employment
38 by the Company, the staff also will consider special programs to assist
39 laid-off employees in career advising and job placement for non-
40 Boeing jobs.

41 **20.2(e) Apprenticeship.** As approved by the National Governing
42 Board, QTTP will support Apprenticeship programs. IAM/Boeing
43 Apprenticeship programs in Kansas, Washington and Oregon will be

1 under the direction of the Joint Apprenticeship Committees and
2 administered by QTTP.

3 **20.2(f) Expenditure of Funds.** The Company will provide the
4 necessary funds in support of the IAM/Boeing Quality Through
5 Training Program's activities which may include tuition, facilities, staff
6 administration, communications, equipment, materials, on-hour training
7 and such other expenses as may be agreed to by the Governing Board.
8 The details of such funding are described in the parties' Letter of
9 Understanding No. 18, entitled Expenditure of Funds under Article 16
10 and Article 20.

11 **20.2(g) Disputes.** Disputes concerning QTTP or its operation or the
12 selection of candidates may be referred by the Joint Programs
13 Executive Directors to the Governing Board for final resolution. No
14 matter involving QTTP will be subject to the grievance and arbitration
15 procedure of Article 19 of this Agreement.

16 **Section 20.3 Tuition Fees.**

17 The payment of tuition/fees (to the extent such payment is not available
18 from a governmental agency) will be provided for an employee who
19 voluntarily participates in a course or training program approved by QTTP.

20 **20.3(a)** Participation under the provision of this Section 20.3 shall be
21 subject to the following:

22 **20.3(a)(1)** Application for such participation shall be made on
23 forms provided by QTTP or the Company and shall be in
24 accordance with applicable guidelines.

25 **20.3(a)(2)** Reimbursement shall under no circumstance be
26 considered as compensation to the employee or as part of wage or
27 wages by the Company, except as required by law.

28 **20.3(a)(3)** Employees eligible for educational funding from a
29 government agency must apply for and utilize those resources prior
30 to being eligible for funding under Education Assistance.

31 **ARTICLE 21**
32 **MISCELLANEOUS**

33 **Section 21.1 Inventions.**

34 **21.1(a)** Employees shall be permitted to retain ownership of an
35 invention conceived or developed by them if the invention (a) was
36 developed entirely on the employee's own time and the invention is one
37 for which no equipment, supplies, facilities, or trade secret information
38 of the Company was used; and (b) does not (i) relate directly to the
39 business of the Company or to the Company's actual or demonstrably

1 anticipated research or development, or (ii) result from any work
2 performed by the employees for the Company. All other inventions
3 shall be the property of the Company, and employees shall assist the
4 Company in the protection of such inventions as directed by the
5 Company.

6 **21.1(b)** No employee shall be required, as a condition of employment
7 or continued employment, to sign an invention agreement which
8 contravenes the provisions of Section 21.1(a).

9 **Section 21.2 Financial Awards.**

10 The Company and the Union agree that bargaining unit employees will be
11 eligible to participate in the Boeing Cash Award Program, effective January
12 2006, as defined in the Boeing Cash Award Program administrative guide.
13 Awards are a one time payment to recognize individual or team
14 accomplishments. The purpose of this program is to permit timely cash
15 payments to recognize individual or team accomplishments that are the
16 result of extraordinary performance or performance that exceeds job
17 expectations. The Union will be notified of Boeing Cash Awards that are
18 made to bargaining unit employees. The Company reserves the right to
19 amend, modify, and/or discontinue the Boeing Cash Award Program at any
20 time.

21 **Section 21.3 Sabotage.**

22 The Union agrees to report to the Company when it has knowledge of any
23 acts of sabotage or damage to or the unauthorized or unlawful taking of
24 Company, government, customer or any other person's or employee's
25 property. The Union further agrees, if any such acts occur, to use its best
26 efforts in assisting to identify and apprehend the guilty person or persons.

27 **Section 21.4 Nondiscrimination.**

28 All terms and conditions of employment included in this Agreement shall
29 be administered and applied without regard to race, color, religion, national
30 origin, status as a disabled or Vietnam era veteran, age, gender, or the
31 presence of a disability, except in those instances where age, gender, or the
32 absence of a disability may constitute a bona fide occupational
33 qualification. If administration and application of the contract is not in
34 contravention of federal or state law such administration or application shall
35 not be considered discrimination under this Section 21.4. Notwithstanding
36 any other provision of this Section 21.4 or of this Agreement, a grievance
37 alleging a violation of this Section 21.4, shall be subject to the grievance
38 procedure and arbitration of Article 19 only if it is filed on behalf of and
39 pertains to a single employee. Class grievances based on alleged violation
40 of this Section 21.4 shall not be subject to the grievance procedure and
41 arbitration under Article 19 of this Agreement.

1 **Section 21.5 Security Interviews.**

2 Each employee has the right, during a Security interview which the
3 employee reasonably believes may result in discipline, to request the
4 presence of his/her shop steward, if the shop steward is available. If his/her
5 shop steward is not available, such employee may request the presence of
6 another immediately available shop steward. If a shop steward, pursuant to
7 the employee's request, is present during such an interview, the shop
8 steward, in addition to acting as an observer, may, after the Security
9 representative has completed his/her questioning of the employee, ask
10 additional questions of the employee in an effort to provide information
11 which is as complete and accurate as possible. The shop steward shall not
12 obstruct or interfere with the interview.

13 **Section 21.6 Employee Assistance.**

14 The parties will cooperate in expanding employee assistance programs in
15 order to promote the health and well-being of the workforce. These
16 programs include the following:

17 **21.6(a) Wellness Programs.** The Company will emphasize programs
18 to improve the health and wellness of the workforce. Examples would
19 include health monitoring, exercise, hypertension classes, weight loss
20 programs and stop-smoking classes.

21 **21.6(b) Comprehensive Child and Elder Care Program.** The
22 Company will establish a comprehensive child and elder care program.
23 This program will consist of referrals of employees to licensed care
24 facilities, consultation with employees to determine individual needs
25 and providing educational materials and programs. To further the
26 objectives contained in this section, the Company agrees to establish a
27 flexible account to fund child and elder care.

28 **21.6(c) Joint Company-Union Alcohol and Drug Dependency**
29 **Program.** The parties recognize that drug and alcohol usage can
30 adversely affect an employee's job performance and the maintenance of
31 a safe and productive work environment and can undermine public trust
32 and confidence in the Company's products. Accordingly, they agree to
33 cooperate in substance abuse awareness and education. This will be in
34 conjunction with the Joint Company-Union Alcohol and Drug
35 Dependency Program. The details of the Program are described in the
36 parties' Letter of Understanding No. 7, entitled Joint Company-Union
37 Alcohol and Drug Dependency Program.

38 **Section 21.7 Subcontracting.**

39 The parties acknowledge that subcontracting work (moving work from a
40 Company facility to an outside supplier) and offloading work (moving work
41 from one Company facility to another Company facility not covered by this
42 Agreement) affect the job security of employees. The word "work" for

1 purposes of this Section refers to work of a type currently performed within
2 the bargaining unit. Accordingly, notwithstanding any other provision of
3 this Agreement, the Company agrees that employees will not be laid off as a
4 direct result of subcontracting or offloading work unless they are unwilling
5 to change jobs (including a downgrade), shift, or locations within the
6 bargaining unit. This layoff restriction does not apply to strategic work
7 placements, see below, or offsets or offset arrangements (condition of sale
8 placements); to a merger, sale, transfer, or other disposition of a plant or
9 facility or operating unit thereof; or to temporary subcontracting or
10 offloading necessary because of required equipment overhaul or repair,
11 labor disruptions, or events beyond the control of the Company (acts of
12 God, natural disasters, equipment failure, major accidents, etc.).

13 The parties agree to oversee, upon the Union's request, significant
14 subcontracting and offload proposals (those affecting at least ten (10)
15 employees) and to determine whether a financially and strategically
16 justifiable basis exists either to keep work within the Company or return
17 work to a Company facility covered by this Agreement. To assist in the
18 oversight process, Union Site Representatives, (six (6) in Puget Sound, and
19 one (1) in Portland) will actively participate in the Company's Work
20 Movement Groups' studies, for the purpose of reviewing and
21 recommending, early in the business case analysis, subcontracting or
22 offloading alternatives that are financially and strategically sound.

23 To enable the Union Site Representatives to suggest alternatives that would
24 allow the retention of work within the bargaining unit, the Company will, at
25 least one hundred eighty (180) days prior to signing the subcontract or
26 offloading the work, provide notice to the Union of plans to subcontract or
27 offload work then being performed by bargaining unit employees. With
28 respect to plans to consolidate work for efficiency or strategic reasons in a
29 Company facility not covered by this Agreement, the Company will provide
30 notice at least sixty (60) days prior to offloading the work then being
31 performed by bargaining unit employees. The notice will include the reason
32 for the planned subcontracting or offloading. The Company will provide the
33 Union Site Representatives with the information used by the Company's
34 Work Movement Groups to assess the relative costs of subcontracting,
35 offloading, or performing the work in the bargaining unit. The Union will
36 keep confidential, and not disclose, any information provided pursuant to
37 this Section 21.7 which the Company designates as not subject to
38 disclosure.

39 For subcontracting and offloading decisions affecting less than ten (10)
40 employees (including but not limited to decisions to consolidate work for
41 efficiency or strategic reasons in a Company facility not covered by this
42 Agreement), the Company will provide notice to the Union Site
43 Representatives of plans to subcontract or offload work then being

1 performed by bargaining unit employees. The notice will include the
2 reason for the planned subcontracting or offloading. The one hundred
3 eighty (180) day or sixty (60) day notice restriction will not apply to
4 subcontracting and offloading decisions affecting less than ten (10)
5 employees. If time permits following the notice, Union Site Representatives
6 may recommend subcontracting of offloading alternatives to such decisions
7 (those affecting less than ten (10) employees) that are financially and
8 strategically sound.

9 It is agreed that the Union Site Representatives' evaluation process is to be
10 limited to those significant subcontracting or offloading decisions where
11 cost is the determining factor. Consequently, the notice and review process
12 does not cover the following work transfers:

13 a. Decisions made primarily for strategic considerations ("strategic
14 work placement") such as decisions to place work with foreign
15 suppliers (1) for purposes of forming or continuing key strategic
16 alliances, (2) for gaining potential access to a key market, (3) for
17 entering risk sharing arrangements, or (4) because of condition of sale
18 placements;

19 b. Decisions arising from a merger, sale, transfer, or other disposition
20 of a plant or facility or operating unit thereof;

21 c. Decisions to subcontract or offload work due to lack of capability
22 or capacity, or to prevent production schedule slippage;

23 d. Decisions to temporarily onload work or to temporarily subcontract
24 or offload work due to emergent short-term needs; or

25 In the event of a decision described in (a) through (d) above, the Company
26 will notify the Union as soon as practical of the decision and the reasons for
27 the decision. For tooling subcontracting or offloading decisions described
28 in (a) through (d) above, the Company will provide Union Site
29 Representatives with information concerning subcontracting or offloading
30 activity on a monthly basis.

31 The Company's Work Movement Group will conduct a monthly review
32 with the Union Site Representatives to discuss activities related to the
33 Company/Union oversight process and to discuss opportunities to improve
34 the process. Upon the Union's request, the Company will conduct a
35 quarterly review to share the status of the previous quarter's activities.

36 Anything in this Section 21.7 to the contrary notwithstanding, it is agreed
37 that under and included within the meaning of Article 2 of this Agreement
38 that the Company has the right to subcontract and offload work, to make
39 and carry out decisions in (a) through (d) above, to enter offsets and offset
40 arrangements, and to designate the work to be performed by the Company

1 and the places where it is to be performed, which rights shall not be subject
2 to arbitration.

3 The parties recognize that the Company must compete in a highly
4 competitive global economy, and commit to achieving the highest level of
5 quality and productivity possible. Both parties recognize that ultimate job
6 security can only be realized in a work environment that creates operational
7 effectiveness, continuous improvement and competitiveness.

8 **Section 21.8 Pilot Projects.**

9 **21.8(a) Objective.** The Union and the Company agree that it is in
10 their best interest to stimulate and support long-term, broad changes
11 aimed at improving the quality of work life and productivity. This can
12 be accomplished best by active involvement of the Union and the
13 Company in planning, developing, implementing and evaluating
14 innovative programs to further these aims. Accordingly, the parties
15 shall:

- 16 1. Review and evaluate pilot projects involving innovative
17 approaches in the workplace and provide for their
18 implementation, operation and assessment;
- 19 2. Assure that pilot projects provide for employee and Union
20 involvement through the establishment of joint pilot project
21 committees to oversee project implementation, operation and
22 assessment;
- 23 3. Review experiences of other employees and unions with
24 similar activities and provide for dissemination of information;
- 25 4. Assess the impact on the pilot projects of existing work
26 practices including, but not limited to, job security,
27 compensation, job descriptions/classifications, training, and
28 work schedules;
- 29 5. Following implementation and assessment of a pilot project,
30 review the feasibility of broader application; and
- 31 6. Select consultants and other outside experts by mutual
32 agreement.

33 **21.8(b) Implementation of Pilot Projects.** The Union and the
34 Company shall meet and confer concerning implementation of any pilot
35 projects including any necessary modifications to the Collective
36 Bargaining Agreement. The details of any pilot project which is agreed
37 to by the parties shall be set forth in writing between the parties in a
38 Pilot Project Agreement and must be approved by the Directing
39 Business Representative of the unit where the project is proposed. It is
40 the intent of the parties that implementation of a pilot project will not

1 directly result in the layoff of employees or the reduction of the pay of
2 employees assigned to a pilot project and that the Company will pay for
3 costs such as training. Neither the Union nor the Company is under
4 any obligation to agree to the implementation of a pilot project.

5 **21.8(c) Review of Pilot Projects.** In addition to the on-going review
6 by a pilot projects committee, the Union and the Company will review
7 semi-annually the operation of all implemented pilot projects. While
8 the parties anticipate that any implemented pilot project will continue
9 throughout the duration of this Agreement, a pilot project may be
10 terminated at any time by mutual agreement. In addition, it is agreed
11 that following the first ninety (90) days of implementation of a project,
12 either the Union or the Company may terminate a particular pilot
13 project by giving written notice to the other, such notice to become
14 effective on the sixtieth (60th) day thereafter.

15 **21.8(d) Disputes Concerning Pilot Projects.** No dispute concerning
16 a pilot project or this Section 21.8 shall be subject to the grievance and
17 arbitration procedure of Article 19 of this Agreement except for a
18 dispute alleging a violation of a Pilot Project Agreement or the
19 approval or termination of a pilot project.

20 **Section 21.9 Technology Briefings.**

21 In order that employees can better prepare themselves for the skill
22 requirements of the future, and in fulfillment of its obligation to provide
23 information to the Union, the Company will not less than each six (6)
24 months provide a briefing to the Union of the Company's plans for the
25 introduction of technological change which may affect employees. These
26 briefings may be combined with briefings to the Hazard Communication
27 Team under Section 16.2(e). The Union and its representatives will protect
28 the confidentiality of Company sensitive and proprietary information
29 disclosed in the briefings.

30 During these briefings, the Company will inform the Union of anticipated
31 schedules of introduction of new technology, and will identify areas of skill
32 impacts. In addition, when the Company intends to implement a
33 technological improvement in its tools, methods, processes, equipment or
34 materials which could have an impact on the work performed by bargaining
35 unit employees, the Company will advise the Union of the nature and
36 location of such technological changes and the extent to which they may
37 affect the work performed by those employees.

38 The Company and the Union agree that this Section 21.9 fully sets forth the
39 Company's obligation to provide information concerning new technology
40 or any other introduction or technological improvement of new machines,
41 tools, methods, processes, equipment and/or materials. If the Union

requests other information related to these matters, the request will be treated as a request to add additional subjects to the briefings.

ARTICLE 22

WORKFORCE ADMINISTRATION

Section 22.1 Definitions.

The meanings of certain terms used in this Article 22 and elsewhere in this Agreement are stated below:

22.1(a) Category A - Refers to the rights of those qualified employees with seniority who have been affected by a surplus:

22.1(a)(1) who have worked under or been assigned to the open job title or higher classification thereof on other than a "temporary promotion" basis for ninety (90) or more calendar days within or immediately prior to the following time periods preceding the date of selection of an eligible individual to fill the open job title:

- A. for employees with five (5) or more years seniority, a eight (8)-year period;
- B. for employees with three (3) or more but less than five (5) years seniority, a five (5)-year period;
- C. for employees with less than three (3) years seniority, a three (3)-year period

22.1(a)(2) who have on file an effective application to the Personnel Section for the open job title; and

22.1(a)(3) who are on layoff or who are assigned to a lower labor grade than that of the open job title; and

22.1(a)(4) who have not resigned or been terminated for reasons other than layoff since holding the open job title or higher classification thereof; and

22.1(a)(5) who have not been demoted from the open job title at their request; and

22.1(a)(6) who have not been demoted or laid off because of not being suited for work in the open job title.

NOTE: Employees will, within thirty (30) days of the effective date of their layoff or downgrade, be notified of the job titles for which they may have Category A eligibility. Failure of the Company to provide such a notice shall not relieve the employee from his/her obligation to exercise whatever Category A rights he/she may have. In establishing Category A rights, qualified employees in Puget Sound who are on layoff may select the Puget Sound location(s) (Seattle, the

1 Developmental Center, Frederickson, Kent, Auburn, Renton or Everett)
2 to which their Category A rights will apply. Qualified employees on
3 the active payroll may select their desired shift, and Puget Sound
4 employees may select their desired location and shift. Employees will
5 only be considered to fill openings on the shift and/or at the location so
6 designated.

7 **22.1(b) Category B** - Refers to those qualified employees:

8 **22.1(b)(1)** who are currently assigned to and have worked in the
9 next lower step in the normal line of promotion for which the
10 opening exists for the ninety (90) calendar days immediately
11 preceding the selection of an eligible individual to fill the open job
12 title, and

13 **22.1(b)(2)** who have on file an effective application to the
14 personnel section for the open job title and designated shift; and

15 **22.1(b)(3)** who have not been demoted from the open job title at
16 their request during the preceding ninety (90) days; and

17 **22.1(b)(4)** who have not been demoted because of not being suited
18 for work in the open job title during the preceding twelve (12)
19 months.

20 **22.1(c) Downgrade** - Refers to the reclassification of an employee to a
21 lower labor grade.

22 **22.1(c)(1) Employee Requested Downgrade** - refers to a
23 downgrade initiated by the employee. (An employee who
24 expresses a desire for an employee-requested downgrade may have
25 his/her steward or business representative present during any
26 formal discussion of the proposed action.)

27 **22.1(d) Effective Application** - Refers to an application for work in an
28 open job title by an employee at his/her assigned primary or remote
29 location or by an employee on layoff at the primary or remote location
30 from which he/she was most recently assigned. Such application shall
31 become effective within five (5) workdays after it is received by
32 Personnel Records. Category B applications will remain in effect until
33 cancelled or changed at the employee's request, or until such time as
34 the employee is reclassified to the job title, or the employee rejects an
35 offer of a job for which he/she has filed or the employee is relocated to
36 a different Primary Location covered by this Agreement, whichever
37 occurs first. Category A applications will remain in effect for the
38 duration of Category A eligibility unless cancelled or changed at the
39 employee's request, or until such time as the employee is returned from
40 layoff, or the employee is reclassified to the job title, or the employee is
41 extended an offer, or rejects an offer of a job for which he/she has filed

1 or the employee is relocated to a different primary location covered by
2 this Agreement, whichever occurs first. An employee who rejects a job
3 offer for which he/she has downgrade rights and elects layoff may not
4 file a Category A application, to the job offered and rejected. If such
5 rejection of job offer does not result in layoff, there will be no
6 requirement that he/she again be considered for that job title unless the
7 employee refiles an application at any time ninety (90) or more
8 calendar days after he/she declines the job offer.

9 **NOTE:** In establishing Category B rights, qualified employees in the
10 Puget Sound area shall select the Puget Sound location(s) (Seattle, the
11 Developmental Center, Frederickson, Kent, Auburn, Renton or
12 Everett), and the shift to which their Category B rights will apply.

13 **22.1(e) Emergency Classification** - Refers to the temporary
14 reclassification of an employee when the Company finds it necessary to
15 assign a higher-graded employee to perform lower-graded work.
16 Subject to the provisions of Section 22.6(b), such employees shall gain
17 downgrade rights. In each instance the employee will be notified at
18 time of assignment and the Union notified and the employee
19 reclassified when the assignment exceeds thirty (30) calendar days.
20 The Company shall provide the Union with an updated list of
21 employees who are emergency classified on a monthly basis.

22 **22.1(f) Job Title or Job** - Refers to, as a composite unit, The Boeing
23 Company title, number, and description of the job.

24 **22.1(g) Job Family** - Refers to two (2) or more jobs having the same
25 job title number, except for that part of the job title number that
26 identifies the labor grade level of the job.

27 **22.1(h) Lateral Reclassification** - Refers to the reclassification of an
28 employee from one job title to another job title in the same labor grade.

29 **22.1(i) Lateral Transfer** - Refers to the transfer of an employee from
30 one organization to another without change of job title.

31 **22.1(j) Normal Line of Promotion** - Refers to the channel of
32 promotion established by the Company from one job title to another,
33 within the same job family. A complete initialed and dated list of job
34 titles as of the effective date of this Agreement has been furnished to
35 the Union, and the Company has retained a copy of such initialed and
36 dated list. The channels of promotion as established by the Company
37 are in accordance with such list.

38 **22.1(k) Normal Line of Promotion Designated Candidates** - Refers
39 to a less senior employee selected to fill a normal line of promotion
40 opening. Normal line of promotion designated candidates will be
41 limited to 0.75 percent of the bargaining unit headcount at Seattle-

Renton, Wichita and Portland, determined separately on January 1 and July 1 of each year for use during the succeeding six (6)-month period. The promotion of designated candidates is not subject to the grievance and arbitration procedure.

22.1(l) Open Job Title - Refers to a job title in which the Company determines, subject to Section 22.7, that additional employees are needed in excess of those assigned to such job title:

22.1(l)(i) by returning employees from leave of absence; or

22.1(l)(ii) by reclassifying apprentices; or

22.1(l)(iii) by lateral transfer; or

22.1(l)(iv) by lateral reclassification; or

22.1(l)(v) by transferring employees involving lateral reclassifications; or

22.1(l)(vi) by downgrading or demoting employees on the active payroll; or

22.1(l)(vii) by temporary promotion; or

22.1(l)(viii) by transferring employees from one Primary Location or Remote Location to another Primary Location or Remote Location; or

22.1(l)(ix) by returning employees to the bargaining unit from non-supervisory positions outside the bargaining unit; or

22.1(l)(x) by emergency classification; or

22.1(l)(xi) by returning employees from disability retirement or who have been demoted or laid off due to the employee's medical recommendation.

The Company may make such assignments, transfers, changes, downgradings and demotions, and temporary promotions, without restriction except with regard to certain Category A employees as provided in Section 22.7 and except as otherwise hereinafter provided in this Article 22.

22.1(m) Opening - Refers to a single unfilled job in an "open job title" and the opening shall be deemed to be closed at the time the Personnel Section designates the eligible individual or employee entitled to consideration for the job.

22.1(n) Organization - Refers to an alpha/numerically identified segment of the Company.

1 **22.1(o) Promotion** - Refers to the action of the Company in moving
2 an employee from his/her current labor grade to a higher labor grade.

3 **22.1(p) Surplus** - Refers to an action involving reduction in force
4 within a job title which action results in a layoff, downgrade or lateral
5 of affected employees.

6 **22.1(q) Temporary Promotion** - Refers to a promotion remaining in
7 effect for a period of not more than thirty (30) consecutive calendar
8 days, or for ninety (90) consecutive calendar days if the promotion is a
9 direct replacement for an employee on medical leave of absence, travel
10 assignment, or temporary supervisory assignment, or for such longer
11 period as may be designated by mutual agreement between the
12 Company and the Union. The Union Business Representative shall be
13 provided with notification of temporary promotions that are estimated
14 to be in effect for thirty (30) or more calendar days prior to or
15 coincident with the effective date of such promotions. The foregoing
16 time period limitation will not apply in instances where an employee is
17 on travel assignment. Repetitive temporary promotions shall not be
18 used to fill a permanent job opening.

19 **22.1(r) Employee Requested Transfer (ERT) System** - A system
20 which allows Company employees to be considered for open job titles
21 and lateral transfers within the bargaining unit. A pool of candidates
22 will be established through application of minimum criteria developed
23 by the Company and administered through the IAM/Boeing Joint
24 Programs.

25 **NOTE:** In the event an employee declines to accept an offer for a job
26 for which he/she has filed an effective application, there will be no
27 requirement that he/she again be considered for that job unless the
28 employee refiles an application at any time ninety (90) or more
29 calendar days after he/she declines the offer.

30 **Section 22.2 Surplusing Procedures - "Retentions" - Definition.**

31 The surplusing procedures later specified in this Article 22 make various
32 references to the use by the Company of "retentions." A "retention" is the
33 retaining, in a job title in which a surplus has been declared by the
34 Company, of an individual whose seniority position would have caused
35 him/her to have been surplusd while some other employee or employees
36 with greater seniority are surplusd. In each instance the retained employee
37 will be designated, at the time the retention is used, to be retained in the job
38 title rather than to have him/her affected by the surplus action. The retained
39 employee shall be notified of his/her retention status and shall retain that
40 status for the remainder of the six (6)-month period in which he/she is so
41 designated unless such designation, within such period, is cancelled or is
42 reassigned by the Company to a more senior employee in the same job title.

1 Also, prior to the time that any further surplus is declared in such job title,
2 and whether within such six (6)-month period or thereafter, the retainee (or,
3 after such six (6)-month period, the previous retainee) may be replaced in
4 the job title by a more senior employee concurrent with the latter's
5 downgrade to the job title. If such replacement occurs within the six (6)-
6 month period, the Company shall be required to transfer such retention
7 status to the downgraded senior employee. In instances where the replaced
8 employee is not a current retainee, the most junior employee will be
9 replaced. The Union will be notified of retention usage and may appeal to
10 the site senior Human Resources representative or designee any perceived
11 misapplications of this retention procedure. The site senior Human
12 Resources representative or designee will have thirty (30) days to review
13 the facts and correct any misapplications of this procedure.

14 **Section 22.3 Surplusing Procedures - Number of Retentions Allowable.**

15 **22.3(a) Periods Used for Making Computations.** For purposes of
16 determining the allowable number of retentions and using and applying
17 such retentions, calendar six (6)-month periods shall be used, the first
18 period in each year to be from January 1 to June 30, inclusive, and the
19 second period to be from July 1 to December 31, inclusive.

20 **22.3(b) Allowable Number – By Location.** For each such period the
21 number of allowable retentions shall be determined separately for each
22 of the following "locations": Seattle-Renton; Wichita; and Portland.
23 At each such location, the number of allowable retentions for the
24 applicable six (6)-month period will be four and one-half (4.5) percent
25 of the bargaining unit head count at the beginning of the period.

26 **22.3(c) Allowable Usage.** At each location the use of the number of
27 allowable retentions for the applicable six (6)-month period shall be in
28 accordance with the following:

29 **22.3(c)(1)** Three (3) levels of seniority will be identified: (a) zero
30 (0) years through nine (9) years, (b) ten (10) years through fourteen
31 (14) years and (c) fifteen (15) years or more. The total retentions
32 in all three (3) levels shall not exceed four and one-half percent
33 (4.5), subject to Subparagraph 22.3(c)(3).

34 **22.3(c)(2)** Retentions shall apply only as against another employee
35 in the same seniority level, subject to Subparagraph 22.3(c)(3).

36 **22.3(c)(3)** An additional one (1) percent number of retentions (one
37 (1) percent in addition to the four and one-half (4.5) percent
38 allowed by Section 22.3(b)) may be used in each such six (6)-
39 month period at each such location only to retain (a) an employee
40 in Labor Grade 5 or above as against another employee who is in a
41 higher seniority level; or (b) an employee assigned to a program
42 having restricted access limitations.

1 **22.3(c)(4)** Retentions described in Subparagraph 22.3(c)(3) will be
2 accounted for separately and the Union will be advised of the
3 reason the retention has been designated.

4 **22.3(d) Computations – Fractional Results.** In applying the
5 percentages and making the computations under this Section 22.3, the
6 number of allowable retainees shall be computed to the nearest whole
7 number and a fraction of one-half (1/2) or more shall be treated as one
8 (1).

9 **Section 22.4 Surplusing Procedures - Use of Allowable Retentions Not**
10 **Subject to Challenge.**

11 The Company's use of retentions in the number allowed under Section 22.3,
12 or the surpluses resulting from the application and use of such retentions,
13 shall not be subject to challenge or to grievance procedure.

14 **Section 22.5 Surplusing Procedures – Order of Surplusing.**

15 In the event that the Company determines that there is an excess of
16 employees in a job title at a particular Company location, the order of
17 surplus of such excess will, subject to the use of retentions as defined in
18 Sections 22.2 and 22.3, be in reverse seniority order in such job title at the
19 primary or remote location where the surplus has been declared.

20 **Section 22.6 Surplusing Procedures – Rights as to Downgrade.**

21 Each employee upon being subject to surplusing action will have the right
22 to be downgraded to the highest of the following:

23 **22.6(a)** To a lower job title which is not lower than the next lower job
24 title in his/her job family or previously held job families or,

25 **22.6(b)** To the highest-graded job title, including emergency
26 classification, held for ninety (90) or more consecutive calendar days
27 during the preceding eight (8)-year period.

28 The foregoing will apply providing work is being performed in such
29 lower job title applicable to Section 22.6(a) above or in the job title
30 applicable to Section 22.6(b) above and providing further that his/her
31 seniority entitles him/her to such placement when compared with the
32 seniority of employees (other than retainees or stewards) in such job
33 titles or of those employees who are Category A candidates for such
34 job titles. If such an employee rejects a job offer for which he/she has
35 downgrade rights and prefers layoff, he/she can so elect but he/she
36 relinquishes Category A rights, to the job offered and rejected. When
37 there is no such lower job title or where his/her seniority at the time
38 does not entitle him/her to placement referred to in Section 22.6(a) or
39 Section 22.6(b) above, he/she may be downgraded to any offered job
40 title he/she will accept, or laid off. Reclassifications involving
41 employees and the rights of such employees in connection with

1 surplus procedures will be subject to the Category A rights of others
2 to the extent provided in Section 22.7.

3 **NOTE:** The provisions of Section 22.6(a) and Section 22.6(b) will not
4 apply in instances where following appropriate review, an employee
5 was removed from his/her previous job title due to medical limitations,
6 lack of qualifications or an employee requested downgrade.

7 **Section 22.7 Surplus Procedures – Preferential Rights as to Certain**
8 **Category A Employees.**

9 Employees in Category A with one (1) or more years of seniority at the time
10 of surplus from a job title, and who have held the job title (or higher
11 classification thereof) at the primary location where the transaction occurs,
12 will, for the first three (3) years of their Category A status, have the
13 preferential right to fill openings in such job title (or lower grade in the
14 same job family) as against all other individuals, except as to the following:

15 **22.7(a)** Senior employees moved into the job title, whether by lateral
16 reclassification, downgrade or emergency classification.

17 **22.7(b)** Junior employees moved into the job title on a temporary basis
18 by lateral assignment, reclassification or downgrade for not to exceed
19 thirty (30) calendar days, or for ninety (90) calendar days when agreed
20 upon by the Company and the Union, if requested by the Company for
21 conditions such as surplus mitigation and maintaining production
22 health, but not for the purpose of filling open requirements. Agreement
23 will not be unreasonably withheld. This thirty (30)-day period relating
24 to each individual assignment on a temporary basis cannot be extended
25 by the assignment of another employee to the job title on a temporary
26 basis. The Union will be notified of each such assignment or
27 reclassification.

28 **22.7(c)** Employees, whether senior or junior, assigned to the job title
29 from another Primary Location on a temporary basis for not to exceed
30 thirty (30) calendar days unless mutually extended by the parties.

31 **22.7(d)** Junior employees who are assigned to emergency
32 classification to a different occupation or job family for not to exceed
33 sixty (60) calendar days, or for ninety (90) calendar days when agreed
34 upon by the Company and the Union, if requested by the Company for
35 conditions such as surplus mitigation and maintaining production
36 health, but not for the purpose of filling open requirements. Agreement
37 will not be unreasonably withheld.

38 **22.7(e)** For those openings in Labor Grade 4 and above only, junior
39 employees in the same occupation or job family moved into the job title
40 by downgrade, if at the time of filling the opening, the Category A

1 employee has been surplus from the job title for more than thirty (30)
2 calendar days.

3 **22.7(f)** Employees, senior due to the accumulation of bargaining unit
4 seniority, returning to the bargaining unit from a supervisory or non-
5 supervisory position.

6 **22.7(g)** Employees in Aircraft On Ground (AOG) assignments such as
7 Aviation Maintenance Technician and Inspector-AOG, whether junior
8 or senior, who are assigned to any other job title on a temporary basis
9 for a period of time less than ninety (90) days. Assignments shall not
10 be used for the purpose of filling open requirements.

11 **Section 22.8 Surplus Procedures – Temporary Layoffs.**

12 Anything to the contrary in this Agreement notwithstanding, when the
13 Company determines it is necessary to reduce the number of employees
14 working within a job title at a particular location, any employees in the
15 organizations considered by the Company to have an excess number of
16 employees, who are within such job title, may be temporarily laid off for
17 not more than fourteen (14) calendar days, with or without application of
18 the procedures stated in this Agreement during such period of temporary
19 layoff. The Company agrees that the Union will be notified whenever
20 possible in advance.

21 **Section 22.9 Recall Procedures – Order of Recall of Category A**
22 **Employees from Downgrade or Layoff.**

23 The order of selection of individuals for assignment from Category A shall
24 be from those who on the date of their layoff or downgrade were Category
25 A candidates for the open job title strictly on the basis of seniority.

26 **Section 22.10 Rules Relating to Lateral Transfers and**
27 **Reclassifications.**

28 Such transfers and reclassifications shall be in accordance with the
29 following rules:

30 **22.10(a)** The Company may make lateral transfers (no change in job
31 title) from one organization to another without limitation, subject only
32 to the limitations of Section 22.7 of this Article 22 relating to
33 preferential rights as to certain Category A employees.

34 **22.10(b)** The Company may make lateral reclassifications from one
35 job title to another, or may make downgrades from one job title to
36 another, subject only to the limitations of Section 22.7 of this Article 22
37 relating to preferential rights as to certain Category A employees.

38 **22.10(c)** An employee who has been reclassified to the job title within
39 the preceding eight (8)-year period shall, in the event of surplus action
40 affecting him/her, be afforded the right to return to one of the other job
41 titles in a job family in which he/she has worked during the eight (8)-

1 year period described above, providing he/she worked in that job title
2 or family for ninety (90) or more consecutive calendar days within or
3 immediately prior to such eight (8)-year period, and has greater
4 seniority than another employee (not a retaineer or steward) in that job
5 title. Reclassifications involving employees and the rights of such
6 employees in connection with surplus procedures will be subject to
7 the Category A rights of others to the extent provided in Section 22.7.
8 An employee who rejects such an offer shall have the right, upon their
9 request, to be reclassified to a job title to which the employee has
10 established downgrade surplus rights described in Section 22.6. Such
11 employee shall be considered an employee accepting a downgrade and
12 shall be eligible for the provisions of Article 6, Section 6.3(d) – Rate
13 Retention and this Article 22. Such employee will not be eligible to
14 file an effective application for Category A for the rejected job.

15 **22.10(d)** Any employee who is laterally reclassified by the Company
16 and is within the following ninety (90) days found by the Company
17 unqualified (for reasons other than not being "physically qualified"), to
18 perform his/her new assignment shall be (1) assigned to other work in
19 the same labor grade or (2) given the opportunity of returning to his/her
20 former job title, providing, as to (2), that he/she worked in the former
21 job title for thirty (30) consecutive days or more within the year
22 preceding the reclassification to the new job and his/her seniority will
23 support his/her return to the former job title. In the event an employee
24 is holding a higher graded job classification but is no longer assigned to
25 work as a lead (as defined by the Rules Governing the Application of
26 Job Descriptions), he/she shall be given the same consideration for
27 lateral transfers accorded to employees in the lower graded job
28 classification of the work being performed.

29 **NOTE:** The foregoing paragraphs Section 22.10(c) and Section
30 22.10(d) will not apply in instances where, following appropriate
31 review, an employee was removed from his/her previous job title due to
32 medical limitations or lack of qualifications.

33 **Section 22.11 Promotional Procedures¹ - Order of Filling Openings.**

34 Selection of employees or individuals for assignment to an open job title
35 shall be made in the following order (except that employees on leaves of
36 absence in excess of thirty (30) days need not be considered for promotion
37 during such leave):

¹See note to Section 22.1(a) and Section 22.1(d), regarding the definition of
"effective application" as applied to promotional procedures.

1 **22.11(a)** Those employees in Category A (in relation to the open job
2 title), in accordance with Section 22.9; then

3 **22.11(b)** Those qualified Category B Employees in seniority order,
4 subject to the provisions of Section 22.1(k); then

5 **22.11(c)** Those identified through the ERT System; then

6 **22.11(d)** Those from any other sources, in any order.

7 Employees are considered releasable for an ERT after they have held their
8 present job for twelve (12) months. Exceptions may be made when deemed
9 to be in the best interests of the employee and the Company.

10 The foregoing procedure, Section 22.11(b), shall apply unless such an
11 employee is considered to be unsuitable because of physical limitations or
12 because the employee does not possess the required program access
13 credentials. Where such employees are considered to be unqualified, a
14 memorandum will be prepared setting forth the reason the employee is
15 unqualified. Two (2) copies of such memorandum will be sent to the site
16 senior Human Resources representative or designee, for transmittal to the
17 Personnel Section. One copy will be filed in the employee's folder. Where
18 an employee is considered to be unqualified for promotion, he/she shall be
19 so notified in writing and shall be considered for promotions to subsequent
20 openings under the same procedures when the factors which caused him/her
21 to be considered as unqualified no longer exist or have no bearing on the

Section 22.13 Promotional Procedures – Effect of Refusing Promotion.

In the event an employee declines to accept a normal line promotion for a location and shift for which he/she has filed an effective application, there will be no requirement that he/she again be considered for that particular location and shift unless the employee refiles an application at any time ninety (90) or more calendar days after he/she declines the promotion.

Section 22.14 Review of Selection of Designated Candidates.

A procedure for reviewing the promotion of a designated candidate is provided in Section 22.15 and the application of such procedure and the right to invoke it are subject to the following rules:

22.14(a) A "request for review" is a claim that a senior Category B employee should have been promoted instead of a designated candidate.

22.14(b) In the case of a request for review:

22.14(b)(1) The request for review shall be limited to the claim that the one making the request (the senior employee) has been aggrieved by the promotion of a designated candidate to the next higher step in the senior employee's normal line of promotion.

1 **22.14(b)(2)** The request for review must be filed within seven (7)
2 workdays after the promotion is published in an appropriate
3 posting area.

4 **22.14(b)(3)** The senior employee must be an employee who is
5 claiming that he/she should have received the particular promotion,
6 rather than the designated candidate and the sole objective of the
7 request shall be to establish that he/she is qualified for the
8 promotion. He/she cannot make more than one (1) request in
9 either of the six (6)-month periods: January-June, inclusive; July-
10 December, inclusive.

11 **22.14(b)(4)** The senior employee must have been on his/her
12 present job for a period of not less than six (6) months immediately
13 prior to the request. Such an employee who goes on the inactive
14 payroll or on layoff shall become eligible to file a request for
15 review upon his/her return to the active payroll provided he/she
16 meets the other qualifications.

17 **22.14(b)(5)** Where more than one (1) request is addressed to or
18 based on the same promotion of a designated candidate, in
19 accordance with Subparagraph 22.14(b)(1), above, only one (1)
20 request will be permitted and that request will be on behalf of the
21 most senior employee among those filing such a request. The
22 other requests shall be deemed withdrawn.

23 **22.14(b)(6)** An applicant to an opening which opening is away
24 from his/her Primary or Remote Location is not eligible to file a
25 request for review.

26 **Section 22.15 Rules for Resolving Requests for Reviews.**

27 Requests for reviews that meet the requirements of Section 22.14 will be
28 subject to the following rules and review procedures:

29 **22.15(a)** A request for review may be submitted to the Union Relations
30 Office, or a representative thereof, either by the employee or by a
31 business representative on the employee's behalf.

32 **22.15(b)** The request must be in writing and contain the employee's
33 name, current organization and identification number; the pertinent
34 facts relating to the promotion in question; and a statement of the
35 reasons and facts which show that the senior employee is qualified.

36 **22.15(c)** The Union shall make a thorough investigation of the grounds
37 for the request for review in order to determine whether, in the Union's
38 view, there is adequate and reasonable basis for proceeding with the
39 requested review.

1 **22.15(d)** If, after such investigation, the Union determines the request
2 to be one warranting further processing, and if no agreement can be
3 reached between the Company and the Union as to a disposition of the
4 matter prior to submitting it to the Review Board, then the matter shall
5 be referred to the Review Board not later than ten (10) workdays after
6 the filing of the request for review.

7 **22.15(e)** There shall be a Review Board or Review Boards to hear and
8 determine requests for review at various Company locations. At
9 Primary Locations, the Review Board(s) will meet at least once a
10 month; a Review Board at a Remote Location will meet as necessary,
11 but no later than thirty (30) days after a request for review is filed.

12 **22.15(f)** Each Review Board shall consist of three (3) members: one
13 (1) appointed by the Union, one (1) appointed by the Company, and a
14 chairperson whose selection shall alternate between the Union and the
15 Company for each review.

16 **22.15(g)** The Board members shall be familiar with the types of work
17 involved, but to the extent practicable, such Board members shall be
18 from a different work area or organization. Neither the selecting
19 supervisor nor the senior employee shall be members of the Review
20 Board hearing his/her case, but they may be required to give testimony.

21 **22.15(h)** The Union Relations Office, or a representative thereof, shall
22 establish the time and location of meetings of the Review Board and
23 shall notify the Union of such schedule at least five (5) workdays in
24 advance. At least twenty-four (24) hours before the meeting, the
25 Review Board will be given the request for review, the work history
26 and training records and employment application of the senior
27 employee, and other information pertinent to the selection. The senior
28 employee shall be notified of the meeting, and he/she may attend and
29 testify, or submit additional written information, if he/she wishes to.

30 **22.15(i)** Each meeting of a Review Board shall be held during working
31 hours. The Company will pay the wages of its committee member, the
32 senior employee whose case is being reviewed, and the wages of the
33 Union-appointed member of the Board if he/she is an employee on the
34 active payroll. However, such Union-appointed member will only
35 receive such wages while serving on his/her assigned shift.

36 **22.15(j)** The decisions rendered by each Review Board shall be based
37 exclusively on evidence, testimony and information submitted to the
38 Board prior to and at the meeting, and the burden of proof shall be upon
39 the senior employee to establish that he/she is qualified.

1 **22.15(k)** The Company and the Union will cooperate in instructing
2 Board members to deal with each request for review fairly and
3 objectively, and without Company or Union bias.

4 **22.15(l)** At the conclusion of the meeting, each member of the Board
5 must cast a vote by secret ballot. No ballot shall be signed or otherwise
6 identifiable.

7 **22.15(m)** In the event the Board sustains a request for review, the
8 senior employee will be promoted within five (5) workdays or when
9 he/she is assigned to the higher labor grade, whichever occurs first.

10 **22.15(n)** The Company may continue to effect any adjustments in
11 personnel irrespective of pending requests for review.

12 **22.15(o)** Processing of a request for review pursuant to and in
13 accordance with Section 22.14 and this Section 22.15 shall be final and
14 binding and neither the request nor the promotion to which it relates
15 shall be subject to any other or further grievance procedure or
16 challenge.

17 **Section 22.16 Special Provisions in Regard to Remote Locations.**

18 The terms, conditions and limitations of this Article 22 shall apply to
19 employees permanently assigned to any Remote Location except that:

20 **22.16(a)** Transfers to and from such Remote Locations shall be on a
21 voluntary basis to the job offered to the employee in either instance.

22 **22.16(b)** There shall be no requirement that Primary Location
23 employees be transferred, promoted, demoted or recalled from layoff to
24 a Remote Location or that Remote Location employees be transferred,
25 promoted, demoted or recalled from layoff to a Primary Location or to
26 another Remote Location, except as noted in Section 22.16(c), below.
27 However, such employees may make application for consideration at
28 other than their assigned location.

29 **22.16(c)** If it becomes necessary to reduce the number of employees
30 working within job titles to which employees at a Remote Location are
31 assigned, the following shall apply:

32 **22.16(c)(1)** Reduction in the work force at a Primary Location
33 may be made without affecting employees assigned to any Remote
34 Location.

35 **22.16(c)(2)** Reductions in work force may be made at a particular
36 Remote Location without affecting employees working at a
37 Primary Location or any other Remote Location.

38 **22.16(c)(3)** An employee who is transferred to a Remote Location
39 from a Primary Location, and is subsequently subject, as a result of

1 surplus, to a layoff or downgrading, to a labor grade lower than
2 that labor grade to which he/she was assigned at the Primary
3 Location immediately prior to the transfer, may (subject to the
4 Category A rights of others to the extent provided in Section 22.7)
5 elect to return to the Primary Location to the labor grade to which
6 he/she was assigned immediately prior to the transfer.

7 **Section 22.17 Special Provisions in Regard to Employees on Travel**

8 **Assignments.**

9 The terms and limitations of this Article 22 shall apply to employees who
10 are being compensated for living or travel expense as provided in Article 12
11 of this Agreement or those employees who are specifically assigned to an
12 organization preparatory for such assignment or otherwise designated for
13 such assignment, except that:

14 **22.17(a)** There shall be no requirement that other employees be
15 transferred, promoted, demoted or recalled from layoff to fill job
16 openings occurring in such special assignment, or that employees on
17 such assignments be transferred, promoted or demoted as a result of job
18 openings or surplus in other locations except as noted in Section
19 22.17(b) below. However, such employees may make application for
20 consideration at other than their assigned location.

21 **22.17(b)** Where an employee is on a travel assignment and is subject
22 to layoff or downgrading from a job title to which he/she is assigned
23 while on such travel assignment to a labor grade lower than the labor
24 grade to which he/she was most recently assigned prior to the travel
25 assignment: He/she may elect to be returned to the original location, in
26 which case his/her placement shall, subject to Section 22.7, be
27 determined in the following order: (1) any job title offered by the
28 Company in a labor grade not less than the labor grade he/she held
29 immediately prior to the travel assignment; (2) the job title held
30 immediately prior to the travel assignment; (3) any other job title
31 offered by the Company which he/she accepts; (4) layoff.

32 **22.17(c)** An employee on travel assignment, who completes such
33 assignment, will be returned to the job title held preceding the travel
34 assignment unless surplus action that developed during the travel
35 assignment resulted in the surplus of senior employees who have an
36 effective application for Category A.

37 **Section 22.18 Miscellaneous.**

38 Other miscellaneous provisions of this Article 22, relating to workforce
39 administration, are as follows:

40 **22.18(a)** Transfer into or out of unit.

1 **22.18(a)(1)** The Company may transfer or promote employees
2 from any collective bargaining unit covered by this Agreement to
3 the management (supervisory) payroll.

4 **22.18(a)(2)** The Company may transfer or demote non-bargaining
5 unit employees (except those returning from the active
6 management payroll) who have accumulated seniority under
7 Section 14.1, to any collective bargaining unit covered by this
8 Agreement only to job titles they have previously held within any
9 such unit. Such transfers or demotions may be made subject to the
10 preferential rights of Category A employees to the extent provided
11 in Section 22.7.

12 **22.18(a)(3)** An employee returning from the active management
13 (supervisory) payroll of the Company, and who is accumulating
14 seniority or who has accumulated seniority in accordance with
15 Section 14.1(b) will be returned to the job last held (if populated)
16 or another job of the same labor grade or any lower grade.

17 **22.18(b)** Subject to the terms and conditions of this Agreement, and to
18 the extent not covered by such terms and conditions, the procedures
19 and rules relating to employees shall be determined by the Company.

20 **22.18(c)** As to an employee selected for a job opening on the basis of a
21 Category A effective application who fails to respond to a recall or who
22 declines to accept such an opening:

23 **22.18(c)(1)** If he/she is on layoff, he/she will lose seniority unless
24 Subparagraph 22.18(c)(3) or Subparagraph 22.18(c)(4) applies.

25 **22.18(c)(2)** If he/she is on the active payroll and he/she declines
26 for any reason to accept such an opening, his/her effective
27 application as it relates to that job title will be considered cancelled
28 but the employee may refile after a period of ninety (90) calendar
29 days.

30 **22.18(c)(3)** If he/she is on layoff and, after interview, he/she
31 declines to accept such an opening due to his/her valid assertion of
32 his/her inability to perform the particular work assignment, his/her
33 Category A effective application for that job title shall not be
34 effective until he/she refiles an application for his/her Category A
35 eligibility. The Union will be notified of all valid assertions.

36 **22.18(c)(4)** If he/she is on layoff and is advised by the Company
37 that the job identified with the opening is estimated to be for less
38 than ninety (90) calendar days duration, the employee may reject
39 such offer and maintain, irrespective of the actual duration of the
40 job, his/her Category A effective application for that job title.
41 His/Her application shall not be effective for the following thirty

(30)-day period for other openings estimated to be for less than ninety (90) calendar days' duration.

22.18(d) Where an individual has been selected to fill an opening due to his/her status as a Category A but is surplus from the job title (including those treated as a completion of a temporary promotion) prior to the completion of thirty (30) calendar days, such surplus date will be deemed to be the last date he/she held such job title for the purpose of Section 22.9.

22.18(e) An employee who has taken a disability retirement, or who has been demoted or laid off due to a medical recommendation, and whose medical condition subsequently improves sufficiently to allow him/her to perform the required work, shall be (1) returned to his/her former job title provided he/she returns within six (6) years of the date he/she last worked in that job title, or (2) returned to a job title, subject to the employee's medical recommendation, for which he/she has established surplus rights in Article 22. The foregoing will apply provided work is being performed in such job title and provided further that his/her seniority entitles him/her to such placement when compared to the seniority of employees (other than retainees or stewards) in such job title. If his/her seniority is not sufficient to return him/her to his/her job title, he/she will be granted Category A status subject to the provisions of Section 22.1. His/Her Category A status will commence on the date he/she would have been subject to surplus action or the date on which his/her medical condition is sufficiently improved to allow him/her to perform the required work, whichever occurs first.

22.18(f) Whenever practicable, affected employees will be given at least twenty-four (24) hours notice prior to layoff.

ARTICLE 23

LAYOFF BENEFITS

Section 23.1 Establishment of Plan.

The Company will establish a Layoff Benefit Plan to provide for lump sum or income continuation benefits as set forth in this Article. Such Plan will apply to employees who are laid off with an effective date on or after September 4, 2008.

Section 23.2 Eligibility.

All bargaining unit employees who have at least one (1) year of Company service and who are involuntarily laid off from the Company (other than a temporary layoff under Section 22.8, but including employees laid off because of declining a downgrade offer as allowed under Section 22.6) are eligible to receive the benefit described in Section 23.3; provided, however, the following employees shall not be eligible for the benefit: employees

1 who upon their layoff become employed by a subsidiary or affiliate of the
2 Company; employees who are laid off from the Company because of a
3 merger, sale or similar transfer of assets and are offered employment with
4 the new employer; employees who are laid off because of an act of God,
5 natural disaster or national emergency; employees who are laid off because
6 of a strike, picketing of the Company's premises, work stoppage or any
7 similar action which would interrupt or interfere with any operation of the
8 Company; and employees who terminate employment for any reason other
9 than layoff, including, but not limited to, resignation, dismissal, retirement,
10 death, or leave of absence.

11 **Section 23.3 Amount and Payment of Benefit.**

12 An eligible employee's total lump sum or income continuation benefit shall
13 equal one (1) week of pay (i.e. forty (40) hours at the employee's base rate
14 plus cost of living adjustment in effect on the date of layoff, but excluding
15 any shift differentials or other premiums) for each full year of Company
16 service as of the employee's layoff date, subject to a maximum benefit of
17 twenty-six (26) weeks of pay. Eligible employees may elect either of the
18 following:

19 **23.3(a)** Benefits will be paid as a lump sum following the effective
20 date of layoff. Employees who elect this option will have all seniority
21 under Article 14 and all recall rights under Article 22 canceled.

22 **23.3(a)(i)** Income continuation benefits will be paid in eighty
23 (80)-hour increments, subject to an employee's total benefit, on
24 regular paydays beginning with the second payday following the
25 effective date of layoff. Income continuation benefits shall
26 immediately cease upon the earlier of any of the following events:
27 exhaustion of the employee's total income continuation benefit; re-
28 employment with the Company or any of its subsidiaries or
29 affiliates; failure to respond with his/her acceptance within seven
30 (7) regular workdays after dispatch by certified mail of a notice of
31 recall from layoff; failure to report to work on the date designated
32 by the Company; or change in the employee's employment status
33 from layoff to resignation, dismissal, retirement, death, or leave of
34 absence. Employees who elect this option will retain seniority as
35 described in Article 14 and will retain recall rights as described in
36 Article 22.

37 **23.3(a)(ii)** Subject to continuation of the Plan, no employee shall
38 be paid income continuation benefits more than once during any
39 three (3)-year period; provided, however, if an employee is re-
40 employed by the Company before payment of the employee's total
41 income continuation benefit and is subsequently laid off in such
42 three (3)-year period under conditions which make the employee

1 eligible for a benefit, any unused benefit will be payable to the
2 employee under the procedures established by this Article.

3 **Section 23.4 Benefit Not Applicable for Other Purposes.**

4 Periods for which an employee receives income continuation benefits shall
5 not be considered as compensation or service under any employee benefit
6 plan or program and shall not be counted toward Company service.
7 Benefits under this Article may not be deferred into the Voluntary
8 Investment Plan and shall be excluded from bargaining unit gross earnings
9 for purposes of Letter of Understanding No. 34 of this Agreement.

10 **Section 23.5 Continuation of Medical Coverage.**

11 In the event of layoff, medical coverage for employees and dependents will
12 continue until the employee is covered by any other group medical plan
13 either as an employee or as a dependent, but in no event beyond six (6)
14 months after the date of layoff. However, if the layoff occurs during or after
15 a leave of absence, the maximum total period of continued coverage is
16 thirty (30) months in the case of medical leave or twenty-four (24) months
17 in the case of non-medical leave, measured from the end of the month in
18 which the leave of absence began, irrespective of the date of termination.
19 Required contributions, if any, must be paid during any period of such
20 continuation of coverage.

21 **ARTICLE 24**
22 **DURATION**

23 This Agreement, as modified and extended in January 2014, shall become
24 effective as of the beginning of first shift on November 2, 2008 (which date
25 is the date as of which this Agreement was executed, sometimes referred to
26 as the "effective date of this Agreement") and shall remain in full force and
27 effect until midnight at the close of September 12, 2024, and shall
28 automatically be renewed for consecutive periods of one (1) year thereafter
29 (after September 12, 2024), unless either party shall notify the other in
30 writing, at least sixty (60) days but not more than seventy-five (75) days
31 prior to September 12th of any calendar year, beginning with 2024, of its
32 desire to terminate the Agreement, in which event this Agreement shall
33 terminate at midnight at the close of such September 12th, unless renewed
34 or extended by mutual written agreement. In the case of such notice the
35 parties agree to meet immediately thereafter for the purpose of negotiating a
36 new Agreement or a written renewal of this Agreement.

37 The Company and the Union agree and commit that for the term of the
38 Agreement they will, on the day of the third, sixth, and ninth anniversary of
39 the modification of this Agreement, or such other date as either party
40 requests, mutually sign and execute a written amendment to this
41 Agreement, which expressly reaffirms the terms and conditions of this
42 Agreement.

On behalf of the collective bargaining unit for which, respectively, the undersigned is the certified collective bargaining agent, each of the undersigned as of the date stated above and as a party to the foregoing Agreement hereby accepts and agrees to the terms and conditions thereof.

3 The following rules shall govern the application and interpret the intent of
4 job descriptions and will be followed when job descriptions are revised or
5 added:

- 6 1. The Determining Duties and Responsibilities are those elements of the
7 job which distinguish it from higher or lower-graded work.
8 Performance of Associated or Incidental Duties and Responsibilities
9 alone is not sufficient to determine a classification. It is intended that
10 such associated or incidental duties shall not be distinguishing elements
11 or determinants of a level of difficulty but are stated either for
12 descriptive purposes or because they are integral and necessary parts of
13 the job.
- 14 2. When an employee is temporarily assigned to work falling in a higher
15 labor grade than his/her regular job, he/she shall be paid at the higher
16 rate for each day or major fraction (more than one-half) thereof that
17 he/she remains so assigned. This rule is not intended to permit regular
18 assignment for less than a major fraction of a day to a higher-graded
19 job without payment for that job.
- 20 3. When paragraphs under Determining Duties and Responsibilities are
21 numbered 1, 2, 3, etc., each paragraph is considered an alternative
22 requirement.
- 23 4. An employee normally will perform some of the work of higher-rated
24 jobs and some of the work of lower-rated jobs in the performance of
25 his/her work assignment. The normal duties of any employee may
26 include:
 - 27 a. Assistance to others, including demonstration of work to be
28 performed and explanation of work area procedures. This does not
29 imply that the employee providing the assistance is responsible for
30 the quantity or quality of work of the employee being assisted.
 - 31 b. The use of proper hand and power tools and special shop
32 equipment required to facilitate the work assignment.
 - 33 c. The submission of his/her completed work assignment or any
34 portion thereof to inspection.
 - 35 d. The reporting of any job handicaps such as errors in materials,
36 assembly procedures, tools, etc., in accordance with shop
37 procedure outlined by supervisor.

- 1 5. Work assignments shall be in accordance with established job
2 descriptions. This shall not restrict the right of the Company to alter
3 work functions or to formulate new job procedures and begin work
4 thereon in accordance with Article 13 - Labor Grades - Identification
5 and Application Of. The Company shall have the right to make work
6 assignments and require the employees to comply with such
7 assignments. This shall not prevent the employees and/or the Union
8 from processing complaints or grievances arising from alleged
9 misassignments in accordance with Section 13.14 of the Agreement.
- 10 6. An employee is required to perform the work operations and duties
11 described in or appraised as being covered by his/her job description
12 with only a normal amount of guidance.
- 13 7. Webster's New International Dictionary, Third Edition Unabridged, by
14 G. & C. Merriam Company and the Glossary of Terms and Phrases will
15 be used to establish the meaning of words and phrases used in the job
16 description.

17 **GLOSSARY OF TERMS AND PHRASES**

18 The following terms and words are given definition and meaning to clearly
19 indicate the common and consistent interpretation to be placed on them by
20 all persons using the job descriptions.

21 **1. Adapt**

22 To modify, alter or change furnished tooling to fit it for a specific need
23 without altering its basic design.

24 **2. Angle, Compound**

25 The angle between the two (2) non-coinciding sides of the two (2)
26 oblique angles which are in different planes and have a vertex and one
27 side in common. (Making a compound angle usually presents a
28 coordinating tolerance problem since it results from holding two (2)
29 adjoining component angles within tolerances. After the compound
30 angle is formed, its measurement with protractor, square or sine bar is
31 exactly the same as for any other angle and no more difficult.)

32 **3. Assembly Jigs**

33 Jigs which facilitate holding and aligning a set of parts or assemblies
34 for fabrication or assembly operations.

35 **4. Check, Functional**

36 To determine whether a unit or portion of a system performs the
37 function for which it is intended and, if not, whether rework or
38 alteration is required. Checks of this nature include checking lines for
39 leaks, making buzzer, bell or other continuity checks, and checking
40 response to controls as on landing gear.

1 **5. Check, Operational**

2 To make a complete check of an entire completed independent system.
3 (An operational check always takes place on a completely assembled
4 aircraft, missile, space vehicle or marine craft. Examples: checking
5 the complete electrical system or hydraulic control system on a
6 completed aircraft. It implies the necessity of a thorough knowledge of
7 the shop theory involved.)

8 **6. Composites**

9 Parts made of two (2) or more distinguishable material components
10 either metal and/or nonmetal processed under heat and/or pressure to
11 achieve a desired configuration.

12 **7. Contour (Curvature)**

13 A curved surface having radii of different lengths all of which lie in
14 parallel planes or the same plane, such planes being perpendicular to
15 the curved surface, or a curved line having radii of different lengths all
16 of which are in the same plane. The surface of a cone, a typical airfoil
17 surface, the curved edge of a profiled plate and the curved layout line
18 guiding the making of a router block are examples. Contour surfaces
19 composed of sections of cylinders and edges whose profile is a section
20 of a circle are excluded since the radii are the same length.

21 **8. Contour, Compound (Curvature)**

22 A curved surface having radii of different lengths which lie in
23 nonparallel planes. Compound curvatures are typical of stretch press
24 and drop hammer dies. The surface of a sphere or section thereon
25 would be a regular compound curvature and is excluded.

26 **9. Curvature, Reverse (Contour)**

27 Means a compound curvature that reverses its curvature so that it has
28 both concave and convex portions.

29 **10. Coordinated Tolerances, Coordinated Dimensions**

30 These expressions are used only when exacting tolerances are implied,
31 i.e., exacting tolerances are to be associated always with "coordinated
32 dimensions," "coordinated tolerances" unless modified expressly. It
33 should be understood that the mere location of a point by two (2) or
34 more reference dimensions does not in itself mean that the dimensions
35 themselves are coordinated. The following is an example of truly
36 coordinated dimensions: The precise dimensions between two (2)
37 holes must be held while at the same time the precise dimensions
38 locating each of the holes must also be held with respect to another
39 reference point or line.

40 **11. Data Input**

41 The use of any terminal or keyboard device to insert information into a
42 computer system.

12. Data Retrieval

The use of any terminal or keyboard device to obtain information from a computer system.

13. Developmental or Experimental Parts

Parts intended for use on an experimental or developmental aircraft, missile, space vehicle or marine craft, i.e., one of a few aircraft designated as being actually or potentially subject to major modification or change. These aircraft, missiles, space vehicles, or marine craft are usually produced singly or in small lots using standard tooling, improvised tooling, newly constructed production tooling or no tooling. Use of this term in a job description does not imply a particular level of difficulty unless such intention is clearly and specifically indicated.

14. Draw, Deep

The relation of depth of draw to its other dimensions is such that it is distinguished by custom from moderate or shallow draw.

15. Drawing Metal

The forming of sheet metal or other material by pressing it into a die while at the same time retarding movement of the metal into the die by mechanical holding, as with draw rings.

16. Electronic Systems

Systems utilizing interrelated devices constructed or working by the methods or principles of electronics.

17. Experimental Work, Developmental Work

Experimenting with the process or operation (assembly and/or fabrication) in order to develop new or improved methods, or building or making new assemblies and installations where exercise of a thorough knowledge of shop theory involved is necessary and further is a recognizably difficult assignment which requires ingenuity to accomplish the assignment satisfactorily. It does not include work done by a usual or established process or operation on a part even when such part is on or will later be used on an experimental or prototype product.

18. Hand Tools

Hand tools normally used by the workmen in the performance of their occupation, such as files, rasps, deburring tools, chisels, saws, hand drills, screwdrivers, wrenches, mallets and punches.

19. Layout

The actual marking of locating and reference points and lines on the material, part, tool, fixture, jig or assembly worked on. (Layout in itself does not imply a high level of difficulty of skill since it can be a

1 simple work operation such as measuring a length on a piece of lumber
2 and marking a line or point at which it is to be sawed, marking lines on
3 pavement with a chalk line preparatory to painting, or scribing around a
4 furnished template on flat stock. On the other hand, layout can be a
5 difficult work operation which requires much skill, knowledge, and
6 experience to make the necessary computations, part setup, precise
7 measurements and markings, and interpretation of complex blueprints
8 such as on a complex die or casting requiring layout to establish
9 locations for coordinated hole patterns, compound angles and/or
10 irregular curvatures.)

11 **20. Layout of Part**

12 Marking of points and lines which will determine the exact nature and
13 dimensions of the part after machining or fabrication operations have
14 been performed. (Layout of this nature is an integral and necessary
15 step in the fabrication of the part.)

16 **21. Lead**

17 On the part of any classified employee to delegate as authorized, a
18 portion of his/her allocated work to employees assigned to work with
19 him/her and pass on sufficient information to enable those employees
20 to accomplish their work in a manner that will result in economy,
21 quality and efficiency.

22 Employees classified on jobs which include lead responsibilities will:

- 23 (a) Make detailed work allocations as instructed by the supervisor, in
24 conformance with the classifications of employees being led, but
25 will not make basic work assignments which affect the
26 classification of employees.
- 27 (b) Be responsible for furnishing sufficient and accurate information to
28 assigned employees.
- 29 (c) Interpret information, answer questions, review, check work and
30 eliminate ordinary difficulties.
- 31 (d) Perform the other "Determining Duties and Responsibilities"
32 specified in assigned classification.

33 Employees classified on jobs which include lead responsibilities shall
34 not formally appraise the work of other employees or make, as a result
35 of solicitation by the supervisor, recommendations concerning
36 employment, release, transfer, upgrading or disciplinary action relative
37 to other employees, be directly responsible for the quantity or quality of
38 work produced by other employees, be responsible for the assignment
39 of overtime within the shop, be required to take attendance for other
40 than the purpose of making detailed work allocations, or be responsible
41 for handing out paychecks.

1 **22. Multi-Dimensional Measurement Systems**

2 Measurement systems capable of generating precision coordinate data
3 through the use of multi-dimensional techniques. These systems
4 typically utilize optics, lasers, film based or digital technologies.
5 Examples of current systems include, but are not limited, to laser
6 trackers, coordinate measuring machines, photogrammetry and
7 theodolites.

8 **23. Pickup**

9 The performance, out of usual or normal sequence, of work operations
10 which have been omitted by intention or of necessity (as part shortage
11 or rushed schedule) or by oversight (as failure to drill a hole, make a
12 cutout, or install a part). (Pickup work does not of itself establish a
13 high or higher level of difficulty since work done out of sequence is
14 very often no more difficult than when done in sequence. Therefore,
15 the level of difficulty is to be determined from the composite job
16 description and compared with the actual pickup work in question.)

17 **24. Plan Sequence of Operations**

18 To devise and develop, subject to supervisory approval, a method of
19 fabrication, assembly, installation progression, testing or inspecting,
20 etc., for an employee's given work assignment whereby subject work
21 will be accomplished in the most practical, expedient and efficient
22 manner in keeping with quality standards. It is intended to relate solely
23 to the employee's work operation and does not encompass the
24 progression of the work order to or through the department.

25 **25. Production Aids**

26 Devices such as temporary jigs and fixtures made by the worker to
27 facilitate work operations, increase production or reduce elements of
28 fatigue or strain. Production aids made into permanent tools will be
29 checked and identified by tooling organizations.

30 **26. Program**

31 A sequence of instructions that directs a computer to perform specific
32 operations to achieve a desired result.

33 **27. Repair**

34 To restore a part or assembly to its original state or utility after it has
35 been damaged by accident or by wear. It does not have the same
36 meaning as "Rework."

37 **28. Rework**

38 To undo and then do over work previously accomplished in order to
39 correct errors or make it conform to specifications. (Rework can be
40 simple or difficult according to its nature and variety, therefore, the
41 level of difficulty intended is to be determined from the composite job
42 description.)

1 **29. Setup**

2 A broad term which becomes specific only according to its usage and
3 application to machines and/or operations concerned. It includes the
4 various necessary physical work operations or steps (other than layout)
5 which must be accomplished before actual fabrication can proceed.
6 (Setup of a machine might include securing material to machine bed at
7 the proper angle for cutting, selecting, aligning and setting cutting tool
8 setting speeds and feeds, and adjusting coolant flow.) In most
9 assembly operations, setup (e.g., positioning parts) is so closely
10 intermingled with fitting and joining together that setup is not
11 customarily designated as such. This is generally true of operations
12 where machine operation is not the primary job factor.

13 **30. Shop Practice**

14 The generally accepted method of performing a basic, common, or
15 usual operation under specific conditions. It covers the knowledge
16 which is common to the occupation itself and to most manufacturing
17 shops using the operation under consideration. Besides the knowledge
18 and ability to use required hand tools and equipment, it includes
19 knowledge of general safety practices, conduct, rules of cleanliness,
20 neatness, good housekeeping and care of equipment. Used in the
21 phrase "shop practices and procedure," practice need not imply other
22 than practices or methods learned or acquired at any one shop.

23 **31. Shop Procedure**

24 The way custom and management require, wish or specify that the
25 work be performed. It includes the organizational and Company rules,
26 procedures and policies made known to the employee for his/her
27 information and expected compliance. It covers or implies having
28 sufficient knowledge of organization, management, and physical details
29 of the Company to perform satisfactorily the required work in a
30 generally harmonious manner.

31 **32. Shop Theory**

32 The comprehensive craft knowledge and special skills associated with
33 the particular trade and related trades without which advanced work of
34 high quality, quantity and uniformity may not be performed. A
35 thorough knowledge of shop theory is considered necessary to
36 accomplish the more difficult and diversified work of an occupation
37 and includes a real understanding of the capacities as well as limitations
38 of the machines and skills used in the trade. It implies a knowledge of
39 "why" as well as "how" a given task should be done. It is acquired by a
40 combination of observation, experience and schooling.

1 **33. Software**

2 A collection of programs, routines, and sub-routines that facilitate the
3 programming and operation of a computer to include documentation
4 and operational procedures.

5 **34. Tooling, Standard**

6 Those tools or tooling used on the same or different types of machines
7 or operations, principally in making a setup for either layout or
8 machining and occasionally for bench or assembly work and which
9 further are found commonly in nearly all shops and industries
10 performing similar operations. (In the machine shop it would include
11 Vee-blocks, parallel bars, angle plates, chucks, collets, machine vises, a
12 wide variety of clamps, bolts, locks and wedges. In bench or assembly
13 work it would include surface plates, table vises, and various common
14 attachments used on portable and stationary tools to permit holding the
15 work or increasing the scope of the tool.)

1 **LETTER OF UNDERSTANDING NO. 2**

2 **SUBJECT: FACILITIES MAINTENANCE SUBCONTRACTING**

3 The Company and the Union have undertaken a joint review of
4 subcontracting practices in the Facilities Maintenance and General
5 Construction organizations at the Primary Locations covered by this
6 Agreement. It has been determined that managing the unique subcontracting
7 aspects of those organizations, including the cost effectiveness of
8 subcontracting practices, can be improved by regularly reviewing
9 subcontracting decisions, including work packages being subcontracted and
10 let out to bid. Accordingly, the parties agree to develop a process to review
11 subcontracting decisions at each Primary Location in order to determine
12 whether work packages can be completed by hourly Facilities Maintenance
13 and General Construction employees within budgeted costs and schedules.
14 As part of this joint effort, the parties commit to furthering a work
15 environment that creates operational effectiveness, continuous
16 improvement, and competitiveness.

17 The Company will conduct a quarterly review with the Union to share
18 status on the previous quarter's activities and to discuss opportunities to
19 improve the joint review process.

20 In addition, the Company agrees that employees in Facilities Maintenance
21 and General Construction organization as of January 3, 2014, will not be
22 laid off as a direct result of Facilities Maintenance or General Construction
23 subcontracting. This restriction does not apply in the event of a merger,
24 sale, transfer, or other disposition of a plant or facility or operating unit
25 thereof, or to temporary subcontracting necessary because of required
26 equipment overhaul or repair, labor disruptions, or events beyond the
27 control of the Company (acts of God, natural disasters, equipment failure,
28 major accidents, etc.). In lieu of layoff, employees will be retrained and
29 reassigned for available work outside the Facilities Maintenance and
30 General Construction organization.

31 The Company may continue to subcontract Facilities Maintenance and
32 General Construction work to be performed on Company property by
33 outside workers provided that such work is of a type and character as has
34 been so subcontracted in the past.

35 Disputes involving alleged violations of this Letter of Understanding shall
36 be subject to the grievance and arbitration procedure provided for in Article
37 19 of this Agreement.

SUBJECT: UNION INTERVIEW OF NEW EMPLOYEES

It is recognized by the Company that the Union has an interest and responsibility in explaining the function of the Union in a collective bargaining relationship and the advantages of membership in the Union. The Union is also aware and has agreed that solicitation of membership cannot be conducted during working time due to the interference and disruption that could result in working schedules. To accommodate both viewpoints and assure that an ample opportunity exists for the Union to explain their role in the bargaining relationship while preserving minimal interference in the Company's working schedule the following procedure will be utilized:

1. At an appropriate time following the Company interview, all individuals employed into the IAM bargaining unit will be directed to an IAM&AW representative who is present in the Employment Office.
2. The following message will be used by the Company representative to introduce the IAM&AW representative:
"The Union representative wishes to explain their designation as your bargaining agent, your opportunity for membership, and the payroll deduction of dues for members."
3. The Union representative will advise the employees that membership in the IAM&AW is voluntary and not a required condition of employment.
4. Both the Company and the Union agree to cooperate in the implementation and administration of this procedure. Neither party will interfere, restrain or coerce employees and both parties agree to use good judgment in all words and actions during this procedure.
5. The Union agrees to minimal interference with the new employee employment processing and the Company agrees to refrain from any actions or statements which could adversely reflect upon the Union.
6. The Union agrees to pay their representative's time allotted by this procedure and to have sufficient representatives present during normal working hours.
7. With the implementation of the procedure for the interview of new employees it is agreed that any existing or contemplated arrangements for permitting the Union to explain membership to applicants or hires is no longer valid and will be cancelled.

2 **SUBJECT: EMPLOYEES ON OVERSEAS ASSIGNMENT**

3 Employees on overseas assignment who perform production work will
4 continue to accumulate seniority during such period of assignment without
5 regard to their payroll classification while on such assignment. If such an
6 employee, at the time of such assignment, had on file with the Company an
7 effective authorization for Union dues deduction, the Company will
8 continue to make such Union dues deductions during such period, and the
9 Union agrees to save the Company harmless from any claim for damages on
10 the part of any employee so affected.

1 **LETTER OF UNDERSTANDING NO. 5**

2 **SUBJECT: ESTABLISHMENT OF JOBS TO COVER NEW,**
3 **SUBSTANTIALLY CHANGED, OR COMBINED WORK**
4 **FUNCTIONS**

5 The purpose of this Letter is to set forth the procedure to be followed when
6 the Company determines it is necessary to combine jobs or establish a job
7 or jobs to describe new or substantially changed work functions in
8 accordance with the provisions of Article 13 of the Collective Bargaining
9 Agreement of this date.

- 10 1. Company representatives identified with the appropriate unit (as
11 defined in Section 1.1 of the Agreement) will prepare job
12 descriptions and discuss such descriptions with Union
13 representatives of the appropriate unit as provided in Section 13.5.
14 In the event it is necessary to assign employees to the new or
15 substantially changed work functions prior to the establishment of
16 the job or jobs, Section 13.6 will apply.
- 17 2. The Company's Corporate Vice President, Compensation will
18 transmit a draft copy of the proposed job or jobs to the Union
19 representative designated by the International Association of
20 Machinists and Aerospace Workers, AFL-CIO, to receive such
21 information.
- 22 3. Following transmittal of the proposed job or jobs to the designated
23 Union representative, the job or jobs will be established by written
24 notification from a Company representative to a Union
25 representative identified with the unit where the job or jobs are to
26 be established.
- 27 4. Union inquiries or grievances as provided for in Article 13 will be
28 received and processed by Company and Union representatives
29 identified with the particular collective bargaining unit defined in
30 Section 1.1 of the Agreement in which the job or jobs have been
31 established.
- 32 5. The Company agrees to train affected employees to perform any
33 newly defined tasks when it is determined training is needed.
34 Preference will be given to senior employees when possible.

1 **LETTER OF UNDERSTANDING NO. 6**

2 **SUBJECT: NEGOTIATED JOB TITLE CHANGES**

3 Following are provisions mutually agreed to by the Company and the Union
4 with respect to employees affected by negotiated job title changes:

5 A. *An employee's retention and Category A status will be applicable to
6 the new classification if:

- 7 1. There is a change in job code number or title change only, or
8 2. A job title is deleted or depopulated and employees are reclassified
9 to a newly established job title.
10 3. The job title is upgraded and combined with an existing job title.
11 4. The job title is deleted or depopulated and employees are
12 reclassified laterally to an existing job title for the purpose of
13 combination of said job titles.

14 B. An employee's retention status will be applicable to the new
15 classification if a job title is retained and some employees are
16 reclassified to a newly established job title.

17 Reclassifications made in accordance with the foregoing will not be
18 subject to other Bargaining Agreement provisions relating to
19 reclassifications.

20 *If a job title is deleted or depopulated and employees are reclassified to
21 more than one (1) new classification in different labor grades, Category A
22 rights will apply to the job title in the lower labor grade.

1 **LETTER OF UNDERSTANDING NO. 7**

2 **SUBJECT: JOINT COMPANY-UNION ALCOHOL AND**
3 **DRUG DEPENDENCY PROGRAM**

4 The Company and the Union establish the following Joint Company-Union
5 Alcohol and Drug Dependency Program, relating to an employee's
6 voluntary entry into treatment in lieu of termination for attendance or
7 performance, when deemed appropriate by the Company:

8 **A.** The following are basic essentials for an effective alcohol and drug
9 dependency program:

- 10 1. Participation in the Program by an individual employee must be
11 voluntary and will be kept confidential to preserve the employee's
12 privacy.
- 13 2. Effectiveness of the Program is directly dependent upon the degree
14 to which the employee affirmatively seeks such voluntary
15 participation.
- 16 3. The Program is by its nature a progressive undertaking, and failure
17 of an employee to participate in an earlier stage may eliminate the
18 employee from subsequent stages.
- 19 4. The Company's right to discipline an employee for unsatisfactory
20 performance or attendance is not diminished or modified in any
21 way by the fact that the employee may have an alcohol or drug
22 problem. However, while discipline for other Company Rule
23 violations shall not be affected by this Program, disciplinary action
24 for unsatisfactory performance or attendance may be held in
25 abeyance during the employee's cooperative participation in the
26 Program, provided no further performance or attendance problems
27 occur.

28 **B.** The Program is divided into the following stages:

- 29 1. Identification.
- 30 2. Evaluation.
- 31 3. Treatment.
- 32 4. Return to work.

33 **C.** Identification.

- 34 1. Identification of an employee as having an alcohol or drug problem
35 which interferes with job performance or attendance can occur in
36 several ways:
 - 37 a. The individual employee acknowledges the problem and so
38 advises a Company or Union representative.
 - 39 b. Company management or Union representatives become
40 aware of the employee's performance or attendance problems

- 1 and have some reason to believe the problems are alcohol or
2 drug related.
- 3 2. At this stage, a brief counseling session attended by the employee,
4 his/her supervisor and, if agreeable to the employee, his/her
5 personnel representative and Union representative, should be
6 arranged and the following items covered: (If the employee so
7 desires, a separate, private counseling session with his/her Union
8 representative can be utilized as an alternative to the Union
9 representative's participation in the supervisor's counseling session
10 with the employee.)
- 11 a. The Program shall be clearly explained to the employee.
12 b. The facts that participation is purely voluntary and will be
13 kept confidential should be emphasized.
14 c. It should be stressed that the extent of the employee's alcohol
15 or drug problem, if any, has not yet been determined.
16 d. The employee should be advised that normal disciplinary
17 action appropriate for his/her job performance or attendance
18 problems may be held in abeyance so long as he/she
19 cooperatively participates in the Program, provided no further
20 performance or attendance problems occur.
21 e. The session will conclude by advising the employee that, if
22 agreeable, an appointment will be arranged with the Company
23 Employee Assistance Program for a professional evaluation
24 of the problem.

25 **D. Evaluation.**

- 26 1. Because alcohol and drug problems vary considerably (their causes
27 are innumerable, they may be temporary or of long duration, they
28 may be acute or chronic, they may or may not involve serious
29 physical deterioration), it is imperative that the scope of the
30 employee's problem must be medically evaluated at the outset.
- 31 2. At the appointment with the Company Employee Assistance
32 Program, the employee will be advised that:
- 33 a. The results of the evaluation will be retained by the Employee
34 Assistance Program and by any outside medical evaluator, and
35 will be provided to the employee and, if agreeable to him/her,
36 to the Union.
- 37 b. If the evaluation concludes that the employee does not have a
38 significant alcohol or drug problem requiring further
39 treatment, no further participation in the Program is required.
- 40 c. If the evaluation concludes that the employee has an alcohol
41 or drug problem requiring treatment, such treatment by an
42 outside organization or medical expert from a list agreed upon

- 1 by the Company and the Union will be arranged by the
2 Company Employee Assistance Program.
- 3 d. The employee's participation in such treatment is voluntary.
4 However, if the employee refuses such treatment, or fails to
5 cooperate in its successful completion, any disciplinary action
6 for his/her job performance or attendance problems which has
7 been held in abeyance may be taken.
- 8 **E. Treatment.**
- 9 1. When the Evaluation Report indicates that treatment is necessary
10 and the employee agrees in writing to participate, the Company's
11 Employee Assistance Program will arrange with the employee and
12 the selected treatment agency a schedule for treatment.
- 13 2. If necessary for treatment, the employee will arrange for a medical
14 leave of absence via Total Access for the period of the treatment.
- 15 3. If the employee continues to work during treatment, he/she will be
16 subject to normal rules of conduct and performance.
- 17 **F. Return to Work.**
- 18 1. If a leave of absence is required for the treatment of the employee's
19 alcohol or drug related condition, the employee's return to work
20 must be approved by the Company Employee Assistance Program.
- 21 2. Such approval will depend, in large measure but not exclusively,
22 on the recommendation of the outside treatment agency or expert
23 as to the employee's successful completion of the treatment.
- 24 3. An employee's failure to successfully complete the recommended
25 course of treatment may result in termination of employment
26 unless, in the opinion of the Company Employee Assistance
27 Program, the employee is able to return to work.
- 28 **G.** Costs incurred by the employee for medical evaluation and treatment
29 will be reimbursed under the Company's Group Insurance Program
30 subject to the requirements and limitations of that Program.
- 31 **H.** The Company and the Union are interested in exploring the desirability
32 of organizing a Boeing Chapter of Alcoholics Anonymous comprised
33 of eligible hourly employees who could provide counseling and other
34 essential supporting services to employees participating in this
35 Program.

12 accordance with applicable Company policy.

13 The Union may designate, from among the employees on an assignment

22 will be granted leave with pay for any unworked portion of their assigned
23 shift which falls within this twelve (12)-hour period provided they report for
24 work at the applicable time so described in this provision. Exception to the
25 above provision will be in the case where the twelve (12)-hour period
26 extends beyond the end of the employee's regularly scheduled lunch period,

28 be paid for the entire shift.

29 Employees on travel assignments for which time enroute exceeds eight (8)

33 continuous hours, a minimum of twelve (12) hours rest will be provided
34 prior to beginning work whenever possible within customer required
35 schedules.

36 Employees returning from travel assignment on other than the assigned
37 return date, as requested by the employee, will be compensated at the
38 assigned return date rate.

2 **SUBJECT: CORPORATE JOBS**

3 The Company shall establish and maintain Corporate job codes for all job
4 classifications covered by the parties' Collective Bargaining Agreement of
5 this date. The Corporate job codes shall be used in the Puget Sound,
6 Wichita and Portland Units represented by the IAM. A Job List - Existing
7 Jobs will be prepared, effective September 4, 2008 showing the Corporate
8 job code and title for each job classification and will indicate the jobs that
9 are authorized as of that date for use in each of the respective units.

10 The Job List will also show the corresponding Wichita code for each job
11 authorized as of that date for use in that unit. The Wichita job code will be
12 used for all employee transactions, records, and reports in that unit. The
13 Corporate job code will be shown in the upper right hand area of Wichita
14 job descriptions and the corresponding Wichita job code will be shown in
15 the lower right hand area of Wichita job descriptions.

16 It is understood that, as a result of the Company's sole right to organize
17 work and determine job duties, work may be organized so that between
18 units similar work functions and activities will be designated by different
19 titles and descriptions.

20 It is also understood that the Company in organizing a new work activity,
21 may install in a particular unit those Corporate jobs, authorized for another
22 unit, that describe the work to be performed.

1 **LETTER OF UNDERSTANDING NO. 10**

2 **SUBJECT: CORPORATE JOBS COMMITTEE**

3 **The purpose of this Letter is to define the objectives of the joint**
4 **Union/Company Corporate Jobs Committee.**

- 5 1. The Corporate Jobs Committee shall consist of not more than six (6)
6 representatives appointed in writing by the Union's Corporate
7 Coordinator and not more than six (6) representatives appointed in
8 writing by the Company's Vice President of Union Relations. This
9 Committee may be comprised of representatives from the Puget
10 Sound, Wichita, and Portland Primary Locations. The Union and the
11 Company will each appoint a chair of its group. Recognizing that
12 recommendations by the Committee can have a significant impact on
13 the job classification structure throughout all Primary Locations, it is
14 expected that appointed members of the Committee are to participate
15 fully in all Committee activities as defined by the respective chairs.
- 16 2. The Committee shall, as determined jointly by its chairs, study the job
17 classification system established by Article 13 of the parties'
18 Collective Bargaining Agreement in order to maintain the integrity of
19 the system and to develop and implement plans for change that will
20 provide job enhancement, employment security and productivity
21 improvements. Such activities may include but are not limited to:
- 22 • Developing innovative job structure proposals.
- 23 • Deactivating zero or minimally populated jobs.
- 24 • Combining jobs by placing similar work in similar job
25 classifications.
- 26 • Developing new jobs and revisions to existing jobs to accurately
27 reflect organization of tasks.
- 28 • Establishing like classifications and titles for all locations
29 covered by the Agreement where work responsibilities are the
30 same.
- 31 3. If a Committee member is required to visit a Primary Location to
32 fulfill a Corporate Jobs Committee commitment, the appropriate
33 Committee members shall be notified and participate as appropriate in
34 any business involving that visit.
- 35 4. The Committee shall report to the Union and the Company on the job
36 classification system, together with the suggestions of the Committee
37 members for changes thereto. The results of the Committee's work

1 will be available to the Union and the Company to facilitate future
2 negotiations.

- 3 5. The chairs may, from time to time, jointly recommend the adoption by
4 the Union and the Company of changes in the job classification
5 system. Such recommendations, however, shall be wholly advisory
6 and shall not reopen the Collective Bargaining Agreement or affect
7 Article 2 thereof.

- 8 6. To create a proper environment for the Committee's work, the
9 Committee's proceedings shall not be used as the basis for, nor as
10 evidence in, any proceedings under Article 19 of the parties'
11 Collective Bargaining Agreement.

- 12 7. The Committee shall function through the life of the Bargaining
13 Agreement.

- 14 8. The Union and the Company chairs will establish the Committee
15 meeting locations, schedules, and procedures. The Union and the
16 Company shall bear the expenses of their respective Committee
17 members and shall share equally in all other costs incurred by the
18 Committee.

1 **LETTER OF UNDERSTANDING NO. 11**

2 **SUBJECT: OVERTIME**

3 It is understood that the authority of the Company to require overtime work,
4 established by Section 6.10 of the Collective Bargaining Agreement, is
5 necessary for business planning and meeting operational objectives. The
6 parties recognize, however, that the exercise of this authority may affect
7 employee productivity.

8 Accordingly, the Company and the Union agree, subject to the exceptions
9 noted below, that the authority conferred by Section 6.10 of the Agreement
10 shall hereinafter be limited as follows. No employee shall be required, and
11 need not be permitted, to work overtime in excess of the following limits:

12 **Quarterly Limit**

- 13 • The limit shall be one hundred twenty-eight (128) overtime hours
14 in any budget quarter;

15 **Weekend Limit**

- 16 • The limit shall be two (2) consecutive weekends;
17 • Employees who have worked two (2) consecutive weekends may
18 volunteer to work overtime on the following weekend;
19 • Overtime work on either a Saturday and a Sunday, or on a
20 Saturday or a Sunday, shall constitute a weekend worked;
21 • The limit for overtime on a Saturday or a Sunday shall be eight (8)
22 hours.

23 **Holidays**

- 24 • All overtime on a holiday as set forth in Section 7.1 of the parties'
25 Collective Bargaining Agreement or on the weekend which
26 immediately precedes a Monday holiday or immediately follows a
27 Friday holiday shall be voluntary.

28 All overtime in excess of the above limits shall be strictly on a voluntary
29 basis and no employee shall suffer retribution for his/her refusal or failure
30 to volunteer. An employee may be required to perform overtime work
31 beyond the above limits where necessary for delivery of an airplane which
32 is on the field, for customer-requested emergency repair of delivered
33 products, or for Government DX or Government DO rated orders. In
34 addition, an employee may be required to perform overtime on a holiday or
35 on the weekend which immediately precedes a Monday holiday or
36 immediately follows a Friday holiday where necessary for facilities
37 maintenance.

1 **LETTER OF UNDERSTANDING NO. 12**

2 **SUBJECT: MEANING OF SECTION 19.3 OF COLLECTIVE**
3 **BARGAINING AGREEMENT**

4 The Union and the Company have agreed in Section 19.3 of the Collective
5 Bargaining Agreement that any dismissal or suspension of an employee
6 who has committed a sex crime victimizing a child or children shall be
7 deemed to be for cause and shall not be subject to the grievance and
8 arbitration procedure of Article 19. This Agreement is based on both
9 parties' recognition of (1) the growing awareness and abhorrence in our
10 society of crimes victimizing children, and (2) the deleterious effect the
11 presence in the work force of perpetrators of such crimes would have on the
12 efficiency and morale of employees of the Company and on the reputation
13 of the Company and its products.

14 The Union and the Company further agree as follows:

- 15 1. For purposes of Section 19.3 of the Collective Bargaining Agreement
16 and this Letter of Understanding, the term "sex crime victimizing a
17 child or children" includes rape, sexual assault, statutory rape, incest,
18 child molestation, child pornography, public indecency, indecent
19 exposure, indecent liberties, communications with a minor for immoral
20 purposes, promoting prostitution, and similar crimes as defined in the
21 jurisdiction in which the offense is committed, where the victim of said
22 crime(s) is under the age of 18 years at the time of the commission of
23 the crime(s). An employee shall be considered to have committed such
24 a crime if the employee is convicted of the crime, or if the employee
25 enters a special supervision program pursuant to a deferred prosecution
26 arrangement relating to the crime.
- 27 2. The provision of Section 19.3 of the Collective Bargaining Agreement
28 referred to herein and this Letter of Understanding shall not be deemed
29 to define "cause" or to affect Article 19 in any other respect
30 whatsoever, and shall not be introduced or relied upon in any
31 arbitration or other proceeding involving the parties which does not
32 deal with the suspension or dismissal of an employee who has
33 committed a sex crime victimizing a child or children.

2 **SUBJECT: TIME LIMITS IN SECTION 19.3**

3 The parties agree that the seven (7)-workday time limit for filing of a
4 written grievance in the case of dismissals or suspensions shall be
5 interpreted as follows:

- 6 1. If the Union's Business Representative, within seven (7) workdays from
7 the date of the suspension or dismissal, calls the Company's Union
8 Relations office to request to review the employee's folder, the
9 Business Representative shall have seven (7) workdays after he reviews
10 the folder in which to file a written grievance.
- 11 2. If no written grievance is filed during the additional seven (7)-workday
12 period specified in paragraph 1, the matter is closed, provided,
13 however, that if the Business Representative, within the additional
14 seven (7)-workday period, informs Union Relations that he/she has
15 decided not to file a grievance, the matter will remain open for fourteen
16 (14) more workdays to allow the employee to appeal the Business
17 Representative's decision. If the employee does not appeal, the matter
18 is closed. If the employee does not appeal, but no written grievance is
19 filed within the additional fourteen (14)-workday period, the matter is
20 closed.

1 **LETTER OF UNDERSTANDING NO. 15**

2 **SUBJECT: JOINT COMMITTEE ON HEALTH CARE**
3 **COSTS AND QUALITY**

4 The Company and the Union are committed to ensuring that employees
5 have access to cost effective, quality health care coverage. Because of their
6 ongoing concern about the quality of health care and costs, the parties agree
7 to a Joint Committee on Health Care Costs and Quality. The Committee
8 will have an equal number of representatives, including a co-chair, from
9 each party. When appropriate, health care experts and representatives from
10 the Company's health plans will be invited to attend Committee meetings.
11 Each party may have their benefits consultants and advisors attend
12 Committee meetings. The Committee will meet at least twice each year to
13 discuss issues related to the health care program. The Committee also will
14 meet with health care providers to express the parties' interest in obtaining
15 quality health care at affordable prices. Among the topics that the parties
16 will consider and discuss are:

- 17 • Costs under the Company's medical plans.
- 18 • Overall plan design.
- 19 • Efficient use of health care resources by consumers.
- 20 • Cost management programs to address specific cost areas,
21 including:
 - 22 • Disease management of selected high-cost chronic diseases.
 - 23 • Targeted health risk assessment.
 - 24 • Catastrophic case management.
 - 25 • Pharmaceutical management.
- 26 • Measurement tools for evaluating health plans' and providers'
27 efficiency, including but not limited to programs of the National
28 Academy of Sciences and National Quality Forum as well as
29 accreditation from nationally recognized groups such as the
30 National Committee for Quality Assurance (NCQA) or the
31 Foundation for Accountability (FACCT).
- 32 • Benchmark data from other employers.
- 33 • Opportunities to work with other employers, unions or other
34 parties interested in obtaining quality health care at affordable
35 prices.

36 The Company and the Union also will undertake initiatives to expand health
37 care plan accountability for quality and efficiency. Among these initiatives
38 will be:

- 1 • Provider performance reporting on quality and efficiency to
2 encourage use of the highest quality providers, including those who
3 meet the highest patient safety standards.
- 4 • Joint Company and Union meetings with health care plan
5 administrators to understand their criteria for identifying high
6 performance providers and to strongly recommend and offer
7 advisory information in support of the development of high
8 performance provider networks.
- 9 • Provider programs focused on specific high-yield quality
10 innovations shown to substantially improve patient safety.
- 11 • Computerized physician order entry. Physicians will be required to
12 enter prescriptions into a hospital database to screen for
13 inappropriate medications and dosages and avoid potential adverse
14 drug reactions/interactions.
- 15 • Evidence-based hospital referral. Physicians will be required,
16 where practical, to guide patients to facilities with superior
17 outcomes (linked to significantly lower patient mortality).
- 18 • ICU physician staffing. Where available, physicians who are
19 critical care specialists will provide ICU care.

20 To encourage plan participants to use the highest quality health care
21 available, it is the intent that the Company will provide education to
22 employees regarding the effectiveness of physicians, hospitals and other
23 health care providers as it becomes available.

24 The Company and the Union are committed through these and other
25 initiatives to improve quality and maintain reasonable costs, and they will
26 recognize and endorse contracting decisions with physicians, hospitals and
27 health plans based on compliance with these joint initiatives.

1 **LETTER OF UNDERSTANDING NO. 16**

2 **SUBJECT: SECTION 6.10(b) OF COLLECTIVE**
3 **BARGAINING AGREEMENT**

4 The Company and the Union agree that Section 6.10(b) of their Collective
5 Bargaining Agreement shall be administered as follows:

- 6 1. With respect to Subparagraph 6.10(b)(1), the Company's practice is to
7 seek volunteers for the advance scheduling of overtime within the shop
8 and shift. However, the parties agree that an exception may be made
9 for certain assignments where the employee regularly assigned to either
10 the job, crew or position is the appropriate individual to perform the
11 work of the overtime call-out. Therefore, the parties agree that in order
12 to ensure that the employee regularly assigned to either the job, crew or
13 position is designated to work the overtime pursuant to Subparagraph
14 6.10(b)(1)(a) only when he/she is the appropriate individual, such
15 designation may be made only if it is approved by the Director or
16 his/her delegate, the delegate being at least one (1) level above the
17 employee's immediate supervisor.
- 18 2. With respect to Subparagraph 6.10(b)(2)(f) the parties agree that the
19 reference to deficient schedule performance or work quality being
20 "currently documented" shall mean a Corrective Action Memo. In
21 order to be used under Subparagraph 6.10(b)(2)(f), a Corrective Action
22 Memo must state the period, not to exceed ninety (90) days, it will
23 remain in effect and may serve as a basis for exclusion from overtime
24 consideration only during that period.
- 25 3. The Company will provide notification of designated weekend
26 overtime no later than the first rest break on Friday. When emergent
27 situations arise following first rest break, notification of such overtime
28 will be provided as soon as possible.

1 **LETTER OF UNDERSTANDING 17**

2 **SUBJECT: MODIFIED IN-LINE PROMOTION FOR CERTAIN**
3 **JOB TITLES**

4 The parties agree that career growth and promotional opportunities for
5 qualified employees will benefit both the Company and employees. The
6 parties acknowledge that in some job titles, the Category B process set forth
7 in Section 22.1(b) of this Agreement does not consistently result in the
8 promotion of employees who possess the technical skills and expertise to be
9 successful in the open job in the normal line of promotion.

10 Accordingly, the parties agree that with respect to the job titles listed below,
11 the parties will jointly develop minimum qualifications/requirements that
12 employees in the job family must meet prior to filing an effective
13 application to the personnel section for the open job title and designated
14 shift, pursuant to Section 22.1(b)(2). The provisions of Sections 22.1(b)(1),
15 22.1(b)(3), and 22.1(b)(4) will continue to apply. The minimum
16 qualifications/requirements for each job title will be jointly established
17 within one year of contract ratification.

18 Once a candidate in the job family meets the minimum
19 qualifications/requirements, the candidate may submit his or her request for
20 an upgrade. When the next job opening occurs, the senior candidate who
21 has met the minimum qualifications/requirement will be selected. In some
22 cases, upon meeting the minimum qualifications/requirements, the
23 promotion may be immediate.

24 Job Titles Subject to this Letter of Understanding

25 Facilities Crafts:

26 811XX Plumber Maintenance,
27 895XX Machine Repair Mechanic,
28 C20/861 Electrician Maintenance

29 The parties will meet on a quarterly basis to discuss whether additional job
30 titles should be added to, or removed from, this Letter of Understanding
31 during the term of this Agreement. Additional job titles shall only be added
32 to this Letter of Understanding by mutual agreement of both parties.

33 For all job titles subject to this Letter of Understanding, the Company will
34 not select normal line of promotion designated candidates under Section
35 22.1(k).

1 **LETTER OF UNDERSTANDING NO. 18**

2 **SUBJECT: EXPENDITURE OF FUNDS UNDER**
3 **ARTICLE 16 AND ARTICLE 20**

4 The parties agree that the Company will provide the necessary funding in
5 support of IAM/Boeing Joint Programs (Joint Programs) activities which
6 include the IAM/Boeing Health & Safety Institute (HSI), the IAM/Boeing
7 Quality Through Training Program (QTTP), and other activities approved
8 by the IAM/Boeing Joint Programs National Governing Board (Governing
9 Board). The following sets forth the practices which will be followed:

- 10 1. The Company will provide in each year fourteen (14) cents for
11 each bargaining unit compensated hour, but not less than fourteen
12 (14) million dollars per year. In addition, the Company will
13 provide funding for the QTTP Education Assistance (EA) Program
14 up to four (4) million dollars per year. EA funds not spent in one
15 calendar year will not carry over to the next year.
- 16 2. The annual funding amounts for Joint Programs shall be
17 determined each September 2 and shall be based on the number of
18 bargaining unit compensated hours in the preceding period of
19 September 2 to September 1. Amounts not spent in one annual
20 period shall carry over to the next year, but not beyond the

1 **LETTER OF UNDERSTANDING NO. 20**

2 **Subject: NC/CNC/ADAPTIVE COMPUTER SYSTEMS**
3 **AND COMPUTER AIDED WORK STATIONS**

4 The Company and Union agree to the identification and clarification of the
5 below terms and descriptions as applicable to all Corporate Jobs as
6 identified in Article 13 of the parties' Collective Bargaining Agreement:

- 7 **A.** 1. Numerically Controlled/Computer Numerically Controlled
8 (NC/CNC) or other adaptive computer system machine controls
9 are synonymous and will be used as such in all existing job
10 classifications, and shall be incorporated as such into all existing
11 and future job classifications as appropriate.
- 12 2. Operators may make adjustments to existing machine control
13 programs similar and in comparable technical complexity as those
14 required to manually provide machine instruction such that
15 machines optimally perform the identified machine tasks.
- 16 3. Such tasks as described above will not be used or considered as
17 justification for grade adjustment but are inclusive of current grade
18 level identification.
- 19 **B.** Computer aided/assisted work stations such as those using PC's,
20 computer terminals linked to main frame systems, CATIA or any
21 and/or all subsequent integrated computer assisted technology systems,

24 level, but are considered tools and devices assisting the individual to
25 accomplish assigned tasks. The actual duties and tasks accomplished

27 guides and representative jobs will be the basis for grade designation as
28 identified in Article 13 as applied in the Collective Bargaining

1 **LETTER OF UNDERSTANDING NO. 21**

2 **SUBJECT: NON-TRADITIONAL WORK SCHEDULES**

3 The parties recognize that the efficient use of facilities and machinery is an
4 integral part of the Company's competitiveness and that the Company's
5 competitive position is essential to the employment security of its
6 employees. The parties further recognize that a normal work schedule of
7 eight (8)-hours-a-day five (5)-days-a-week is not always conducive to the
8 efficient use of facilities and machinery. Accordingly, the parties agree
9 they will consider implementing non-traditional work schedules where they
10 deem it appropriate.

11 While the parties recognize that the details of non-traditional work
12 schedules will have to be discussed on a case-by-case basis, and that no
13 such schedules will be implemented except upon mutual agreement by the
14 parties, the following guidelines will apply:

- 15 1. The workweek and shift times set forth in Article 5 of the parties'
16 Collective Bargaining Agreement will be adjusted to accommodate
17 the non-traditional work schedule.
- 18 2. The phrase "assigned shift" will be substituted for "eight (8) hours"
19 wherever it appears in the parties' Collective Bargaining
20 Agreement.
- 21 3. Employees who work on their third consecutive day of rest will be
22 paid overtime on the same basis as their first day of rest.
- 23 4. For those calendar weeks encompassing any of the holidays
24 observed by the Company, employees assigned to non-traditional
25 work schedules will be converted for that week to a normal work
26 schedule.

1 **LETTER OF UNDERSTANDING NO. 22**

2 **SUBJECT: PART-TIME WORK SCHEDULES**

3 As a means of extending their commitment to employment stabilization, the
4 parties have agreed to explore alternate work schedules which could serve
5 the purposes of potentially reducing the number of layoffs and responding
6 to the needs of individual employees. One of these alternate work
7 schedules is a "part-time work schedule" which, for purposes of this Letter
8 of Understanding, shall mean a fixed weekly work schedule which is less
9 than the regular forty (40)-hour week. No minimum or maximum number
10 of hours will be required, but fixed days (other than Saturdays or Sundays)
11 and hours of work must be established. This Letter of Understanding is
12 strictly limited to those part-time work schedules which are voluntary by an
13 employee.

14 Participation in a voluntary part-time work schedule is subject to
15 management approval which shall be effective for a minimum of ninety
16 (90) days. In the event that more employees in a particular job
17 classification in a shop volunteer than can be accommodated, selections will
18 be made on the basis of seniority. Employees on part-time work schedules
19 covered by this Letter of Understanding will be subject to all provisions of
20 the parties' Collective Bargaining Agreement, except as follows:

21 **1. Holidays**

22 Employees are eligible for holiday pay if they are scheduled to
23 work twenty (20) or more hours in a seven (7)-day cycle or forty
24 (40) or more hours in a fourteen (14)-day cycle. Payment will be
25 four (4) hours of holiday pay for each Company holiday,
26 regardless of calendar day or hours scheduled on the respective
27 holiday. Employees required to work on a holiday will receive
28 double their regular rate for the time worked in addition to any
29 holiday pay to which they are entitled.

30 **2. Overtime**

31 For the first ten (10) hours worked in excess of forty (40) hours in
32 a workweek, the employee will receive one and one-half times the
33 base rate; for hours worked in excess of fifty (50) hours in a
34 workweek, the employee will receive double the base rate. No
35 overtime will be paid when less than forty (40) hours have been
36 worked during the workweek. Notwithstanding any provision in
37 the parties' Collective Bargaining Agreement, employees on part-
38 time work schedules will not be asked, or permitted, to work on a
39 Saturday or a Sunday unless all other employees in the same
40 classification in that shop have been offered the opportunity to
41 perform the work.

1 **3. Other Pay Practices**

2 Employees are eligible for jury duty and witness service pay if
3 they are scheduled to work twenty (20) or more hours in a seven
4 (7)-day cycle or forty (40) or more hours in a fourteen (14)-day
5 cycle. Payment will be four (4) hours for each day served,
6 regardless of calendar day or hours scheduled on each day served.
7 For purposes of bereavement leave and report time, the phrase
8 "assigned shift" will be substituted for "eight (8) hours."
9 Employees on third shift who are approved for part-time work
10 schedules will be reassigned to second shift.

11 **4. Group Benefits**

12 Employees on part-time work schedules will be offered an
13 insurance package consisting of the Traditional Medical Plan and
14 Incentive Dental Plan. All normal Plan provisions will apply.
15 Premiums will be paid by the Company on a pro-rated basis, as
16 determined by scheduled weekly hours as follows:

Pro-Rated Schedule Medical and Dental Coverage	
1-19 hours	Not Eligible for Group Insurance
20-32 hours	70% Paid by Company
33 or more hours	100% Paid by Company

18 Employees eligible for group insurance may either pay the balance
19 of the premium by payroll deduction or decline coverage entirely.

20 This Letter of Understanding may be cancelled by either party by giving
21 written notice to the other upon each six (6)-month anniversary of its
22 execution.

1 **LETTER OF UNDERSTANDING NO. 23**

2 **SUBJECT: FACTORY SERVICE ATTENDANTS**
3 **RATE STRUCTURE REVISION**

4 The Company and the Union agree to the continued inclusion of the 8820A
5 job classification as part of the approved Corporate job codes. As agreed in
6 the 1995 Collective Bargaining Agreement this job will replace the existing
7 88201 and 88202 factory service attendant classifications. The Labor Grade
8 “A” will have a minimum rate of \$11.00 per hour with a maximum rate of
9 \$18.04 per hour. The Labor Grade “A” will only be applicable to the
10 8820A classification. All provisions of Article 6 of the parties’ current
11 Collective Bargaining Agreement (“this Agreement”) will apply to
12 employees in this classification who are not at the rate maximum. For those
13 employees who are at the maximum rate any general wage increases
14 provided for in Subparagraph 6.3(b)(1) will be paid as lump sums
15 equivalent to the agreed upon general wage increase percentage. The lump
16 sums will be paid as a percentage of bargaining unit gross earnings.
17 Bargaining unit gross earnings are defined as that portion of an employee’s
18 total earnings while in the bargaining unit which is computed at the
19 employee’s base rate plus cost of living adjustment rate, shift differential
20 rate, and non-regular workweek premium rate, as applicable, on regular and
21 overtime hours worked, overtime bonus hours, third shift bonus hours, team
22 leader premium, sick leave hours (including those paid from FSP funds),
23 vacation hours, holiday hours, report time hours and leave with pay hours.
24 All other payments to an employee, imputed or otherwise, are excluded
25 from the definition of bargaining unit gross earnings. The rate range
26 maximums will be adjusted in accordance with Section 6.4 of this
27 Agreement, if applicable.

28 The 8820A classification applies only to newly hired employees and those
29 individuals placed in this classification through any means other than the
30 exercise of contractual rights provided by Article 22 of the Agreement.
31 This job may not be populated while there are employees with Category A
32 rights to the 88201 and 88202 job classifications.

33 Labor Grade "A" is not covered in the classification guides for labor grades
34 one through eleven, but is to be assigned as stated in this Letter of
35 Understanding.

2 **SUBJECT: CHILD DEVELOPMENT PROGRAM**

3 The Company is developing people strategies to support individuals in the
4 workforce and retain valuable employees with the end goal to make the
5 Company more competitive. These strategies recognize that employee
6 concerns about child care can affect an individual's productivity and work
7 focus. To support these strategies, the Company has implemented a Child
8 Development Program to build on other Company programs which support
9 employees and their families.

10 As one element of the Program, the Company has, in coordination with the
11 Union, established two (2) near-site day care centers (Everett and Renton).
12 The day care centers are operated by a third party with fees charged to
13 participating employees geared at an operations break even level.

14 Additional components of the Company's Child Development Program
15 include providing leadership to help improve the quality and availability of
16 child care in communities where employees live and enhancing child care
17 referral services through the existing Child and Elder Care referral program.
18 Consideration will be given to adding other elements, such as collaboration
19 by the referral program with day care providers and parents on evaluation of
20 facilities and day care curriculum, assistance in extended/alternate hours,
21 and assistance dealing with specific day care needs.

8 assistance program named Education Assistance. This jointly administered
9 program provides easy access to financial aid to IAM bargaining unit
10 employees pursuing additional education.

11 The Company has implemented a financial assistance program named
12 Learning Together. This program is similar in scope to Education
13 Assistance, but provides restricted stock awards not available to Education
14 Assistance participants, and unlike Education Assistance has no fund
15 limitations. In addition, Learning Together is made available to all Boeing
16 employees.

17 In the spirit of joint cooperation, the Union and the Company agree to the
18 following:

27 borne by Learning Together.
- 28 • IAM participants who complete doctorate, masters, bachelors,
29 and/or two-year associate degrees will be awarded restricted stock

5 payroll on September 3, 2008 (including a leave of absence of ninety (90)
6 days or less) or (b) approved military leave of absence on September 3,
7 2008 pursuant to Section 6.6(b), even if such military leave of absence is
8 longer than ninety (90) days. The lump sum payment will be the greater of

10 August 31, 2007, through September 4, 2008, less applicable withholding,
11 or (b) \$5000, less applicable withholding. The lump sum payment will be
12 paid within thirty (30) days of ratification of the Agreement. Bargaining

14 total earnings while in the bargaining unit which is computed at the
15 employee's base rate plus cost of living adjustment rate, military pay
16 differential, shift differential rate, team leader premium and non-regular
17 workweek premium rate, as applicable, on regular and overtime hours
18 worked, overtime bonus hours, third shift bonus hours, sick leave hours,
19 vacation hours, holiday hours, report time hours and leave with pay hours.
20 All other payments to an employee, imputed or otherwise, including this
21 payment, are excluded from bargaining unit gross earnings for purposes of
22 computing the lump sum payment.

23 For employees covered by this Agreement and on (a) the active payroll on
24 September 4, 2009 (including a leave of absence of ninety (90) days or less)
25 or (b) approved military leave of absence on September 4, 2009 pursuant to
26 Section 6.6(b), even if such military leave of absence is longer than ninety
27 (90) days, the Company agrees to pay a lump sum payment of \$1500, less
28 applicable withholding by December 1, 2009 (the "2009 Lump Sum
29 Payment").

30 For employees covered by this Agreement and on (a) the active payroll on
31 September 3, 2010 (including a leave of absence of ninety (90) days or less)
32 or (b) approved military leave of absence on September 3, 2010 pursuant to
33 Section 6.6(b), even if such military leave of absence is longer than ninety
34 (90) days, the Company agrees to pay a lump sum payment of \$1500, less
35 applicable withholding by December 1, 2010 (the "2010 Lump Sum
36 Payment").

37 The 2009 Lump Sum Payment and the 2010 Lump Sum Payment may be
38 diverted into the Voluntary Investment Plan without any employer matching
39 contribution, at the employee's election and pursuant to procedures

1 established by the Plan Administrator or it's Delegate or Agent established
2 for making such election. Any diversion of these lump sum payments shall
3 be subject to all limitations on employee contributions set forth in the
4 Voluntary Investment Plan, the Code and applicable Regulations.

5 The Company agrees to pay a lump sum payment of \$5,000, less applicable
6 withholding, to employees who are covered by the Collective Bargaining
7 Agreement and on (a) the active payroll on December 7, 2011, (including a
8 leave of absence of ninety (90) days or less); or (b) approved military leave
9 of absence pursuant to Section 6.6(b) of the Collective Bargaining
10 Agreement on December 7, 2011, even if such military leave of absence is
11 longer than ninety (90) days. The lump sum payment will be paid within
12 thirty (30) days of December 7, 2011.

13 The Company agrees to pay a lump sum payment of \$10,000, less
14 applicable withholding, to employees who are covered by the Collective
15 Bargaining Agreement and on (a) the active payroll on January 3, 2014,
16 (including a leave of absence of ninety (90) days or less); or (b) approved
17 military leave of absence pursuant to Section 6.6(b) of the Collective
18 Bargaining Agreement on January 3, 2014, even if such military leave of
19 absence is longer than ninety (90) days, however, employees in the Wichita
20 Unit as described in Section 1.1(b) are not eligible for this lump sum
21 payment. The lump sum payment will be paid within thirty (30) days of
22 January 3, 2014.

26 leave of absence of ninety (90) days or less); or (b) approved military leave
27 of absence pursuant to Section 6.6(b) of the Collective Bargaining
28 Agreement on January 3, 2020, even if such military leave of absence is

1 **LETTER OF UNDERSTANDING NO. 35**

2 **SUBJECT: PATIENT SAFETY STANDARDS**

3 Consistent with the Parties' commitment to ensuring that employees have
4 access to cost effective, quality health care coverage as detailed in Letter of
5 Understanding No. 15, the parties agree that the term "patient safety
6 standards", as set forth in Attachment A and Attachment B of the parties'
7 Collective Bargaining Agreement, shall be modified to be defined in its
8 entirety as follows, effective immediately and continuing until the
9 expiration of the Collective Bargaining Agreement.

10 Patient safety standards refer to nationally recognized criteria for making
11 hospital services safer. A hospital meets patient safety standards if it meets
12 established criteria such as those listed below. The hospital must publicly
13 certify upon request that it meets all criteria and the statements pertaining to
14 standards are accurate and reflect normal operating procedures at the
15 hospital. The criteria include:

16 **a. Criteria for Network Hospital Admissions for Complex Procedures**

17 Evidence-based Hospital Referrals: for patients admitted for one of
18 several complex procedures (coronary artery bypass grafts,
19 percutaneous coronary intervention, abdominal aortic aneurysm repair,
20 pancreatic resection, esophagectomy and high risk deliveries), network
21 hospitals must meet experience criteria, consisting of process, volume,
22 and/or outcome measures, for the performance of the specific
23 procedure. If complex procedures as identified by national standards
24 change in the future, the parties agree that they will meet and discuss
25 the changes.

26 **b. Criteria for Other Network Hospital Admissions**

27 For patients admitted for all other procedures or conditions, network
28 hospitals must meet the following standards:

29 **Computerized Physician Order Entry:** Prior to January 1, 2005, the
30 hospital must publicly assure that by January 1, 2005, physicians will
31 enter at least 75 percent of inpatient medication orders via a computer
32 linked to error-prevention software. The software must be capable of
33 alerting physicians to at least 50 percent of common, serious
34 prescribing errors. On and after January 1, 2005, the hospital must
35 publicly assure that it actually fulfills these capabilities.

36 **Intensive Care Unit Staffing:** On and after July 1, 2004, the hospital
37 publicly assures that its adult and/or pediatric intensive care unit is
38 managed or co-managed by critical care specialists who:

- 39 1. Are present during daytime hours and exclusively provide
40 clinical care in the ICU, and

2. At all other times, can return urgent ICU paging calls within five (5) minutes and arrange for a physician or FCCS-certified non-physician specialist to reach ICU patients within five minutes at least 95 percent of the time.

In geographical areas where scientifically rigorous, risk-adjusted outcome comparisons are publicly reported for intensive care unit performance, favorable risk-adjusted outcomes may replace the above criteria for intensive care unit staffing.

1 **LETTER OF UNDERSTANDING NO. 36**

2 **SUBJECT: TEAM LEADER**

3 The parties recognize that certain work groups may benefit from the
4 designation of an employee as a team leader for the purpose of creating and
5 maintaining a team environment and coordinating operational issues. The
6 Company will determine the necessity for, and number of, team leader
7 assignments. The team leader will serve as the leader of all bargaining unit
8 employees in the assigned work group, irrespective of the job classifications
9 of those employees. The selection of a team leader shall not be considered
10 the establishment of a new job for the purposes of Article 13.

11 The selection of an employee for a team leader assignment shall be made in
12 the following manner: Employees who meet the minimum criteria for a
13 team leader assignment will self-nominate for a posted open team leader
14 assignment. Open team leader assignments will be posted for a minimum
15 of five (5) work days. A structured interview will be utilized to select
16 recommended candidate(s). If the posted team leader assignment is filled
17 by the Company, and there are two or more recommended candidates for
18 the assignment, the recommended candidate with the greatest bargaining
19 unit seniority will be selected. The provisions of Article 13 and 22 shall not
20 apply to such selection.

21 Effective September 5, 2008, an employee selected for a team leader
22 assignment shall be paid a premium of \$2.00 per hour above his/her current
23 base rate.

24 Employees assigned as team leaders shall not formally appraise the work of
25 other employees or make, as a result of solicitation by their supervisor,
26 recommendations concerning employment, release, transfer, upgrade, or
27 disciplinary action relative to other employees, be directly responsible for
28 the quantity or quality of work produced by other employees, be responsible
29 for the assignment of overtime within the shop, be required to take
30 attendance for other than purposes of making detailed work allocations, or
31 be responsible for handing out paychecks. When authorized by the
32 Company, a team leader may delegate a portion of his/her allocated work to
33 employees in the team leader's group.

34 Current leads will not lose grade or pay as a direct result of team leader
35 assignments.

36 The parties agree to form a committee, consisting of an equal number of
37 Company and Union Representatives. The committee will review the
38 existing team leader selection process and discuss whether additional
39 training should be provided to bargaining unit employees who seek Team

1 Leader assignments and/or to existing Team Leaders for skill enhancement.
2 The committee will meet for the duration of this Agreement.

3 Nothing in this Letter of Understanding will be subject to the grievance and
4 arbitration procedure in Article 19, with the exception of the seniority-based
5 selection of recommended candidates. Additionally, nothing in this Letter
6 of Understanding will alter or impact the Company's right to select any
7 bargaining unit employee for a temporary team leader assignment for a
8 period of time not to exceed ninety (90) days. The following issues may be
9 appealed by the Union through Step 3 of the grievance procedure set forth
10 in Section 19.2 of the Agreement, but will not be subject to arbitration: (1)
11 the Company's decision to discontinue the assignment of any bargaining
12 unit employee selected for a team leader position; (2) a team leader progress
13 review; and (3) the duration of a temporary team leader assignment.

14 Dated: November 2, 2008
15

1 **LETTER OF UNDERSTANDING NO. 37**

2 **SUBJECT: MATERIALS DELIVERY AND INVENTORY PROCESS**

3 The Company and the Union agree that parts, materials, tools, kits and other
4 goods or products furnished by an internal or external supplier, vendor,
5 contractor, or subcontractor may be delivered or presented to the Company
6 at any location to be designated by the Company, including but not limited
7 to local receiving areas, staging areas, parts control areas, materials and tool
8 storage areas, and/or factory locations where parts or assemblies are
9 installed. Such locations will be staffed, as necessary, with Company
10 employees, including bargaining unit employees in classifications
11 responsible for receiving and distribution, and job functions performed by
12 employees that fall within bargaining unit job description(s) will continue to
13 be performed by such bargaining unit employees.

14 On Commercial Airplane programs other than 787-Everett, internal and
15 external suppliers, vendors, contractors, or subcontractors may, at the
16 Company's request, perform inventory transactions related to goods or
17 products they are delivering or furnishing to the Company, with bargaining
18 unit employees tracking use, disbursement, acquisition, and/or inventory of
19 parts, materials, tools, kits, and other goods or products consistent with
20 bargaining unit job descriptions.

21 The Company's Materials Delivery Group Process Owner will consult with
22 the Union Site Representatives on a monthly basis to discuss activities and
23 issues related to the Materials Delivery and Inventory process and to discuss
24 opportunities to improve the process, including the most efficient use of
25 Boeing employees and resources and the implementation of new
26 technology. Upon the Union's request, the Company will conduct a
27 quarterly review to discuss decisions or issues with the Materials Delivery
28 and Inventory process from the previous quarter's activity.

29 The parties will explore options for retraining or reassigning bargaining unit
30 employees to equal level jobs when bargaining unit employees are impacted
31 by the Company's implementation of process and technology changes. In
32 addition, forklift drivers (419 classification), MPRFs (614 classification),
33 Factory Consumables Handlers (607 classification), Environmental Control
34 Workers (HazMat – 855 classification), and Shipping/Distribution (611
35 classification) as of September 3, 2008 will not be laid off or removed from
36 their job classification and grade as a result of the Materials Delivery and
37 Inventory process.

38 Nothing in this Letter of Understanding will be construed to permit
39 suppliers or vendors to install parts or components on the airplane, unless
40 the vendors or suppliers are correcting errors or performing warranty work.

41 Dated: November 2, 2008

1 **LETTER OF UNDERSTANDING NO. 38**

2 **SUBJECT: SI&A / MSE INFRASTRUCTURE, ROLES**
3 **AND RESPONSIBILITIES**

4 Self-Inspection and Acceptance (SI&A) / Manufacturing Self Examination
5 (MSE) is the process of having the employee who made the product, or
6 performed the task, also check the product or task data, and indicate that the
7 product/task conforms to requirements. This is indicated by having the
8 same employee stamp off his or her work as conforming to requirements.

9 In February, 2001, a joint IAM/Company committee was formed in an
10 effort to facilitate resolution of issues and concerns regarding
11 implementation and maintenance of SI&A programs. The committee's
12 charter was and is to work together to improve the SI&A implementation
13 and maintenance process. As further described below, the committee will
14 remain available as a resource to provide guidance and direction for the Site
15 Representatives as necessary. This committee shall be referred to as the
16 SI&A Leadership Committee.

17 The committee recommended changes to improve SI&A / MSE
18 implementation and maintenance processes. It reviewed currently
19 implemented areas and met with affected employees to establish some of
20 the existing best practices and areas of concerns. This provided the insight
21 to make improvements in several areas. The committee also developed and
22 implemented improvements to our procedures and infrastructure for SI&A /
23 MSE, and identified and documented the type of environment required to
24 foster successful implementation. To accomplish those changes, the
25 committee modified the procedures to provide criteria for implementation
26 readiness evaluation, for monitoring progress to ensure sustainability of the
27 program, and identification of the environmental factors that will lead to
28 successful implementation of SI&A / MSE programs.

29 The primary purpose of this Letter is to define the roles, responsibilities and
30 interaction within the SI&A / MSE infrastructure.

31 **Site Representatives**

32 Each site having implemented or that is in the process of implementing
33 SI&A / MSE will have two (2) Site Representatives, one (1) from the
34 Company and one (1) from the Union, to be appointed by their respective
35 leadership. Additional Site Representatives may be added upon mutual
36 agreement between the Company and the Union. These individuals should
37 be (or be interested in becoming) an SI&A / MSE subject matter expert. It
38 is expected that they will have completed all SI&A / MSE prerequisite
39 courses and have had exposure to SI&A / MSE. They should have
40 excellent conflict resolution and communication skills.

1 The Site Representatives' primary responsibilities are to act as a resource to
2 the employees, management, and area committees; to provide information
3 and perform monitoring activities; to attend meetings and participate as
4 required; and to resolve issues and concerns elevated to them by area
5 committees. They will also help coordinate and participate in area SI&A /
6 MSE overview presentations. They will need to stay informed of SI&A /
7 MSE implementation progress and issues across BCAG & IDS as a
8 network, to identify and spread "best practices" tools, and to encourage
9 communication.

10 The Company will provide a reasonable amount of time for the Site
11 Representatives to perform their required duties. As determined by the
12 SI&A Leadership Committee, training and education requirements will be
13 provided to the Site Representatives.

14 **Area Management**

15 Area management will provide active support for the implementation and
16 maintenance of SI&A / MSE by fostering an environment that encourages
17 engagement and supports the desired culture and values identified as keys
18 for success.

19 **Area Committees**

20 The area committees have the primary responsibility for implementation
21 and ongoing maintenance of SI&A / MSE in a specific shop or work area.
22 The area committees should decide the meeting frequency and include at
23 least the following functional representation: Quality & Manufacturing
24 IAM members and management. Additional participants, such as Quality
25 Engineering and Manufacturing Engineering, will be asked to participate as
26 needed and determined by the Area Committee. The area manager and the
27 Site Representative will work together to select area committee members.
28 The active involvement of each of these team members is critical to success,
29 and adequate time should be allowed to ensure this involvement takes place.
30 The number of committee members should be appropriate to the size and
31 complexity of the implementation work statement. Their responsibility is to
32 work with Quality Engineering in assessment of the suitability of SI&A /
33 MSE for the work area statement.

34 This assessment should include consideration of work content as well as
35 current process capability and control. The area committee must ensure
36 adequate employee involvement and understanding of the SI&A / MSE
37 process. This includes addressing any concerns or issues and elevation of
38 unresolved issues to the Site Representatives for assistance. The area
39 committee will provide input and oversee the initial and ongoing employee
40 training and assessment processes to ensure each individual's skill and
41 knowledge is adequate to perform the SI&A / MSE function and that any
42 knowledge gaps are constructively addressed through additional training.
43 Additionally, they may be involved in the development of training as

required. After implementation of SI&A / MSE, the responsibility of the committee will change from active engagement in the development process to that of monitoring success and resolving concerns. In this role they can suggest improvements and handle questions or concerns by resolving locally or elevating to the Site Representatives for assistance. The area committee will also keep the Site Representatives informed on general implementation progress and ongoing maintenance so that they will be able to identify “best practices” and communicate to the Site Representative network.

Training Programs

IAM/Boeing Joint Programs, may assist in the development of and implementation of education, training and retraining needs to support those organizations implementing SI&A / MSE.

This Letter, together with PRO-1125, Self-Inspection and Acceptance Requirements and BPI-298 Self Inspection and Acceptance, and/or the D950-10306-1 IDS site specific MSE command media, is intended to provide the framework necessary for successful implementation. It is the expectation of this committee that all parties involved in the implementation and maintenance of SI&A / MSE will adhere to the guidelines and principles described in PRO-1125 and BPI-298, and/or the D950-10306-1 IDS site specific MSE command media.

2 **SUBJECT: JOINT COMMITTEE TO STUDY EMPLOYMENT**
3 **STABILIZATION**

4 The Company and the Union are committed to studying the feasibility of
5 mitigating the disruption that results from large hiring and layoff cycles.
6 The parties agree to form a Joint Committee to study employment
7 stabilization. The Committee will have an equal number of representatives,
8 including a co-chair, from each party. The Committee will study
9 approaches that will keep employment levels stable and cost effective
10 during layoff and hiring cycles. The Committee will complete its study
11 within twelve (12) months of the ratification of this Agreement.

12 Any recommendations reached by the Committee will be implemented only
13 upon the mutual agreement of the parties.

14 Nothing in this Letter of Understanding will impact, limit or impair either
15 party's rights under this Agreement.

2 **SUBJECT: JOINT UNION/BOEING COUNCIL**

3 The Company and the Union will meet, on a monthly basis, to review and

5 competition; performance including quality, safety, productivity, schedule
6 and cost; product development and implications to the workforce; work
7 transfer; overtime; and changes in the external environment impacting the
8 Company. In reviewing productivity, the parties will also assess areas such
9 as employee engagement/involvement, the job classification system,

2 **SUBJECT: INCENTIVE PLAN**

3 The parties agree that committing to employee engagement is an element of
4 improving the Company's competitiveness and essential to meeting the
5 objectives and ensuring mutual success. They have agreed to implement an
6 Incentive Plan effective July 1, 2012, that focuses on improvements in
7 productivity, quality and safety. As a foundation to ensuring the needed
8 improvements are made, the Company is committed to creating an
9 environment of high employee engagement and involvement. The
10 Incentive Plan will provide a means by which bargaining unit employees
11 will be financially rewarded if improvement thresholds are met. The Plan
12 will be subject to all necessary approvals and will be administered in
13 accordance with a separate Plan document. If the Incentive Plan is not
14 implemented by July 1, 2012, Eligible Employees will receive a lump sum
15 payment of two (2) percent of Eligible Earnings for the period between July
16 1, 2012, and the date of implementation. If, after implementation, the
17 Incentive Plan is terminated prior to September 8, 2016, Eligible Employees
18 will receive a lump sum payment of two (2) percent of Eligible Earnings
19 during any Performance Period that includes or is after the termination date
20 of the Incentive Plan and precedes the termination of this Agreement. The
21 provisions of Article 19 of the Collective Bargaining Agreement will not
22 apply to any issue or dispute related to the Plan.

1 **LETTER OF UNDERSTANDING NO. 42**

2 **SUBJECT: WORK PLACEMENT**

3 **737 Work Placement.**

4 The Union has inquired about the Company's intentions to place production
5 work on the 737MAX program in Puget Sound. Independently, the
6 Company has been undertaking a thorough review of the 737MAX
7 program, including options for locating such work. The Company has
8 assessed those options in light of the economics set forth in its proposal to
9 extend the current Collective Bargaining Agreement for four (4) years, and
10 should those economics be achieved through a contract extension, the
11 Company will locate the 737MAX production work in Puget Sound. With
12 approval of the contract extension, the Company will produce the 737NG
13 models and 737MAX models in Renton, to the extent such production can
14 be feasibly completed in the current and existing 737 Renton production
15 facilities. The fabrication work currently being performed by bargaining
16 unit employees in support of the 737 production will be continued in their
17 current and existing facilities in Puget Sound and Portland – again, to the
18 extent such production can be feasibly completed in those current and
19 existing facilities.

20 **Wichita Tanker Work Placement.**

21 In the event the Company decides to place Tanker production work
22 currently performed in its Wichita facilities (or work of a similar type) in a
23 location other than Wichita, the Company agrees that such Wichita Tanker
24 production work will be performed in the Company's current and existing
25 facilities in Puget Sound.

26 **P-8 Production Work Placement.**

27 The Company will continue production of the P-8 program in the
28 Company's current and existing facilities in Puget Sound. The fabrication
29 work currently being performed by bargaining unit employees in support of
30 the P-8 production work in Puget Sound and Portland will be continued in
31 their current and existing facilities in Puget Sound and Portland, to the
32 extent such fabrication work can be feasibly completed in those current and
33 existing facilities.

34 **Everett Wide-Body Airplanes.**

35 The Company intends to continue production of wide-body airplanes in its
36 Everett facilities.

37 **Supplier Warranty Work.**

38 The amount of supplier warranty work required to be performed on 787
39 aircraft in inventory at Everett (e.g., PlaneTech employees performing
40 supplier warranty work), is higher than anticipated due to incomplete

1 deliveries and engineering changes. It is the Company's intent to
2 expeditiously reduce the amount of supplier warranty work at the
3 Company's Everett facilities, with a target of having minimal on-site work
4 not later than June, 2013. The Company will inform the Union in the Joint
5 Union/Boeing Council monthly meetings of plans and actions regarding
6 supplier warranty work.

7 **No Impact to Collective Bargaining Agreement.**

8 Except as expressly provided herein, nothing in this Letter of Understanding
9 supersedes or impacts any rights of the parties under the 2008-2012
10 Collective Bargaining Agreement and the 2012-2016 extension to the
11 Collective Bargaining Agreement, including but not limited to Article 2 and
12 Section 21.7. Nothing in this Letter of Understanding will impact the
13 Company's rights under Section 21.7 of the Collective Bargaining
14 Agreement to make strategic work placement decisions associated with a
15 condition of sale or market access, to subcontract or offload work due to
16 lack of capability or capacity, to subcontract or offload work to prevent
17 production schedule slippage, or to temporarily subcontract or offload work
18 due to emergent short term needs.

19 **Duration.**

20 This Letter of Understanding will become effective on the date that the
21 second contract extension and modification has been ratified by the
22 bargaining unit members ("effective date") and shall remain in full force
23 and effect until September 12, 2024.

1 **LETTER OF UNDERSTANDING NO. 43**

2 **SUBJECT: 777X WORK PLACEMENT**

3
4
5 If a second contract extension is approved by the bargaining unit on or
6 before January 3, 2014, the Company agrees to locate the 777X wing
7 fabrication and assembly, final assembly, and major components
8 (fabrication, interiors, and wires) of the 777X in Puget Sound.

9 The Company will perform the final assembly of the 777X including 777X-
10 8, 777X-9, and 777X-Freighter in Everett. The 777X wing fabrication and
11 assembly work will be performed in Puget Sound. The parties agree that the
12 Company may subcontract or outsource certain 777X wing fabrication and
13 assembly work packages, in whole or part, in order to create capacity for
14 other 777X work packages in the Puget Sound facilities, and/or to
15 efficiently utilize those facilities to accomplish the production and assembly
16 of the 777X.

17 Except as expressly provided, nothing in this Letter of Understanding
18 supersedes or impacts any right of the parties under the 2008-2012
19 Collective Bargaining Agreement and the 2012-2016 extension to the
20 Collective Bargaining Agreement, including but not limited to Article 2 and
21 Section 21.7. Nothing in this Letter of Understanding will impact the
22 Company's right under Section 21.7 of the Collective Bargaining
23 Agreement to make strategic work placement decisions associated with a
24 condition of sale or market access, and to subcontract or offload work due
25 to lack of capability or capacity, to subcontract or offload work to prevent
26 production schedule slippage, or to temporarily subcontract or offload work
27 due to emergent short term needs.

28 This Letter of Understanding will become effective on the date that the

Eligibility

Eligible Employees

You are eligible for the Package if you are an active Boeing employee represented by one of the following International Association of Machinists and Aerospace Workers, AFL-CIO, Collective Bargaining Agreements: Aerospace Industrial District Lodge No. 751, District Lodge No. 70, and District Lodge No. W24. You are not eligible to enroll if you are working in a capacity that, at the sole discretion of the plan administrator, is considered contract labor or independent contracting.

Eligible Dependents

Dependents eligible for the medical and dental plans are your legal spouse (as recognized under both applicable state law and the Internal Revenue Code) and children (natural children, adopted children, children legally placed with you for adoption, and stepchildren) who are under age 26, unmarried, and dependent on you for principal support.

You may request coverage for the following dependents:

- An opposite-gender common-law spouse if the relationship meets the common-law requirements for the state where you entered into the common-law relationship.
 - A same-gender domestic partner if
 - You and your partner live in the same permanent residence in a permanent, exclusive, emotionally committed, and financially responsible relationship similar to a marriage.
 - Your partner is at least 18 years old, is not related to you by blood, is not married to or separated from another person or involved in another domestic partner relationship.
 - Your domestic partner relationship is not solely to obtain coverage under the Plan.
- A same-gender domestic partner is considered a spouse for the purpose of the medical and dental plans.
- Some states have laws that require insured health plans to offer coverage for certain registered domestic partners.
- Unmarried children of your same-gender domestic partner who are under age 26 and dependent on you for principal support. These children are considered stepchildren for the purpose of the medical and dental plans.

- Other children, as follows, who are under age 26, unmarried, and dependent on you for principal support:
 - Children who are related to you either directly or through marriage (e.g., grandchildren, nieces, nephews).
 - Children for whom you have legal custody or guardianship (or for whom you have a pending application for legal custody or guardianship) and are living with you.

Proof of dependent eligibility will be required.

In accordance with Federal law, the Company also provides medical and dental coverage to certain dependent children (called alternate recipients) if the Company is directed to do so by a qualified medical child support order (QMCSO) issued by a court or state agency of competent jurisdiction.

Documentation is required to request coverage for dependents, including a child named in a QMCSO, a child for whom you have been given legal custody or guardianship, a spouse, or a same-gender domestic partner or his or her children. You must provide the Boeing Service Center with any required supporting documentation by the date specified by the Boeing Service Center or your request will be denied.

Special Provisions When Family Members Are Boeing Employees

If your spouse, same-gender domestic partner, or dependent child is employed by Boeing and eligible for any type of benefit plan offered by Boeing, your dependent must be covered separately under the plan or plans available to that dependent.

No person may be covered both as an employee (active or retired) and as a dependent under any type of plan offered by Boeing, and no person will be considered a dependent of more than 1 employee. Eligible dependents do not include other Boeing employees covered under any Company-sponsored plan providing medical, vision care, prescription drug, dental, or similar services. However, if your spouse is a part-time Boeing employee, retired, on approved leave of absence or layoff, or an employee of a subsidiary company, your spouse and eligible dependent children are considered eligible dependents if other Boeing coverage is waived. If you and your spouse both are Boeing employees and have dependent children, you both may elect medical and dental coverage for eligible children under 1 parent's plans. As an alternative, parents may elect medical coverage for eligible children under 1 parent's plan and dental coverage under the other parent's plan. In either case, all eligible children must be enrolled in the same medical plan and the same dental plan (except as required by a QMCSO). The same provisions apply to a same-gender domestic partner and his or her children.

Disabled Children

A disabled child age 26 or older continues to be eligible (or enrolled if you are a newly eligible employee) if a physician provides proof that he or she is incapable of self-support due to any mental or physical condition that began before age 26. You may be required to confirm the disability from time to time. The child must be unmarried and dependent on you for principal support. Coverage continues under the medical and dental plans for the duration of the incapacity as long as you continue to be enrolled in the plans and the child continues to meet these eligibility requirements.

Special applications for coverage are required for disabled dependent children age 26 or older.

Enrollment

Life and Disability Plans

You automatically are enrolled in the Life Insurance Plan, Accidental Death and Dismemberment Plan, Short-Term Disability Plan, and Survivor Income Plan when eligible. You may designate a beneficiary for life and accident benefits through the Boeing Service Center.

Medical Plans

In designated locations, the Company provides you with a choice of medical plans.

You receive enrollment instructions at the time of employment and may elect medical coverage under 1 medical plan available in your location by the date indicated on the enrollment worksheet. You and all your eligible dependents must be enrolled in the same medical plan, except as specified in the Eligibility section.

- If you do not enroll in a medical plan by the date indicated on the enrollment worksheet, you will be enrolled automatically in the Traditional Medical Plan for employee-only coverage.
- For your spouse or same-gender domestic partner, you must provide information regarding coverage available through another employer to determine whether or not special contributions are required to enroll him or her. If you do not authorize a required contribution, he or she will not be enrolled for medical coverage. You will not be able to enroll your spouse or same-gender domestic partner until the earlier of:
 - The next annual enrollment period.
 - The date your spouse or same-gender domestic partner loses the option to be covered under the other employer-sponsored medical plan.

The Company will require periodic verification of data.

Dental Plans

In designated locations, the Company provides you with a choice of dental plans. You receive enrollment instructions at the time of employment and may elect dental coverage under 1 dental plan available in your location by the date indicated on the enrollment worksheet.

If you do not enroll in a dental plan by the date indicated on the enrollment worksheet, you will be enrolled automatically in the Network Dental Plan for employee-only coverage.

Annual Enrollment Period

The Company establishes an annual enrollment period on or before January 1 each year when you may change medical and/or dental plans.

Special Enrollment Events

If you declined coverage in the medical or dental plans for yourself and/or your eligible dependents when you were first eligible because you or your dependents had other health care coverage, you may enroll yourself and/or your eligible dependents if you or your dependent experiences one of these special enrollment events:

- You or your dependent loses or becomes ineligible for other health care coverage because of an event such as loss of dependent status under another health care plan (through divorce, legal separation, termination of a same-gender domestic partnership, or dependent child reaching the limiting age), death, termination of employment, reduction in hours of employment, termination of employer contributions toward the coverage, elimination of coverage for the class of similarly situated employees or dependents, moving out of the plan's service area with no other coverage available from the other health care plan, or reaching the lifetime limit on all benefits under the other health care plan.
- You or your dependent becomes ineligible for Medicaid or a state Children's Health Insurance Program and loses coverage; you or your dependent becomes eligible for premium assistance under Medicaid or a state's child health care plan.
- You or your dependent exhausts any continuation coverage from another employer; that is, coverage provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), ends.
- You gain a new dependent because of marriage, entering a same-gender domestic partnership, birth, adoption, or placement for adoption.

Note: For this purpose, "other health care coverage" does not include coverage through Medicare or Medicaid.

1 If you experience a special enrollment event, you can enroll yourself and/or
2 your eligible dependents in a medical and/or dental plan as described above.
3 You can enroll in any family status tier and any health plan option available
4 to you.

5 Special enrollment is not available if you lose coverage because of failure to
6 make timely premium payments or termination from the plan for cause
7 (such as for making a fraudulent claim).

8 If you decline enrollment in the medical and dental plans because of other
9 employer-sponsored health care coverage (such as through a spouse's
10 employer), you may be able to enroll yourself and eligible dependents in the
11 Company-sponsored medical and dental plans during the year as long as
12 enrollment is within 60 days after other coverage ends.

13 If you have a new dependent as a result of marriage, entering into a same-
14 gender domestic partner relationship, birth, adoption, or placement for
15 adoption, you may enroll the new dependent during the year as long as
16 enrollment is requested within 120 days after the qualified event.

17 **Qualified Status Changes**

18 If you experience one of the qualified status changes listed below, you may
19 be able to enroll in medical or dental coverage, change your current
20 coverage, or drop your coverage midyear. Any change to your coverage
21 must be consistent with the status change that affects your or your
22 dependent's eligibility for Company-sponsored health care coverage or
23 health care coverage sponsored by your eligible dependent's employer.

24 Qualified status changes are the following events:

- 25 • You marry, divorce, or become legally separated, or the marriage is
26 annulled.
- 27 • You enter into or dissolve a same-gender domestic partner relationship.
- 28 • You acquire a new, eligible dependent child, such as by birth, adoption,
29 or placement for adoption.
- 30 • Your spouse or same-gender domestic partner or dependent child dies.
- 31 • You or your spouse or same-gender domestic partner or dependent child
32 starts or stops working.
- 33 • You or your spouse or same-gender domestic partner or dependent child
34 has any other change in employment status that affects eligibility for
35 coverage such as changing from full time to part time (or part time to full
36 time), salaried to hourly (or hourly to salaried), strike or lockout, a
37 transfer between a nonunion salaried position and a union-represented
38 position, or beginning or returning from an unpaid leave of absence,

1 including an approved leave of absence in accordance with the Family
2 and Medical Leave Act.

- 3 • You or your spouse or same-gender domestic partner or dependent child
4 experiences a significant increase in the cost of employer-sponsored
5 health care coverage or the employer-sponsored health care coverage
6 ends, including expiration of COBRA coverage.
- 7 • The Company adds a new benefit option or significantly improves an
8 existing benefit option.
- 9 • You or your spouse or same-gender domestic partner or dependent child
10 experiences a significant curtailment or cessation of employer-sponsored
11 health care coverage.
- 12 • You or your spouse or same-gender domestic partner or dependent child
13 becomes eligible or ineligible for Medicare or Medicaid or becomes
14 ineligible and loses coverage under Medicaid or a state Children's Health
15 Insurance Program.
- 16 • You or your covered dependent becomes eligible for premium assistance
17 under Medicaid or a state's child health care plan.
- 18 • Your dependent child becomes eligible for, or no longer is eligible for,
19 health care coverage due to age limits, principal support status, or a
20 similar eligibility requirement.
- 21 • You or your spouse or same-gender domestic partner or dependent child
22 makes an enrollment change in his or her employer-sponsored health care
23 coverage, either because of a qualified change in status or an annual
24 enrollment.
- 25 • You or your spouse or same-gender domestic partner or dependent child
26 changes place of residence or work, affecting access to care within the
27 current plan or access to network providers.
- 28 • You are transferred to a different division, affecting eligibility for
29 benefits under Company-sponsored health care plans.
- 30 • You or your spouse or same-gender domestic partner or dependent child
31 loses coverage under a group health plan sponsored by a governmental or
32 educational institution.

33 You also may change an election to comply with a qualified medical child
34 support order (QMCSO) to provide or cancel coverage for a dependent
35 child resulting from a divorce, annulment, or change in legal custody.

36 In most situations, you must request enrollment within 60 days after the
37 qualified event. You can enroll a new dependent within 120 days following
38 your marriage or entering into a same-gender domestic partner relationship

or a dependent child's birth, adoption, or placement for adoption. To request enrollment for a new dependent more than 60 days but within 120 days after marriage, entering into a same-gender domestic partner relationship, birth, adoption, or placement for adoption, you must call the Boeing Service Center and speak with a customer service representative. You must provide the Boeing Service Center with any required supporting documentation by the date specified by the Boeing Service Center or your request will be denied.

Effective Date of Coverage

Employees

If you are a newly hired employee, the Package becomes effective as follows:

- Medical and dental coverage becomes effective on the first day of the month following your first day of employment.
- Life insurance, accidental death and dismemberment, short-term disability, and survivor income coverage becomes effective on the first day of the month following your first day of employment, provided you are actively at work on that date.

You must be on the active payroll on the first day of the month.

For coverage during a leave of absence, see the Leaves of Absence section.

Dependents

Current eligible dependents are covered for medical and dental benefits on the same date your coverage is effective. Eligible dependents acquired after your coverage is effective become covered on the date of marriage or entering into a same-gender domestic partner relationship, date of birth, or date the child is legally placed with you for adoption, if application is made within 120 days of the event. For other newly eligible dependents, coverage is effective on the date dependency is established, if application is made within 60 days.

You authorize required contributions when enrolling eligible dependents.

Life Insurance Plan

The life insurance benefit is \$32,000. The total amount is payable in the event of your death from any cause at any time or place while covered. Payment is made in a lump sum or installments to the designated beneficiary. You may change beneficiaries at any time by contacting the Boeing Service Center.

If you become permanently and totally disabled for longer than 6 full calendar months at any time before age 60 and while covered under the

1 plan, the life insurance benefit is paid as a permanent and total disability
2 benefit in monthly installments of \$500 beginning the first day of the month
3 after the service representative receives proof of the disability. The
4 disability must have existed continuously for 6 months and be expected to
5 keep you, for life, from performing any work for compensation or profit.
6 The installments continue while you remain totally and permanently
7 disabled until the life insurance benefit, with interest on the unpaid balance,
8 is exhausted. (The final installment is for the balance of the fund.) If you die
9 while entitled to receive this monthly benefit, your beneficiary receives the
10 balance of the life insurance benefit and the accrued interest credited to date
11 of death in a lump sum. Separate periods of total disability resulting from
12 the same or related causes and separated by less than 30 days of active work
13 are considered one period of total disability.

14 If you recover and return to work, the unpaid installments plus accrued
15 interest to date are reinstated as the total life insurance benefit. Payments for
16 a subsequent disability are limited to this reduced amount.

17 If you recover but do not return to work, all coverage terminates. You may
18 then convert the total unpaid installments plus accrued interest under the
19 conversion of benefits provision.

20 The rate of interest allowed on the unpaid balance is the rate for special
21 settlement methods under the individual life insurance policies issued by the
22 service representative.

23 Proof of disability must be furnished within 12 months of the date active
24 work ends.

25 If you are hired or rehired on or after January 3, 2014, and you are not a
26 participant in The Boeing Company Employee Retirement Plan (BCERP),
27 the Company will provide a \$15,000 disability insurance benefit in the
28 event you become disabled and satisfy the conditions that would otherwise
29 have qualified for a disability retirement benefit under the BCERP. You
30 will not be eligible for this disability insurance benefit if you are eligible for
31 any disability retirement benefit under the BCERP.

32 **Accidental Death and Dismemberment Plan**

33 Accidental death and dismemberment benefits are provided if your loss of
34 life, paralysis, or loss of hand, foot, eyesight, hearing, or speech is caused
35 by a covered accident (including an occupational accident) that occurs while
36 you are covered under the plan.

37 The full principal sum, \$32,000, is paid to your beneficiary if you die. This
38 amount is in addition to any amount payable under the group life insurance
39 coverage.

- 1 The following benefits are payable if the covered injury causes any of the
2 following losses within 365 days after the covered accident:

Loss	Percentage of Principal Sum
Life	100%
Quadriplegia	100%
Both Hands or Both Feet	100%
Sight of Both Eyes	100%
1 Hand and 1 Foot	100%
1 Hand and the Sight of 1 Eye	100%
1 Foot and the Sight of 1 Eye	100%
Speech and Hearing in Both Ears	100%
Paraplegia	75%
Hemiplegia	50%
1 Hand or 1 Foot	50%
Sight of 1 Eye	50%
Speech or Hearing in Both Ears	50%
Hearing in 1 Ear	25%
Thumb and Index Finger of Same Hand	25%

- 3 “Loss” of a hand or foot means the complete severance through or above
4 the wrist or ankle joint. “Loss” of sight of an eye means the total and
5 irrecoverable loss of the entire sight in that eye. “Loss” of hearing in an ear
6 means the total and irrecoverable loss of the entire ability to hear in that ear.
7 “Loss” of speech means the total and irrecoverable loss of the entire ability
8 to speak. “Loss” of a thumb and index finger means the complete severance
9 through or above the metacarpophalangeal joint of both digits.

- 10 “Quadriplegia” means the complete and irreversible paralysis of both upper
11 and both lower limbs. “Paraplegia” means the complete and irreversible
12 paralysis of both lower limbs. “Hemiplegia” means the complete and
13 irreversible paralysis of the upper and lower limbs of the same side of the
14 body.

1 “Injury” means bodily injury caused by an accident occurring while you are
2 covered under the plan, and resulting directly and independently of all other
3 causes in death or loss as listed above.

4 If you sustain more than 1 loss as the result of the same accident, no more
5 than 100% of the principal sum will be paid.

6 If you are unavoidably exposed to the elements due to an accident occurring
7 while covered under this plan, and as a result of such exposure suffer a loss
8 for which a benefit is otherwise payable, the loss will be covered under the
9 terms of this plan.

10 If your body has not been found within 1 year of the disappearance, forced
11 landing, stranding, sinking, or wrecking of a vehicle in which you were an
12 occupant while covered under this plan, the loss will be covered as an
13 accidental death under the terms of the plan.

14 No plan benefits will be paid for a death or loss caused in whole or in part
15 by, or resulting in whole or in part from:

- 16 • Suicide or intentionally self-inflicted injury.
- 17 • Declared or undeclared war or act of declared or undeclared war
18 occurring in the continental limits of the United States, unless it is an act
19 of terrorism.

20 (“Terrorism” means any violent act intended to cause injury, damage, or
21 fear and committed by or purportedly committed by one or more
22 individuals or members of an organized group to make a statement of the
23 individual’s or group’s political or social beliefs, concepts, or attitudes
24 and/or to intimidate a population or government into granting the
25 individual’s or group’s demands.)

- 26 • An illness, sickness, disease, bodily or mental infirmity, medical or
27 surgical treatment, or bacterial or viral infection, regardless of how
28 contracted, except bacterial infection resulting from an accidental cut or
29 wound or accidental food poisoning. However, if a covered loss results
30 from medical or surgical treatment of an injury, benefits will be provided
31 for the loss.

32 **Short-Term Disability Plan**

33 Benefits are paid for disabilities due to pregnancy-related conditions,
34 illness, and accidental injuries on or off the job. Disabled means you are
35 unable to perform the essential functions of your regular occupation or other
36 appropriate work Boeing makes available as a result of a pregnancy-related
37 condition, illness, or accidental injury (on or off the job).

The following schedules state the benefit amounts, classes of disability, and the maximum period of payment. Benefit amounts are determined by your labor grade.

Labor Grade	Weekly Benefit for Disabilities Not Covered by Workers' Compensation	Weekly Benefit for Disabilities Covered by Workers' Compensation
A-1-2-3	\$280.00	\$140.00
4-5-6-7	300.00	150.00
8-9-10-11	330.00	165.00

Workers' compensation benefits for illness and accidental injuries are payable in addition to this Plan.

Payment periods:

Benefits Begin	In the Event of	Maximum Periods
1 st day of disability	Accidental injury not covered by workers' compensation	26 weeks
1 st day of confinement	Confinement in a hospital for nonoccupational or occupational injuries or illnesses or for pregnancy-related conditions	26 weeks
7 th day of disability	Pregnancy-related conditions, accidental injury covered by workers' compensation, and all other illnesses	26 weeks

If you are absent for 7 or more consecutive days due to a disability resulting from a surgery in an outpatient hospital or surgical facility, benefits will be retroactive to the first day of the disability.

No benefits are payable for any period during which you are not under the regular care of a physician. To receive benefits according to the schedule, you must be seen by a physician within the first 7 days of disability; otherwise benefits begin on the date you are actually seen and treated. For this benefit, physician refers to a legally qualified, licensed physician, with a course of treatment that is consistent with the diagnosis of the disabling condition and according to guidelines established by medical, research, and rehabilitation organizations. All determinations of total disability are made by the service representative within the terms of its contract with the Company.

1 An increase or decrease in your short-term disability coverage amount is
2 effective the first day of the month following or coinciding with a change in
3 labor grade. If you are both disabled and away from work on the date an
4 increase or decrease would be effective, the change is delayed until you
5 return to an active work schedule.

6 **Reinstatement of Benefits**

- 7 • Benefits are reinstated after a period of disability when you return to
8 active work for at least 30 consecutive days.
- 9 • If you are absent due to the same or a related disability during this 30-day
10 period, benefits are not reinstated. However, you are eligible for any
11 benefits remaining from the original 26-week period on the first day of
12 the subsequent disability.
- 13 • If you return to active employment for at least 1 full day and the
14 subsequent disability is due to entirely different and unrelated causes
15 from the prior disability, you are considered as having started a new
16 period of disability.

17 **Income Tax Withholding**

18 Short-term disability payments are reported to the Federal government and
19 may be considered taxable income. Income tax will be withheld if required
20 by law.

21 Social Security (FICA) withholding is made from employee disability
22 payments and reported to the government. The amount is the current FICA
23 withholding rate. This withholding is required by law and is matched by the
24 employer.

25 **Survivor Income Plan**

26 If you die from any cause, at any time or place, while covered under the
27 plan, survivor income benefits are payable to eligible survivors, as listed
28 below. Survivor income benefits are composed of transition benefits and
29 bridge benefits.

30 **Transition Benefit**

31 The transition benefit is \$210 per month for any month the survivor
32 receives either no Social Security benefits or Social Security benefits
33 reduced solely because of age. If the survivor receives unreduced Social
34 Security benefits, the transition benefit is \$140 per month.

35 The transition benefit is paid for a maximum of 24 months to these
36 survivors, in the following priority:

- 37 • Your widow or widower lawfully married to you.

1 • Your unmarried child or children under age 25 if living with and
2 dependent on you for at least 50% of their support during the year
3 immediately preceding your death. The child continues to be eligible
4 regardless of age if totally and permanently disabled and living with and
5 dependent on you.

6 • Your parents or parent if dependent on you for at least 50% of their
7 support in the year before your death.

8 Benefits begin the first day of the month following the date you die and are
9 payable on the first day of each month thereafter. Benefits are divided
10 equally where 2 or more persons are to receive the benefits. If there are no
11 qualified survivors, no benefits are paid.

12 **Bridge Benefit**

13 After transition benefits are paid, if your eligible spouse was at least age 50
14 at the time of your death, monthly payments of \$210 are made to your
15 spouse while living and unmarried until the earliest of these dates:

16 • Your spouse remarries.

17 • Your spouse reaches age 62.

18 • Full widow's or widower's insurance benefits under the Federal Social
19 Security Act become payable.

20 However, if your surviving spouse is eligible to receive mother's or father's
21 insurance benefits under the Social Security Act, monthly payments are
22 deferred until your spouse stops receiving mother's or father's insurance
23 benefits.

24 **Medical Plans**

25 The Company-sponsored medical plan is the Traditional Medical Plan.
26 Where appropriate, Health Maintenance Organizations (HMOs) and
27 Coordinated Care Plans (CCPs) will be offered to retirees and their
28 dependents in addition to the Traditional Medical Plan. See your Summary
29 Plan Description or Certificate of Coverage for a description of medical
30 plan benefits.

31 **Summary of Traditional Medical Plan Benefits**

32 This section shows general plan features of the Traditional Medical Plan;
33 the Schedule of Benefits section shows benefit amounts and other plan
34 information.

35 Benefit and plan payment provisions are based on a benefit year, January 1
36 through December 31.

- 1 Prescription drug benefits are as shown in the “Prescription Drug Program”
 2 section. Vision care benefits, as shown in the “Vision Care Program”
 3 section, are available to active employees.

Out-of-Pocket Maximums

For some services, you are required to pay a certain percent of charges, called out-of-pocket expenses.

When your out-of-pocket expenses (or when your family members’ combined out-of-pocket expenses) reach the annual out-of-pocket maximum, most other benefits are paid at 100% of usual and customary charges for the rest of that benefit year, up to any maximum benefit amounts.

The following expenses do not count toward the out-of-pocket maximums:

- Any balance remaining after a benefit maximum has been reached.
- Benefits paid at a reduced amount or denied when you fail to follow medical review program procedures and requirements.
- Covered medical services for TMJ/MPDS treatment.
- Covered medical services for treatment of mental illness or substance abuse.
- Covered services for tobacco cessation.
- Covered medical services paid at 100% of usual and customary charges or in full.
- Deductibles.
- Expenses for services or supplies not covered by the plan.
- Hospital emergency room copayments.
- Office visit copayments.
- The difference between usual and customary charges and the provider’s actual charge.

Provider Choice

Network Providers

Network providers are physicians, hospitals, and other health care providers who have contracts with the plan’s service representative to provide efficient, cost-effective health care. Although you may receive care from

any licensed provider covered under the plan, the plan offers certain advantages if a network provider is used.

The contracts with network providers include direct billing and payment systems. This means you do not need to submit a claim form when a network provider is used.

Nonnetwork Providers

Covered services obtained from nonnetwork physicians, hospitals, and other covered health care providers in a license category eligible to participate in the network (for example, M.D.s) are paid according to whether network providers are available in that location.

Providers in a Category Not Eligible to Participate in the Network

Certain types of providers may or may not be network providers depending on their location. The plan may not have network contracts with providers in a specific category in a particular location (such as podiatrists or chiropractors in certain locations).

Medical Review Program

The medical review program lets you and your physician know whether certain types of nonemergency care will be covered under the plan before the care is provided and the expense is incurred.

The plan pays regular benefits for certain types of nonemergency care only if the medical review program is contacted before care is received. Benefits may be limited or denied if these requirements are not followed.

Medical review program requirements do not apply if primary coverage is provided through another employer's group medical plan.

If preadmission or prior approval is...	Then the plan pays...
Obtained through the medical review program	Regular benefit levels shown in the "Summary of Traditional Medical Plan Benefits" table
Required but not obtained and it is later determined that the care was medically necessary	50% of the first \$2,000 of usual and customary charges (after the annual deductible)
Not obtained and the admission or care is not considered medically necessary under the medical review program's guidelines	No benefits; you are responsible for 100% of the charges

1 Although contacting the program is not required before emergency or
2 pregnancy-related admissions, you or your physician should contact the
3 program soon after admission to be assured whether the rest of the
4 confinement is covered. Hospital preadmission review for childbirth is not
5 required for a mother and newborn for the first 48 hours following a normal
6 delivery or 96 hours following a cesarean section.

7 **Voluntary Second Surgical Opinion**

8 The plan encourages you to get a second opinion before having any
9 nonemergency surgery.

10 A second (or third) surgical opinion will be covered under the
11 network/nonnetwork provider payment levels, subject to the plan's
12 copayments and/or deductibles and coinsurance.

13 **Individual Case Management**

14 In the event of a severe or long-term illness or injury, the service
15 representative assists your network provider in identifying treatment
16 alternatives that offer cost-effective care and enhancements to quality of
17 life.

18 **Covered Medical Services and Supplies**

19 In general, the plan covers medically necessary services and supplies used
20 to diagnose or treat a nonoccupational accidental injury or illness as well as
21 medically appropriate services and supplies for certain types of preventive
22 care and other conditions, up to plan limits.

23 ***Acupuncture***

24 The plan covers medically necessary acupuncture for a covered illness or in
25 place of covered anesthesia. Treatment must be provided by a licensed
26 acupuncturist (L.A.C.), doctor of medicine (M.D.), or doctor of osteopathy
27 (D.O.). You can contact the service representative to determine if
28 acupuncture is covered for a particular condition.

29 ***Ambulance***

30 Professional ambulance services are covered to transport you from the place
31 where you are injured or become ill to the first hospital where treatment is
32 given. These services also are covered when the physician requires an
33 ambulance to transport you to a hospital in your area of residence to protect
34 your health or life. Air ambulance transportation is covered when medically
35 necessary.

36 Ambulance service from one hospital to another, including return, is
37 covered only if the facility is the nearest one with appropriate regional
38 specialized treatment facilities, equipment, or staff physicians. Ambulance
39 transportation from or to your home is covered when medically necessary.
40 No other expenses in connection with travel are covered.

1 ***Centers of Excellence***

2 The plan offers a higher level of benefits for covered transplants and/or
3 bariatric (weight loss) surgery at approved Centers of Excellence—facilities
4 that specialize in a particular treatment. When you use a Center of
5 Excellence, your eligible expenses will be paid at 100 percent. This means
6 you will not be required to pay coinsurance. The deductible still applies
7 where applicable. If you must travel a minimum of 75 miles from your
8 residence to use a Center of Excellence, the plan also offers certain travel
9 benefits. For additional information about this program, including facilities
10 that qualify for the higher benefit level, call the member services number on
11 the back of your medical plan ID card.

12 ***Christian Science Sanatorium***

13 Charges for a semiprivate room in a sanatorium are covered if you are
14 admitted for the process of healing (not rest or study) and are under the care
15 of an authorized Christian Science practitioner. If a private room in a
16 sanatorium is used, you are responsible for the difference between the
17 charge for the private room and the sanatorium's average charge for a
18 semiprivate room. If the facility provides only private rooms, the plan
19 covers up to the charge for semiprivate rooms in similar local facilities.

20 A Christian Science sanatorium is a facility that, at the time of the healing
21 treatment, is operated (or listed) and certified by the First Church of Christ,
22 Scientist, in Boston, Massachusetts.

23 ***Congenital Abnormalities and Hereditary Complications***

24 Medically necessary services and supplies are covered when required for
25 the treatment of congenital abnormalities and hereditary complications. This
26 coverage applies to newborn children as well as to all other persons covered
27 under the plan.

28 ***Cosmetic Surgery***

29 The plan covers necessary services and supplies for cosmetic surgery only if
30 the surgery is required for the prompt repair of an accidental injury or
31 improvement of function due to congenital abnormality. All other surgery
32 performed for cosmetic purposes is excluded, except as specifically
33 provided for treatment after a mastectomy (see "Reconstructive Breast
34 Surgery").

35 ***Dental Repair of Accidental Injury***

36 Services and supplies for the prompt repair of sound natural teeth or other
37 body tissues as a result of an accidental injury are covered, but only to the
38 extent they are not covered by your Company-sponsored dental plan. This
39 may include surgical procedures of the jaw, cheek, lips, tongue, and other
40 parts of the mouth and treatment of fractures in the facial bones (maxilla or
41 mandible).

1 ***Diagnostic X-Ray and Laboratory Services***

2 Diagnostic X-ray and laboratory examinations are covered, including those
3 in connection with a voluntary second surgical opinion.

4 ***Durable Medical Equipment***

5 The plan covers the rental (or purchase, when approved by the service
6 representative) of medically necessary durable medical or surgical
7 equipment when prescribed by a physician. Covered equipment must be:

- 8 • Able to withstand repeated use.
- 9 • Solely for the treatment or improvement of a critical function related to
10 the medical condition.
- 11 • Appropriate for use in the home.

12 Examples of covered durable medical equipment are crutches, wheelchairs,
13 kidney dialysis equipment, standard hospital beds, oxygen equipment, and
14 diabetic supplies and equipment such as blood glucose monitors, insulin
15 infusion devices, and insulin pumps. Covered equipment must not be useful
16 to a person in the absence of the medical condition.

17 The repair or replacement of durable medical equipment due to normal
18 usage or change in the patient's condition, including growth of a child, also
19 is covered.

20 ***Emergency Room***

21 Emergency room treatment at either a network or nonnetwork facility is
22 paid at the network level if it is a medical emergency. A patient admitted to
23 a nonnetwork hospital retains emergency status (and benefits are paid at the
24 network level) for 24 hours or until the patient can be transferred safely to a
25 network facility. However, for care at a nonnetwork facility when the
26 condition is not a medical emergency, covered services are paid at the
27 nonnetwork level.

28 ***Erectile Dysfunction***

29 Organic erectile dysfunction treatment is covered when the patient has a
30 history of one or more of the following:

- 31 • Insulin-dependent diabetes.
- 32 • Major pelvic surgery.
- 33 • Peripheral neuropathy or autonomic insufficiency.
- 34 • Peripheral vascular disease or local penile vascular abnormalities.
- 35 • Prostate cancer.
- 36 • Severe Peyronie's disease.
- 37 • Spinal cord disease or injury.

38 Covered therapy includes vacuum erection devices, injection therapy, a
39 penile prosthesis, urethral pellets, and prescription medications.

1 ***Hearing Aids***

2 Plan benefits include cost and installation of a hearing aid when
3 recommended in writing by a physician or certified audiologist as well as
4 the overhaul of a hearing aid in place of a new hearing aid. Benefit periods
5 are described in the “Summary of Traditional Medical Plan Benefits” table.

6 ***Hemodialysis***

7 The plan covers repetitive hemodialysis treatment for chronic, irreversible
8 kidney disease. Covered services and supplies include the rental, lease, or
9 (under certain conditions) purchase of hemodialysis equipment. Purchase of
10 specific supplies is contingent on the supplies having no real utility to the
11 patient in the absence of the disease and having no value to other household
12 members. Coverage of the purchase of equipment is subject to specific
13 conditions, including an amortization period, decided by the service
14 representative.

15 Hemodialysis treatment and equipment are covered by the plan for the first
16 30 months following Medicare entitlement due to end-stage renal disease.
17 After this 30-month period, Medicare provides primary coverage and the
18 plan provides secondary coverage.

19 ***Home Health Care***

20 Medically necessary home health care visits and supplies are covered if
21 inpatient care in a hospital or skilled nursing facility otherwise would be
22 required. In addition, you must be considered homebound, which means
23 leaving home involves a considerable and taxing effort and public
24 transportation cannot be used without the help of another.

25 Home health care requires prior approval; see “Medical Review Program”.
26 Before receiving home health care, the attending physician must provide a
27 written treatment plan (a written program for continued care and treatment).

1 The following home health care visits and supplies are covered if provided
2 and billed by an approved home health care agency:

- Home health aide visits.
- Medical social visits provided by a person with a master's degree in social work (M.S.W.).
- Medical supplies that would have been provided on an inpatient basis.
- Nursing visits provided by a registered nurse (R.N.) or licensed practical nurse (L.P.N.).
- Nutritional guidance by a registered dietitian.
- Nutritional supplements (such as diet substitutes) administered intravenously or through hyperalimentation.
- Occupational therapy visits provided by an occupational therapist.
- Physical therapy visits provided by a physical therapist.
- Physician services.
- Respiratory therapy visits provided by an inhalation therapist certified by the National Board of Respiratory Therapists.
- Services and supplies for infusion therapy. (Patients do not need to meet the treatment plan and homebound requirements.)
- Speech therapy visits provided by a speech therapist.

3 ***Hospice Care***

4 Hospice care is provided to terminally ill patients in an effort to control pain
5 and other symptoms associated with terminal illness. The plan covers these
6 services for a patient whose life expectancy has been determined to be 6
7 months or less.

8 Hospice care requires prior approval; see "Medical Review Program".
9 Before receiving hospice care, the attending physician must provide a
10 written treatment plan (a written program for continued care and treatment).

11 An approved hospice treatment plan may include both inpatient and
12 outpatient care. If hospital inpatient care is approved, the plan covers
13 hospice care on the same basis as for other types of hospital inpatient care.
14 Skilled nursing facility or hospital outpatient care also are covered for the
15 hospice patient on the same basis as for other patients. The plan also covers
16 prescription drugs and durable medical equipment for hospice care on the
17 same basis as for other types of care.

18 The plan covers home health care visits and supplies listed in "Home Health
19 Care" above if they are part of an approved hospice treatment plan and
20 provided and billed by an approved hospice agency. An approved hospice

agency is a public or private organization that administers and provides hospice care and is either Medicare approved or operating under the direction and control of the licensing or regulatory agency in its location.

In addition, the plan covers respite care services to provide temporary relief to family members and friends who care for the patient as shown in the “Summary of Traditional Medical Plan Benefits” table.

Hospital Services

The plan covers charges for a semiprivate room and medically necessary hospital services and supplies.

The cost of a private room is covered if medically necessary. If a private room is used when it is not medically necessary, the patient is responsible for the difference between the charge for the private room and the hospital’s average charge for a semiprivate room. If the hospital provides only private rooms, the plan covers up to the charge for semiprivate rooms in similar local facilities.

Advance approval is needed for:

- Nonemergency admissions (see “Medical Review Program”).
- Inpatient mental health and substance abuse treatment or outpatient electroconvulsive therapy (see “Mental Health and Substance Abuse Program” below).

The plan covers services of an approved freestanding surgical center or hospital-based emergency facility if such services would be covered if received in a hospital.

Infertility

The plan covers the following services in connection with the diagnosis and treatment of infertility:

- Diagnostic tests necessary to determine the cause of infertility.
- Surgical correction of a condition causing or contributing to infertility.
- Conventional medical treatment such as office visits, laboratory services, and prescription drugs for infertility.

Mental Health and Substance Abuse Program

The Boeing mental health and substance abuse program provides benefits for mental health treatment and substance abuse treatment (including abuse of or addiction to alcohol, recreational drugs, or prescription drugs). The program is administered by the Boeing behavioral health manager.

To be reimbursed under the plan, all mental health and substance abuse treatment must be determined medically necessary. When treatment is obtained from a referred provider, the plan payment level is higher. All care

is reviewed for medical necessity whether or not you contact the Boeing behavioral health manager.

Mental Health Treatment Coverage. The plan covers medically necessary mental health treatment from any provider contracted with the Boeing behavioral health manager, including any licensed clinical psychologist, hospital or treatment facility, psychiatric doctor (M.D.), psychiatric nurse (R.N.), or professional at the master's level or above who is licensed in the area where services are performed.

If the mental health treatment is related to, accompanies, or results from substance abuse, coverage is provided solely under substance abuse provisions.

Substance Abuse Treatment Coverage. The plan covers medically necessary alcoholism treatment and other types of substance abuse treatment at an approved treatment facility or hospital as well as physician and licensed therapist services and prescription drugs. The treatment, services, and drugs must be part of a specific treatment plan prepared by your attending physician and certified as covered under the plan. (An approved substance abuse treatment facility is one that treats chronic alcoholism and/or drug abuse that is licensed and regulated by the appropriate governmental agency in its location.)

The plan covers detoxification only if followed immediately by a rehabilitation program. To receive coverage for substance abuse treatment, you must complete the prescribed course of treatment.

Neurodevelopmental Therapy

The plan covers neurodevelopmental therapy for children age 6 or under, up to the maximum benefit shown in the "Summary of Traditional Medical Plan Benefits." In-home neurodevelopmental therapy is covered if the patient is homebound. Therapists must meet licensing or certification requirements as described below.

Neurodevelopmental therapy is physical, occupational, and speech therapy for treatment of neurodevelopmental delay. Neurodevelopmental delay means lack of development of motor or speech function not due to injury or trauma.

Occupational, Physical, and Speech Therapy

Certain types of therapy are covered, but only to the extent that the therapy will significantly restore function. To be covered, the services of a physical therapist for physical therapy, an occupational therapist for occupational therapy, and a speech therapist for speech therapy must be prescribed by a physician as to type and duration of treatment.

Services must be provided under a physician's supervision while you remain under the attending physician's care. The physician must reevaluate the therapy at least every 3 months and certify that continuing therapy is required. All therapy beyond 3 months must be approved by the service representative. Benefit determination is based on the attending physician's evaluation of the therapy as well as the therapist's progress reports. The information from the physician and therapist is then reviewed against established medical criteria to determine medical necessity.

No benefits are payable for therapy given at the therapist's discretion, elected by the covered person, for any treatment for delayed development or therapy that is solely for the purpose of slowing body degeneration rather than restoring functional improvement, custodial maintenance, self-help, recreational, or educational therapy.

Licensing and Certification Requirements Occupational, physical, and speech therapists must meet licensing or certification requirements as follows:

- The therapist must be duly licensed in the areas where services are performed and must be practicing within the scope of that license.
- In the absence of licensing requirements, the therapist must be certified as a registered:
 - Occupational therapist by the American Occupational Therapy Association.
 - Physical therapist by the American Physical Therapy Association.
 - Speech therapist by the American Speech and Hearing Association.

Oral Surgery

The plan covers certain services and supplies provided by a physician or dentist to the extent they are approved by the service representative and are not covered under a dental plan.

Orthopedic Appliances and Braces; Orthotics

Braces, splints, orthopedic appliances, and orthotic supplies are covered. This includes necessary repair and replacement required by normal usage or change in the patient's condition such as growth of a child. Orthopedic shoes, lifts, wedges, and inserts (orthotics) are covered if prescribed by a physician and custom made for the patient. These items are covered as part of the durable medical equipment benefits. Over-the-counter items will not be covered.

Oxygen and Anesthesia

The plan covers oxygen and anesthesia.

1 **Physician Services**

2 Services of a licensed physician generally are covered when medically
3 necessary for the diagnosis or treatment of nonoccupational accidental
4 injuries, illnesses, or other covered conditions. (See definition of physician.)

5 Physician services also are covered for:

- 6 • An eye examination (including refraction) if performed because of
7 another medical condition such as diabetes, glaucoma, or cataracts
8 (routine eye examinations are covered under the vision care program).
- 9 • Antigen, allergy vaccine, insulin, and other drugs and devices (including
10 contraceptive injections, devices, and implants) dispensed by a physician.
- 11 • Injectable legend drugs administered in a physician's office and used to
12 treat a covered condition.
- 13 • Preventive care.
- 14 • Voluntary second surgical opinions.

15 **Other Professional Services.** The plan covers certain health care services
16 when provided either by a physician or another type of health care
17 professional. All health care professionals must be licensed by the state
18 where the services are performed and must be acting within the scope of
19 that license. In the absence of licensing requirements, appropriate
20 certification is required.

21 Covered health care professionals include:

- 22 • Acupuncturists (L.A.C.) for covered acupuncture services.
- 23 • Chiropractors providing covered chiropractic services.
- 24 • Christian Science practitioners listed in the current *Christian Science*
25 *Journal* at the time they provide a service.
- 26 • Clinical psychologists and master's level therapists for mental health or
27 substance abuse treatment for conditions covered under the plan.
- 28 • Dentists for covered dental work or surgery.
- 29 • Neurodevelopmental, occupational, physical, and speech therapists.
- 30 • Physician assistants for services that would have been covered if
31 performed by a physician licensed as an M.D. or D.O.
- 32 • Podiatrists providing covered podiatric services.
- 33 • Registered nurses (R.N.) for services that would have been covered if
34 performed by a physician licensed as an M.D. or D.O. The plan also
35 covers intermittent visits by an R.N. when skilled care in place of
36 hospitalization is not available through an alternative provider at a lesser
37 cost.

1 ***Pregnancy-Related Conditions and Coverage of Newborns***

2 Medically necessary services and supplies are covered for pregnancy-
3 related conditions of you and your dependents if they are provided while
4 covered under the plan.

5 Covered pregnancy-related conditions include normal delivery, cesarean
6 section, spontaneous abortion (miscarriage), legal abortion, and
7 complications of pregnancy.

8 Approved birthing center services are covered if they would be covered
9 when received in a hospital. (A birthing center is a facility for normal
10 delivery operating under the direction and control of the licensing or
11 regulatory agency in its location.)

12 Group health plans and health insurance issuers generally may not, under
13 Federal law, restrict benefits for any hospital length of stay in connection
14 with childbirth for the mother or newborn child to less than 48 hours
15 following a vaginal delivery or less than 96 hours following a cesarean
16 section. However, Federal law generally does not prohibit the mother's or
17 newborn's attending provider, after consulting with the mother, from
18 discharging the mother or her newborn earlier than 48 hours (or 96 hours, as
19 applicable). In any case, plans and issuers may not, under Federal law,
20 require that a provider obtain authorization from the plan or the insurance
21 issuer for prescribing a length of stay not in excess of 48 hours (or
22 96 hours).

23 A newborn is eligible from the date of birth if he or she qualifies as your
24 dependent and is enrolled within applicable changes in status time frames.
25 The following services and supplies are covered for an enrolled newborn,
26 subject to the plan's annual deductible, copayments, and benefit payment
27 levels:

- 28 • Routine hospital services and supplies and physician services during the
29 first 48 hours following a normal delivery or 96 hours following a
30 cesarean section.
- 31 • Medically necessary hospital and physician services and supplies.

32 Coverage of a newborn continues as long as the child remains an eligible
33 dependent and is enrolled in the plan.

34 ***Preventive Care***

35 The plan covers the following preventive care if you use a network provider
36 and you live in the network service area. (If you do not live in the network
37 service area, you may use any licensed provider.)

- 38 • Physical examinations for you, your spouse and dependents over age 18
39 including related X-ray and laboratory charges. Benefits are limited to 1
40 examination every 3 benefit years through age 34, then 1 examination

every benefit year. The plan also covers screening Papanicolaou (Pap) tests, mammograms, and prostate screenings as recommended by your physician.

- Well child benefits, including physical examinations and related X-ray and laboratory charges. Benefits are limited to 8 examinations from birth through 24 months, then one examination per benefit year through age 18. The plan also covers immunizations in accordance with American Academy of Pediatrics guidelines and the schedule recommended by the child's physician.

The annual deductible and office visit copayment do *not* apply to covered preventive care.

Prostheses

Artificial limbs, artificial eyes, and other prostheses to replace a missing body part are covered, including the necessary repair and replacement required by normal usage or change in the patient's condition such as growth of a child.

Radiation and Chemotherapy

The plan covers radiation therapy (including X-ray therapy) and chemotherapy.

Reconstructive Breast Surgery

Covered individuals who have had or are going to have a mastectomy may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided, in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedemas.

These benefits are provided subject to the same deductible, copayment, and coinsurance applicable to other medical and surgical benefits provided under this plan.

Skilled Nursing Facility

The plan covers charges for a semiprivate room in a skilled nursing facility as well as medically necessary services and supplies when provided in place of covered hospital inpatient care. Skilled nursing facility services also are covered for a terminally ill patient when the illness has reached a point of

predictable end. Nonemergency admissions must be approved in advance; see “Medical Review Program”.

A skilled nursing facility is an institution approved as such by Medicare. If a private room is used, you are responsible for the difference between the charge for the private room and the facility’s average charge for a semiprivate room. If the facility provides only private rooms, the plan covers up to the charge for semiprivate rooms in similar local facilities.

Spinal and Extremity Manipulations

This plan covers spinal and extremity manipulations by an approved provider, such as a doctor of medicine (M.D.), a doctor of osteopathy (D.O.), or a chiropractic doctor (D.C.), for spinal and extremity manipulations performed by hand. Related services, such as an initial examination and initial X-rays, also are covered.

Substance Abuse Treatment

See “Mental Health and Substance Abuse Program”.

Temporomandibular Joint Dysfunction and Myofascial Pain Dysfunction Syndrome (TMJ/MPDS) Treatment

The plan covers the following surgical and nonsurgical services and supplies to treat TMJ/MPDS when provided by a physician or dentist:

- Appliance management, including kinesitherapy, physical therapy, biofeedback therapy, joint manipulation, prescription drugs, injections of muscle relaxants, and therapeutic drugs or agents.
- Appliances, including night guards, bite plates, orthopedic repositioning devices, or mandibular orthopedic devices.
- Follow-up office visits.
- Initial diagnostic examinations and X-rays.
- Surgical procedures and related hospitalizations.
- It is recommended that you obtain preapproval from the service representative for all TMJ/MPDS treatment, in accordance with written guidelines (including those for medical necessity). This treatment is subject to a benefit maximum shown in the Schedule of Benefits.

Tobacco Cessation

The plan covers tobacco cessation services that are provided by a physician, another health care professional who is practicing within the scope of his or her license, and an approved tobacco cessation provider.

However, the plan will cover the cost only if the patient completes the full course of treatment. Tobacco cessation treatment is subject to the benefit maximum shown in the Schedule of Benefits.

Transplants

The plan covers medically necessary services and supplies related to covered transplants. Transplants that are part of an approved clinical trial also may be covered. Contact the service representative for more information about covered services and supplies as well as maximums.

If you or your covered dependent receives a human organ or tissue transplant covered by this plan, certain donor organ procurement costs also may be covered. Benefits are limited to selection, removal of the organ, storage, transportation of the surgical harvesting team and the organ, and other medically necessary procurement costs.

See “Centers of Excellence” for a description of a higher level of benefits for covered transplants at approved Centers of Excellence. For further details about this program, including facilities that qualify for the higher benefit level, call the member services number on the back of your medical plan ID card.

Vasectomy or Tubal Ligation

The plan covers services and supplies required for a vasectomy or tubal ligation, but not those related to a reversal.

Emergency is the sudden, unexpected onset of serious illness or severe injury that could result in (or a prudent person would have reason to believe could result in) death, permanent damage or impairment of bodily function, or loss of limb use if not treated immediately. For mental health coverage, a situation is also considered an emergency when there is imminent danger to you or others, or you are medically compromised as a result of mental illness or substance abuse.

Medically Necessary Service or Supply meets the following criteria, as determined by the service representative. A service or supply may be medically necessary in part only. The fact the service or supply is furnished, prescribed, recommended, or approved by a physician does not, by itself, make it medically necessary. A service or supply is medically necessary if it is:

- Appropriate as good medical practice.
- Consistent with the condition's symptom or diagnosis and treatment.
- Not able to be provided safely in an outpatient setting (for an inpatient service or supply).
- Professionally and broadly accepted as the usual, customary, and effective means of diagnosing or treating the illness, injury, or condition.
- Required to diagnose or treat your condition and the condition could not have been diagnosed or treated without it.
- The most appropriate service or supply essential to your needs.

required for a mental disorder diagnosis enumerated in the *Diagnostic and Statistical Manual of Mental Disorders*, 4th edition (DSM IV).

Other vision care services are not covered under this program, but some may be covered as a medical condition under the Traditional Medical Plan.

Prescription Drug Program

The prescription drug program described in this section is available to employees and dependents enrolled in the Traditional Medical Plan.

This program offers 2 coverage options for prescription drugs and medicines:

- Retail pharmacy card program—you can use the pharmacy card to obtain covered prescriptions from a participating retail pharmacy.
- Mail service program—called Medco By Mail.

A formulary applies to all retail pharmacy and mail order purchases. (A formulary is a list of drugs determined to be effective in both cost and treatment and approved by the Food and Drug Administration (FDA). A nonformulary drug also may be effective for treatment, but is not as cost-effective as formulary or generic drugs. A group of practicing physicians and pharmacists routinely reviews drugs to include in the formulary. If clinical data show several drugs are equally effective, the most cost-effective drug usually is chosen. The formulary may change from time to time.)

There are 3 categories of prescription drug purchases:

- **Generic**—drugs that are chemically and therapeutically equivalent to their brand-name counterparts but usually cost less.
- **Brand-name formulary**—brand-name drugs selected for the formulary based on cost and effectiveness.
- **Brand-name nonformulary**—brand-name drugs not selected for the formulary.

The program includes utilization management services and generic incentives (see “Pharmacy Management” and “Member Pay the Difference Generic Incentive Program” below) to help ensure cost-effective, clinically appropriate treatment.

Retail Pharmacy Card Program

This program covers medically necessary prescription drugs required by Federal or state law to be prescribed in writing by a physician or dentist and dispensed by a licensed pharmacist. Covered prescriptions include legend drugs, contraceptive medications, tobacco cessation drugs, self-administered injectable drugs, insulin, needles and syringes, test strips, lancets, and alcohol swabs.

Prior authorization may be required for certain medications.

The retail pharmacy card program covers up to a 30-day supply.

Mail Service Program

The Medco By Mail program covers medically necessary prescription drugs and medicines required by Federal or state law to be prescribed in writing by a physician or dentist and dispensed by a licensed pharmacist. Covered prescriptions include legend drugs, contraceptive medications, tobacco cessation drugs, self-administered injectable drugs, insulin, needles and syringes, test strips, lancets, and alcohol swabs.

Prior authorization may be required for certain medications.

Medco By Mail covers up to a 90-day supply per prescription or refill. Authorized refills are covered only after the initial order has been used. Certain controlled substances are subject to quantity limits.

Unless the physician indicates otherwise, you will receive a generic equivalent of the prescribed drug when available and permissible under the law. You also may receive a different brand that is medically equivalent.

Pharmacy Management

Specific drugs are reviewed by the prescription drug program service representative at the point of sale to determine if your prescription is covered by the plan, clinically appropriate, and consistent with usage guidelines.

Member Pay the Difference Generic Incentive Program

To encourage the use of generic drugs, if a brand-name drug is purchased when an equivalent generic is available (for both retail pharmacy and mail service)—whether you or your physician requests the brand-name drug—you will pay the generic copayment plus the cost difference between the brand-name drug and generic drug.

If for any reason your physician believes that you must use a brand-name drug, he or she can ask for a coverage review by calling the service representative. The service representative will request information from your physician and review it to determine if your need for the brand-name drug meets the conditions to qualify for coverage. If coverage is approved,

you will be charged the brand copayment for the brand-name drug. If coverage is not approved, coverage will be provided according to the member pay the difference generic incentive program.

Review Process for Brand-name Drugs

Brand name drugs are covered at no additional cost to you when your physician provides information to the service representative (Express Scripts at 1-800-841-2797) showing that you:

- Experienced an adverse reaction, allergy, or sensitivity to a generic equivalent
- Experienced therapeutic failure with a generic equivalent

These are highlights only. Benefits are paid in accordance with the terms of the coordinated care plan documents.		

Member Pay the Difference Generic Incentive Program

To encourage the use of generic drugs, if a brand-name drug is purchased when an equivalent generic is available (for both retail pharmacy and mail service)—whether you or your physician requests the brand-name drug—you will pay the generic copayment plus the cost difference between the brand-name drug and generic drug.

If for any reason your physician believes that you must use a brand-name drug, he or she can ask for a coverage review by calling the service representative. The service representative will request information from your physician and review it to determine if your need for the brand-name drug meets the conditions to qualify for coverage. If coverage is approved, you will be charged the brand copayment for the brand-name drug. If

coverage is not approved, coverage will be provided according to the member pay the difference generic incentive program.

Review Process for Brand-name Drugs

Brand name drugs are covered at no additional cost to you when your physician provides information to the service representative (Express Scripts at 1-800-841-2797) showing that you:

- Experienced an adverse reaction, allergy, or sensitivity to a generic equivalent
- Experienced therapeutic failure with a generic equivalent
- May be destabilized by changing to a generic equivalent, or
- Would be at unnecessary risk by changing to a generic equivalent

Network Dental Plan

Note: Effective July 1, 2012, the Incentive Dental Plan will be replaced with the Network Dental Plan, as described here.

The Network Dental Plan described in this section is available to active employees and their dependents. This plan also helps you pay for minor and major dental work, including fillings, crowns, dentures, bridges, and orthodontic services.

You and your covered dependents may receive dental care from any licensed dentist or other licensed professional who is approved by the plan. However, your out-of-pocket costs generally will be lower if you use a network dentist.

|--|

1 You and your dependents are responsible for paying all charges for services
2 and supplies the plan does not cover.

3 **Annual Deductible**

4 Generally, the annual deductible is the amount you must pay out of your
5 own pocket each benefit year before the plan begins to pay benefits. The
6 annual deductible applies to most covered services but not all. The
7 following network diagnostic and preventive care services and supplies are
8 excluded from the annual deductible:

- 9 • Cleanings (prophylaxis).
- 10 • Examinations.
- 11 • Fissure sealants.
- 12 • Fluoride treatment.
- 13 • X-rays.

14 Orthodontia (Class IV) also is excluded from the annual deductible.

15 This means that the plan begins to pay its coinsurance percentage
16 immediately for these basic dental services. The coinsurance percentage you
17 pay for these services does not count toward your annual deductible.

18 This plan has an individual annual deductible and a family annual
19 deductible. If you and 3 or more of your dependents are covered under the
20 plan, the family annual deductible limits the total annual deductible you are
21 required to pay in any benefit year.

22 The annual deductibles are shown in the “Network Dental Plan Schedule of
23 Benefits.”

24 **Coinsurance Percentages**

25 For many services and supplies, you and the plan each pay a percentage of
26 the recognized fee. These percentages are called coinsurance percentages.

27 Generally, except for certain diagnostic and preventive Class I services and
28 supplies, you must first satisfy the entire annual deductible before the plan
29 pays its coinsurance percentage.

30 A coinsurance percentage does not apply to

- Class I services and supplies received from network providers.
- Any amounts you pay for services that the plan does not cover.
- Any amounts that exceed the maximum allowable fees recognized by the plan.

Coinsurance percentages are shown in the “Network Dental Plan Schedule of Benefits.”

Benefit Maximums

For Classes I, II, and III, an annual maximum applies to each covered person. The annual maximum amount is shown in the “Network Dental Plan Schedule of Benefits.” You are responsible for paying any charges over the annual maximum benefit.

For Class IV, a lifetime maximum benefit applies to each covered person. The lifetime maximum benefit amount is shown in the “Network Dental Plan Schedule of Benefits.”

Recognized Fees

This plan pays benefits based on recognized fees. A recognized fee is the provider’s charge for a covered service, up to the plan’s maximum allowance. The amount of the recognized fee depends on whether you see a network or nonnetwork provider.

Under this plan, recognized fees are determined as follows:

- For a network dentist, recognized fees are network allowed charges.
- For a nonnetwork dentist who is a contracted member dentist with Washington Dental Service, recognized fees are the fees that the dentist filed with the service representative for specific dental services and supplies.
- For a nonnetwork dentist who is a nonmember, recognized fees are the lesser of either
 - The amount charged by the dentist.
 - The maximum fee that the service representative approved for nonmember dentists in the state where services are performed.

When alternative procedures are available, the plan covers the least expensive procedure. However, if your dentist submits satisfactory evidence to the service representative that a more expensive procedure is the only one professionally adequate for you, the plan covers the more expensive procedure according to the appropriate benefit payment level.

Covered Dental Services and Supplies

The Network Dental Plan covers 4 classes of services and supplies in accordance with the benefit payment levels and maximums shown in the “Network Dental Plan Schedule of Benefits.”

Class I Covered Services and Supplies (network covered at 100%)

The plan covers the following Class I services and supplies:

- Routine diagnostic examinations, including
 - Routine examination, twice in each 1-year period.
 - Specialist examinations, up to 3 in a 6-month period.
 - Complete mouth or panoramic X-rays, once in each 5-year period.
 - Supplementary bitewing X-rays, once in each 1-year period.
 - Emergency examinations.
 - Comprehensive oral examination, once in a 36-month period, which counts as the routine examination once in a 6-month period.
- Preventive care, including
 - Fissure sealants, through age 14, for permanent molar teeth with intact occlusal surfaces, no decay, and no prior restorations. The repair or replacement of a sealant on any tooth within 36 months is considered part of the original services.
 - Prophylaxis (cleaning), either regular or periodontal, twice in each 1-year period, with 2 additional cleanings allowed in the event periodontal disease is present.
 - Topical application of fluoride twice in each 1-year period, for dependent children through age 18.
- General anesthesia when administered by a licensed dentist in connection with certain covered
 - Oral surgery.
 - Endodontic surgery.
 - Periodontic surgery.
- Restorative services (minor restoration), including the restoration of a visibly decayed hard tooth surface (carious lesion) to a state of proper function by using a filling material such as amalgam, silicate, plastic or glass ionomer, or a stainless steel crown. Restorations on the same surface(s) of the same tooth will be covered once in each 24-month period. Composite, plastic, or glass ionomer restorations on a posterior tooth are covered up to the amount allowed for an amalgam restoration.

- Oral surgery, including
 - Surgical and nonsurgical extractions.
 - Preparation of the alveolar ridge and soft tissues of the mouth to insert dentures.
 - Ridge extension to insert dentures (vestibuloplasty).
 - Treatment of pathological conditions and traumatic facial injuries.
- Endodontics, including the following procedures:
 - Pulpal and root canal therapy.
 - Pulp exposure treatment, pulpotomy, and apicoectomy.
 - Root canal treatment on the same tooth, once in each 2-year period.
 - Retreatment of the same tooth when performed by a different dental office.
- Pedodontics, including space maintainers that are used to maintain space for the eruption of permanent teeth.
- Periodontics (surgical and nonsurgical procedures to treat tissues that support the teeth), including
 - Gingivectomy.
 - Limited adjustments to occlusion (8 or fewer teeth) such as smoothing teeth or reducing cusps.
 - Root planing or subgingival curettage, but not both, once in each 24-month period.

Class II Covered Services and Supplies (network covered at 80%)

The plan covers these Class II services and supplies, which are restorative services (major restoration):

- Restoration of a visibly decayed hard tooth surface (cariou lesion) to a state of proper function by using crowns, inlays, or onlays (gold, porcelain, plastic, or gold-substitute castings or a combination) once in each 5-year period for the same tooth when the tooth cannot be restored effectively with a filling material (amalgam, silicate, or plastic). If a tooth can be restored with a filling material such as amalgam, silicate, or plastic but you choose a more expensive procedure, this plan will cover the cost up to the amount for a filling to repair the condition.
- Recementing a crown, inlay, or onlay, once in a 12-month period.
- Use of a crown as an abutment to a partial denture, but only when the tooth is decayed to the extent a crown would be required whether or not a partial denture is required.
- Temporary crown for a fractured tooth.

1 ***Class III Covered Services and Supplies (network covered at 60%)***

2 Under the Network Dental Plan, prosthodontics are in Class III. The plan
3 covers these Class III services and supplies:

- 4 • A full denture, immediate denture, or overdenture. For any other
5 procedure (such as personalized restorations or specialized treatment),
6 the plan covers up to the appropriate amount for a full denture,
7 immediate denture, or overdenture. Root canal therapy in conjunction
8 with overdentures is limited to 2 teeth per arch.
- 9 • A cast chrome or acrylic partial denture. If a more elaborate or precision
10 device is used, the plan will cover up to the appropriate amount for
11 covered partial dentures.
- 12 • Denture adjustments and relines that are provided more than 6 months
13 after initial placement. Later relines and jump rebases (but not both) are
14 covered once in each 12-month period.
- 15 • Implant and related appliances attached to the implant once in each 5-
16 year period. If you elect an implant and related attached appliances, the
17 plan allows up to the amount the plan would have paid for a full or
18 partial denture, once in a 5-year period.
- 19 • Replacement of an existing prosthetic device, once in each 5-year period,
20 if the device is unserviceable and cannot be made serviceable. (Services
21 to correct the device, if serviceable, are covered.)

22 ***Class IV Covered Services and Supplies***

23 Under the plan, orthodontic services and supplies are in Class IV. The plan
24 covers straightening of teeth, including correction or prevention of
25 malocclusion.

26 **Pretreatment Estimate**

27 If your dental care will be extensive, you may ask your dentist to submit a
28 request for a pretreatment estimate, called a “predetermination of benefits.”
29 This predetermination will allow you to know in advance what procedures
30 are covered, the amount the service representative will pay toward the
31 treatment, and your financial responsibility.

32 **Network Dental Plan Exclusions**

33 The Network Dental Plan does not cover the following services or supplies.

- 34 • Analgesics such as nitrous oxide, intravenous sedation, euphoric drugs,
35 injections, prescription drugs, or application of desensitizing agents.
- 36 • Appliances or cleaning of appliances and certain restorations as follows:
 - 37 – Appliances or restorations necessary to correct vertical dimension or
 - 38 to alter morphology (shape) or occlusion, overhang removal, or
 - 39 recontouring or polishing a restoration.

- 1 – Cleaning of prosthetic appliances.
- 2 – Duplicate dentures, temporary dentures, personalized dentures, or
- 3 crowns and copings provided in connection with overdentures.

- 7 • Cosmetic procedures (including laminates and tooth bleaching, whether
- 8 vital or nonvital), appliances, or restorations primarily for cosmetic
- 9 purposes.
- 10 • Experimental services or supplies (or related complications)—the plan
- 11 does not cover experimental services or supplies whose use and
- 12 acceptance as a course of dental treatment for a specific condition still
- 13 are under investigation or observation. To determine whether services are
- 14 experimental, the service representative uses American Dental
- 15 Association guidelines and considers whether the services
- 16 – Are in general use in the local dental community.
- 17 – Are proven to be safe and effective.
- 18 – Are under continued scientific testing and research.
- 19 – Show a demonstrable benefit for a particular dental condition.
- 20 • Other dental exclusions as follows:
- 21 – Caries (decay) susceptibility tests.
- 22 – Charges for services or supplies that are received while the patient is
- 23 not covered under the plan.
- 24 – Consultations or elective second opinions.
- 25 – Crowns used as abutments to a partial denture for purposes of
- 26 recontouring, repositioning, or to provide additional retention, unless
- 27 the tooth is decayed to the extent that a crown would be required to
- 28 restore the tooth in the absence of a partial denture.
- 29 – Crowns used to repair microfractures of tooth structure when the tooth
- 30 displays no symptoms.
- 31 – Diagnostic services or X-rays related to temporomandibular joints
- 32 (jaw joints).

- 5 employers’ liability laws.

- 8 – Patient management problems.
- 9 – Periodontal splinting; any crown or bridgework provided with
- 10 periodontal therapy or periodontal appliances.
- 11 – Plaque control programs.
- 12 – Porcelain or resin inlay bridges.
- 13 – Proposed treatment plan review or case presentation by the attending
- 14 dentist.
- 15 – Restorations on the same surface or surfaces of a tooth within 2 years
- 16 of the original service.
- 17 – Ridge extension to insert dentures (vestibuloplasty).
- 18 – Services or supplies covered by any Federal, state, or provincial
- 19 government agency or provided without cost by any municipality,
- 20 county, or other political subdivision or community agency. However,
- 21 if government agency payments are insufficient for covered services
- 22 or supplies or if benefits are provided by a government agency as an
- 23 employer to its employees, dental coverage will not be excluded and
- 24 will be subject to coordination of benefits.
- 25 – Services or supplies to the extent that benefits are payable for them
- 26 under any motor vehicle medical, motor vehicle no-fault, uninsured
- 27 motorist, underinsured motorist, personal injury protection (PIP),

- 35 except as shown in “Class III Covered Services and Supplies.”
- 36 – Tooth transplants or materials placed in extraction to generate osseous
- 37 filling.
- 38 – Treatment of temporomandibular (jaw) joints.

How Dental Coverage May Be Extended

The plan generally does not cover services or supplies that you receive while you are not covered under the plan. However, the plan will cover certain services and supplies for an additional three months after the date coverage would otherwise end. These services and supplies and the conditions for extending care are described below:

- A crown that is required to restore a tooth (independent of the crown's use in connection with a partial denture) if the tooth is prepared for the crown while you are covered. If the tooth is prepared after your coverage ends, your dentist must have documented the need, such as by requesting a pretreatment estimate, before your coverage ended.
- A prosthetic device (including abutment crowns of a partial denture), if the impressions are taken while you are covered, and the device is installed or delivered within 3 months after your coverage ends. If the impressions are taken after your coverage ends, your dentist must have documented the need, such as by requesting a pretreatment estimate, before your coverage ended.
- Orthodontia care provided within 3 calendar months after your coverage ends.
- Restorative, endodontic, periodontic, and oral surgical procedures completed within 3 months after your coverage ends. If the services start after your coverage ends, your dentist must have documented the need, such as by requesting a pretreatment estimate, before your coverage ended.

Prepaid Dental Plan

The Prepaid Dental Plan benefits will be as follows:

Provider Selection

Participating providers offer complete dental care to you and your dependents. You must select a participating provider when you enroll in the Prepaid Dental Plan. All covered dental services, except orthodontic and out-of-area emergency care, are provided by this selected provider.

If you wish to transfer to another participating provider, you must contact the service representative. An approved transfer is effective the first day of the month following the service representative's receipt of the change request.

Orthodontic care may be obtained from any licensed dentist.

Plan Payment Levels and Maximum Benefits

The plan provides all necessary covered dental services at no cost to employees and eligible dependents except as specified below.

- The plan pays 50% of usual and customary orthodontic charges, to a \$2,000 lifetime maximum benefit during all periods the eligible person is covered under the plan.
- The plan pays up to \$50 of reasonable charges for out-of-area emergency services and supplies.

Out-of-Area Emergencies

The plan pays an out-of-area emergency benefit for dental services and supplies provided by a licensed dentist other than your selected participating provider.

Out-of-area means the covered person is more than 50 miles from the selected participating provider. The plan pays reasonable charges for these services and supplies, without prior approval, to a maximum of \$50. Payment for out-of-area emergencies is made only if all these conditions apply:

- The dental care is provided by a dentist outside the plan's service area.
- The service or supply is covered under the plan.
- The dental care is required for an acute condition and is provided solely for the immediate relief of that condition.
- The patient could not have been reasonably expected to go to the selected participating provider for the care.

Coordination of Benefits

If you or your dependent has medical, dental, or other health coverage in addition to being covered under these medical and dental plans, the following rules govern coordination of benefits with the other coverage. Other coverage includes, whether insured or uninsured, another employer's group benefit plan, other arrangement of individuals in a group, Medicare (to the extent allowed by law), individual insurance or health coverage, and insurance that pays without consideration of fault.

The service representative has the right to obtain and release any information or recover any payment it considers necessary to administer these provisions.

Order of Payment

The primary plan pays its benefits first and pays its benefits without regard to benefits that may be payable under other plans. When another plan is the primary plan for health care coverage, the secondary plan pays the difference between the benefits paid by the primary plan and what would have been paid had the secondary plan been primary.

- A plan is considered primary if

- 1 – It has no order of benefit determination rules.
- 2 – It has benefit determination rules that differ from coordination of
- 3 benefit rules under state regulations or, if not insured, that differ from
- 4 these rules.
- 5 – All plans that cover an individual use the same coordination of benefit
- 6 rules, and under those rules, the plan is primary.
- 7 • If the aforementioned rules do not determine which group plan is
- 8 considered primary, this plan applies the following coordination of
- 9 benefit rules:
 - 10 – A plan that covers a person as an employee, retiree, member, or
 - 11 subscriber pays before a plan that covers the person as a dependent.
 - 12 – A plan that covers a person as an active employee or dependent of an
 - 13 active employee is primary. The plan that covers a person as a retired,
 - 14 laid-off, or other inactive employee or as a dependent of a retired, laid-
 - 15 off, or other inactive employee is secondary.
 - 16 – If a dependent child is covered under both parents' group plans, the
 - 17 child's primary coverage is provided through the plan of the parent
 - 18 whose birthday comes first in the calendar year, with secondary
 - 19 coverage provided through the plan of the parent whose birthday
 - 20 comes later in the calendar year.
 - 21 – If a dependent child's parents are divorced or separated and a court
 - 22 decree establishes financial responsibility for the health care coverage
 - 23 of the child, the plan of the parent with such financial responsibility is
 - 24 the primary plan of coverage. If the divorce decree is silent on the
 - 25 issue of coverage, the following guidelines are used:
 - 26 ○ The plan of the parent with custody pays benefits first.
 - 27 ○ The plan of the spouse of the parent with custody pays second.
 - 28 ○ The plan of the parent without custody pays third.
 - 29 ○ The plan of the spouse of the parent without custody pays fourth.
 - 30 – If none of the aforementioned rules establishes which group plan
 - 31 should pay first, then the plan that has covered the person for the
 - 32 longest period is considered the primary plan of coverage.
 - 33 – Continuation coverage under the Consolidated Omnibus Budget
 - 34 Reconciliation Act of 1985 (COBRA), as amended, always is
 - 35 secondary to other coverage, except as required by law.
 - 36 – If an employee or dependent is confined to a hospital when first
 - 37 becoming covered under this plan, this plan is secondary to any plan
 - 38 already covering the employee or dependent for the eligible expenses
 - 39 related to that hospital admission. If the employee or dependent does

not have other coverage for hospital and related expenses, this plan is primary.

Benefits under a Company-sponsored medical or dental plan are not coordinated with benefits paid under any other group plan offered by the Company. You can receive benefits from only 1 Company-sponsored medical or dental plan. However, when dental services performed by a licensed dentist also are covered under the medical plan, the dental plan pays its benefits first and the medical plan is secondary.

Federal rules govern coordination of benefits with Medicare. In most cases, Medicare is secondary to a plan that covers a person as an active employee or dependent of an active employee. Medicare is primary in most other circumstances.

Traditional Medical Plan

The primary plan pays benefits without regard to any other plan. When the Company-sponsored plan is secondary, it adjusts benefits so that the total payable under both plans for expenses covered under the Company-sponsored plan is not more than would be payable under the Company-sponsored plan. Neither plan pays more than it would without coordination of benefits.

Plan means any plan providing medical, dental, vision care, hearing aid benefits, or treatment under individual insurance, group insurance, or any other coverage for individuals in a group, whether on an insured or uninsured basis.

Treatment of end-stage renal disease is covered by the Company-sponsored plan for the first 30 months following Medicare entitlement due to end-stage renal disease, and Medicare provides secondary coverage. After this 30-month period, Medicare provides primary coverage and the Company-sponsored plan provides secondary coverage.

Network Dental Plan

Benefits payable under the Company-sponsored dental plan take into account any coverage (including orthodontic coverage) you or your eligible dependents have under other plans.

Plan means any plan providing medical, dental, vision care, hearing aid benefits, or treatment under group insurance or any other coverage for individuals in a group, whether on an insured or uninsured basis. However, plan excludes any medical plan sponsored by the Company. This means the dental plan pays first when dental expenses performed by a dentist also are covered by any medical plan sponsored by the Company.

1 The dental plan pays regular benefits in full or a reduced amount which,
2 when added to benefits payable by another plan, equals 100% of allowable
3 expenses.

4 **When an Injury or Illness Is Caused by the** 5 **Negligence of Another**

6 In some situations, you or a covered dependent may be eligible to receive,
7 as a result of an accident or illness, health care benefits from an automobile
8 insurance policy, homeowner's insurance policy or other type of insurance
9 policy, or from a responsible third party. In these cases, this plan will pay
10 benefits if the covered person agrees to cooperate with the service
11 representative in administering the plan's recovery rights.

12 If a person covered by this plan is injured by another party who is legally
13 liable for the medical or dental bills, he or she may request this plan to pay
14 its regular benefit on his or her behalf. In exchange, the covered person
15 agrees to:

- 16 • Notify the plan within 30 days of giving notice to any party, including an
17 insurance company or attorney, of the covered person's intention to
18 pursue a claim.
- 19 • Complete a claim and submit all bills related to the injury or illness to the
20 responsible party or any insurer.
- 21 • Complete and submit all of the necessary information requested by the
22 service representative.
- 23 • Reimburse the plan from any payment he or she receives from the
24 responsible party or any other source.
- 25 • Allow the plan to be subrogated to all rights of recovery a covered person
26 has against the responsible party or any other source and to cooperate
27 with the service representative's efforts to recover from the responsible
28 party or any other source any amounts this plan pays in benefits related to
29 the injury or illness, including any lawsuit brought against the
30 responsible party or insurer.
- 31 • Grant the plan a lien in the amount of benefits paid which can be
32 enforced against any source of funds available to compensate the covered
33 person for injury or illness caused by another party.

34 This provision applies whenever you or a covered dependent is entitled to
35 or receives benefits under this plan and is also entitled to or receives
36 compensation or any other funds from another party in connection with that
37 same medical condition, whether by insurance, litigation, settlement, or
38 otherwise. The plan is entitled to such funds to the extent of plan benefits
39 paid to or on behalf of the individual as a first-priority right, whether or not
40 the individual has been "made whole," and without regard to any common

1 fund doctrine. The plan is entitled to such funds regardless of whether the
2 plan's benefits are identified as being included in the funds and regardless
3 of whether liability for payment of the funds is admitted by the responsible
4 party or any other source of the funds. This plan may recover such funds by
5 constructive trust, equitable lien, right of subrogation, reimbursement, or
6 any other remedy allowed under applicable law.

7 The covered person shall do nothing to prejudice the plan's subrogation or
8 recovery interest, including, but not limited to, refraining from making any
9 settlement or recovery that attempts to reduce or exclude the full cost of all
10 benefits provided by the plan. If an individual fails, refuses, or neglects to
11 reimburse the plan or otherwise comply with the requirements of this
12 provision, or if payments are made under the plan based on fraudulent
13 information or otherwise in excess of the amount necessary to satisfy the
14 provisions of the plan, then, in addition to all other remedies and rights of
15 recovery that the plan may have, the plan has the right to terminate or
16 suspend benefit payments and/or recover the reimbursement due to the plan
17 by withholding, offsetting, and recovering such amount out of any future
18 plan benefits or amounts otherwise due from the plan to or with respect to
19 such individual. The plan also has the right in any proceeding at law or
20 equity to assert a constructive trust, equitable lien, or any other remedy or
21 recovery allowed under applicable law, against any and all persons or
22 entities who have assets that the plan can claim rights to. The plan has a
23 first-priority right of recovery from any judgment, settlement or other
24 payment, regardless of whether the individual has been "made whole," and
25 without regard to any common fund doctrine.

26 In the event that any claim is made that any part of this subrogation and
27 recovery provision is ambiguous or questions arise concerning the meaning
28 or intent of any of its terms, the plan or service representative shall have the
29 sole authority and discretion to resolve all disputes regarding the
30 interpretation of this provision.

31 **Termination of Coverage**

32 **Life Insurance Coverage**

33 Life insurance coverage stops on the date your active employment
34 terminates.

35 Within 31 days after you terminate employment, by making application and
36 paying the first premium to the plan's insurer, you may convert life
37 insurance coverage to an individual life insurance policy on any regular
38 whole life insurance plan. This individual policy will be issued, without
39 medical examination, at the insurer's regular rates. The amount of life
40 insurance converted cannot exceed the amount in force on the date
41 insurance terminates.

1 If, after an individual conversion policy is issued, benefits under the Life
2 Insurance Plan are payable due to permanent and total disability, the
3 individual policy must be surrendered without claim other than the return of
4 paid premiums.

5 If your death occurs within 31 days after your coverage ends, a life
6 insurance benefit is payable equal to the amount you could have converted
7 to an individual policy.

8 **Accidental Death and Dismemberment and Survivor** 9 **Income Coverage**

10 Accidental death and dismemberment and survivor income coverage stops
11 on the date your active employment terminates.

12 **Short-Term Disability Coverage**

13 Short-term disability coverage stops at the end of the calendar month your
14 active employment terminates.

15 **Medical Coverage**

16 Medical coverage for you and your dependents stops at the end of the
17 calendar month your active employment terminates or the end of the last
18 month required contributions are paid, whichever occurs first. If earlier,
19 your dependent's coverage stops at the end of the month in which he or she
20 no longer qualifies as a dependent.

21 However, coverage may be continued under certain circumstances as
22 specified below. Any required contributions must be paid during these
23 periods for coverage to continue.

24 If you are terminating employment, the service representative will make
25 available an individual program of medical benefits similar to those then
26 being issued for group conversion. The benefits provided under the
27 individual plan will not exactly duplicate the benefits provided under this
28 group medical plan. This conversion privilege is also available to your
29 covered dependents who cease to qualify under the group policy and to
30 surviving covered dependents if you die. No evidence of insurability is
31 required.

32 **Dental Coverage**

33 Dental coverage for you and your dependents stops at the end of the
34 calendar month your active employment terminates. If earlier, your
35 dependent's coverage stops at the end of the calendar month in which he or
36 she no longer qualifies as a dependent.

37 However, coverage may be continued under certain circumstances as
38 specified below. Any required contributions must be paid during these
39 periods for coverage to continue.

Retirement

If you are eligible for, and enroll in, the Retiree Medical Plan, medical coverage for you and your dependents ends at the end of the month following the month in which your active employment ends.

Change in Eligible Class of Employment

When you remain employed by the Company but no longer in the class eligible for coverage under this Package, coverage for you and your dependents stops at the end of the month in which your transfer is effective. If you become totally disabled before coverage ends under the Package, the life insurance, accidental death and dismemberment, short-term disability, and survivor income benefits of the Package, which would have continued if you had stayed in the eligible class, will continue according to the terms governing benefits during leaves of absence instead of all other Company life insurance, accidental death and dismemberment, and disability benefits.

Continuation of Medical and Dental Coverage (COBRA)

If medical and dental coverage for you and your dependents (including a same-gender domestic partner and his or her children) otherwise would terminate due to one of the following reasons, these benefits may continue for specified periods under Public Law 99-272, Title X, as amended, if the individual makes a timely request to the Company and pays the required contribution.

- Reduction in hours or termination of employment for any reason.
- Your death.
- Your divorce or dissolution of a same-gender domestic partner relationship.
- A dependent child ceasing to be a dependent as defined under this Package. (A child eligible to be continued under the Package's incapacitated child provision will still be considered to have dependent status.)
- Your dependent's loss of eligibility because you became eligible for Medicare.

If you are laid off, the Company will contribute to the cost of COBRA medical coverage for you and your dependents. Company contributions will continue at the same rate as for active employees until you are covered by any other group medical plan either as an active employee or as a dependent, but in no event beyond the expiration of the COBRA period or 6 months after the date of layoff, whichever occurs first.

If you die (other than from an industrial accident), the Company will contribute to the cost of your dependents' COBRA medical and dental coverage for up to 12 months. Your dependents' contributions for the first

1 12 months of COBRA medical and dental coverage will be the same as for
2 dependents of active employees.

3 If you die from an industrial accident, the Company will contribute to the
4 cost of your dependents' COBRA medical and dental coverage for up to
5 36 months. Your dependents' contributions for COBRA medical and dental
6 coverage will be the same as for dependents of active employees.

7 **Leaves of Absence**

8 When you are absent with leave, coverage may continue as follows; any
9 required contributions must be paid during these periods for coverage to
10 continue.

11 **Approved Medical Leaves of Absence**

12 If you are eligible for coverage and begin an approved medical leave of
13 absence due to a total disability, you are eligible for the Package the same
14 as an active employee until the last day of the calendar month in which your
15 leave began. (Your eligible dependents also are eligible for medical and
16 dental benefits.)

17 If you are totally disabled and remain on an approved medical leave of
18 absence that extends beyond this period, your life insurance, accidental
19 death and dismemberment, short-term disability, survivor income, medical,
20 and dental benefits (and dependent medical and dental benefits) continue up
21 to 6 full consecutive calendar months during the approved medical leave
22 with Company contributions.

23 If the approved medical leave extends beyond this 6-month period due to
24 continuous total disability, your medical coverage continues for up to an
25 additional 24 months with Company contributions. Medical coverage ends
26 earlier if you become eligible for Medicare or are no longer considered
27 totally disabled. You also may continue the life insurance, accidental death
28 and dismemberment, survivor income, and dental benefits (and medical and
29 dental benefits for eligible dependents) during this time by paying 100% of
30 the cost of coverage on or before the tenth day of the month in which they
31 are due.

32 If you or your covered dependent is considered disabled by Social Security
33 during the seventh or eighth month of the absence, you may continue
34 medical and dental coverage for yourself and eligible dependents for up to 5
35 additional months by paying 150% of the cost of coverage.

36 Medical and dental coverage continued after the sixth calendar month of
37 medical leave is considered COBRA continuation coverage.

Other Approved Leaves of Absence

If you are eligible for coverage and begin an approved leave of absence, you are eligible for the Package the same as an active employee until the last day of the calendar month in which your leave began. (Your eligible dependents also are eligible for medical and dental benefits.)

If the approved leave extends beyond this time, your life insurance, accidental death and dismemberment, short-term disability, survivor income, medical, and dental benefits (and dependent medical and dental benefits) continue for up to 3 full consecutive calendar months with Company contributions.

After this 3-month period, you may continue medical and dental coverage for up to an additional 21 months by self-paying 100% of the cost of coverage; this is considered COBRA continuation coverage. You also may continue life insurance coverage for the duration of the approved leave of absence by self-paying 100% of the cost of coverage.

Family and Medical Leave Act of 1993

If the required coverage for family and medical leaves of absence under the Family and Medical Leave Act of 1993 is more generous than that already described in this section, the Company provides any required additional coverage under its group health plans.

Uniformed Services Leave of Absence

If you take a leave of absence for service in the U.S. uniformed services (including the military, National Guard, and the Commissioned Corps of the Public Health Service), you are covered under the Package until the end of the month in which your leave began. If you remain on an approved leave of absence, coverage under the Package continues until the end of the third full calendar month of the leave as if you were an active employee on an approved nonmedical leave of absence.

If uniformed service extends beyond 3 months, you will be enrolled for COBRA coverage automatically as of the beginning of the fourth full calendar month of your leave. You may continue COBRA coverage for an additional 21 months while your uniformed services leave continues, in accordance with your rights under the Uniformed Services Employment and Reemployment Rights Act (USERRA).

During a temporary period after September 11, 2001, military leave of absence can be extended for a total of 60 months, based on military orders. Your life insurance, medical, and dental coverage continue during this period. The cost of coverage during this 60-month period is the same as for active employees.

1 Your COBRA continuation period runs concurrently with coverage during
2 USERRA leave.

3 If you return to active employment promptly after uniformed service,
4 according to USERRA, the Package is reinstated on the date you return to
5 the active payroll.

6 **Changes in Leave Types**

7 If your type of leave changes from a medical leave of absence to a
8 nonmedical leave of absence (or vice versa), your periods of leave will be
9 considered separate leaves of absence. However, if the type of your
10 nonmedical leave of absence changes (for example, from family leave to
11 personal leave), your maximum period of coverage in your new leave
12 category will be reduced by the number of days or months for which you
13 already received an extension of your active coverage.

14 **Successive Periods of Leaves of Absence**

15 Successive periods of leave are described below:

- 16 • 2 medical leaves of absence separated by less than 30 days of continuous
17 work are considered 1 leave of absence unless the second leave is due to
18 entirely unrelated conditions.
- 19 • 2 medical leaves of absence separated by 30 or more days of continuous
20 work are considered new and separate medical leaves of absence.

Eligibility

You are eligible for the Retiree Medical Plan if you retire from the service of the Company under the Company-sponsored retirement plan (The Boeing Company Retirement Plan, or "BCERP") as follows (See below for employees hired or rehired on or after January 3, 2014, who are not participants in the BCERP):

- You are an active employee and meet the following requirements:
 - You are age 55 or older with 10 or more years of vesting service under a Company-sponsored retirement plan.
 - You are disabled, become eligible for disability benefits under the Company-sponsored retirement plan, and are at least age 50 with 10 or more years of vesting service at retirement.
 - You are on an approved leave of absence, you are age 55 or older with 10 or more years of vesting service at retirement, and you retire under the Company-sponsored retirement plan within 2 years following the start of your approved leave of absence.
 - You are on layoff, you are at least age 55 with 10 or more years of vesting service at retirement, and you retire under the Company-sponsored retirement plan within 6 years following your layoff.

If you are hired or rehired on or after January 3, 2014, and are not a participant in The Boeing Company Employee Retirement Plan (BCERP), the eligibility requirements described above will be applied in a manner that retains retiree medical eligibility under comparable circumstances for those employees not participating in the BCERP. Specifically, the eligibility provisions will be modified as follows:

- "At retirement" or "retire under the Company-sponsored retirement plan" will mean "at termination of employment" or "terminate employment",
- "10 or more years of vesting service under the Company-sponsored retirement plan" will mean the employee would have had 10 or more years of vesting service under the BCERP had he or she been a participant in the BCERP (with vesting service to be determined in the same manner as under the BCERP), and
- "Disabled or become eligible for disability benefits under the Company-sponsored retirement plan" will mean that the employee would have become eligible for disability benefits under the BCERP had he or she been a participant in the BCERP.

You are no longer eligible for coverage under the Retiree Medical Plan after attaining age 65 or becoming eligible for Medicare.

Eligible Dependents of Retired Employees

Dependents eligible for the Retiree Medical Plan are your legal spouse (as recognized under both applicable state law and the Internal Revenue Code) and children (natural children, adopted children, children legally placed with you for adoption, and stepchildren) who are under age 26, unmarried, and dependent on you for principal support.

You may request coverage for the following dependents:

- An opposite-gender common-law spouse if the relationship meets the common-law requirements for the state where you entered into the common-law relationship.
- Other children, as follows, who are under age 26, unmarried, and dependent on you for principal support:
 - Children who are related to you either directly or through marriage (e.g., grandchildren, nieces, nephews).
 - Children for whom you have legal custody or guardianship (or for whom you have a pending application for legal custody or guardianship) and are living with you.

Proof of dependent eligibility will be required. Some states have laws requiring insured health plans to offer coverage for certain registered domestic partners.

In accordance with Federal law, the Company also provides medical coverage to certain dependent children (called alternate recipients) if the Company is directed to do so by a qualified medical child support order (QMCSO) issued by a court or state agency of competent jurisdiction.

Documentation is required to request coverage for dependents, including a child named in a QMCSO, a child for whom you have been given legal custody or guardianship, or a spouse. You must provide the Boeing Service Center with any required supporting documentation by the date specified by the Boeing Service Center or your request will be denied.

Special Provisions

- Your dependents.

If you or any of your dependents is covered or becomes covered (or eligible for benefits by reason of having been covered) under another Company-sponsored plan providing medical benefits, that person is not eligible for the Retiree Medical Plan. If you and your spouse are both employed by or retired from Boeing, you each must be covered by your own Boeing-sponsored medical coverage. However, if your spouse is a part-time Boeing employee or on an approved leave of absence or layoff, your spouse and eligible children are considered eligible dependents if other Boeing coverage is waived. If your spouse and eligible children are

covered under your spouse's Boeing-sponsored plan, they will be considered eligible for the Retiree Medical Plan at the time they no longer are eligible for coverage under your spouse's plan.

No person may be covered both as a retired employee and as a dependent and no person will be considered as a dependent of more than 1 retired or active employee.

- Your death.

Upon your death, your spouse and any other covered dependents remain eligible for coverage under the Retiree Medical Plan until the earliest of these dates:

- Your spouse or other dependent attains 65 years of age.
- Your spouse or other dependent becomes eligible for Medicare.
- Your spouse's death.
- The end of the last month that contributions are paid.

Surviving covered dependents under age 65 may continue their coverage as described above, or as described in the Termination of Retiree Medical Coverage section, or convert their medical coverage as described in that section.

Disabled Children

A disabled child age 26 or older continues to be eligible if a physician provides proof that he or she is incapable of self-support due to any mental or physical condition that began before age 26. You may be required to confirm the disability from time to time. The child must be unmarried and dependent on you for principal support. Coverage continues under the Retiree Medical Plan for the duration of the incapacity as long as you continue to be enrolled in the plan and the child continues to meet these eligibility requirements.

Special applications for coverage are required for disabled dependent children age 26 or older.

Retiree Medical Plan Enrollment

Initial Enrollment

You and your eligible dependents automatically will be enrolled at the time you become eligible, provided you pay any required contributions. You and your dependents will be enrolled in the same plan as immediately before retirement, if available.

1 You may elect to change medical plans by calling the Boeing Service
2 Center within 31 days of the date you retire. The Company will supply
3 enrollment instructions at the time of your retirement.
4 All family members, including you, must be enrolled in the same medical
5 plan.

6 **Spouse Coverage**

7 Each retired employee enrolling a spouse must provide information
8 regarding coverage available through another employer to determine
9 whether special contributions are required to enroll the spouse. If you do not
10 authorize a required contribution, your spouse will not be enrolled for
11 medical coverage. You will not be able to enroll your spouse until the date
12 your spouse loses the option to be covered under the other employer-
13 sponsored medical plan.

14 The Company will require periodic verification of data.

15 **Special Enrollment Events**

16 If you declined coverage in the Retiree Medical Plan for yourself and/or
17 your eligible dependents when you were first eligible because you or your
18 dependents had other employer-sponsored medical coverage, you may
19 enroll yourself and/or your eligible dependents if you or your dependent
20 experiences one of these special enrollment events:

- 21 • You or your dependent loses or becomes ineligible for other employer-
22 sponsored medical coverage because of an event such as loss of
23 dependent status under another employer's plan (through divorce, legal
24 separation, or dependent child reaching the limiting age), death,
25 termination of employment, reduction in hours of employment,
26 termination of employer contributions toward the coverage, elimination
27 of coverage for the class of similarly situated employees or dependents,
28 moving out of the plan's service area with no other coverage available
29 from the other employer, or reaching the lifetime limit on all benefits
30 under the other employer's plan.
- 31 • You or your dependent becomes ineligible for Medicaid or a state
32 Children's Health Insurance Program and loses coverage; you or your
33 dependent becomes eligible for premium assistance under Medicaid or a
34 state's child health care plan.
- 35 • You or your dependent exhausts any continuation coverage from another
36 employer; that is, coverage provided under the Consolidated Omnibus
37 Budget Reconciliation Act of 1985, as amended (COBRA), ends.
- 38 • You gain a new dependent because of marriage, birth, adoption, or
39 placement for adoption.

1 If you experience a special enrollment event, you can enroll yourself and/or
2 your eligible dependents in a Retiree Medical Plan as described above. You
3 can enroll in any family status tier and any health plan option available to
4 you.

5 Special enrollment is not available if you lose coverage because of failure to
6 make timely premium payments or termination from the plan for cause
7 (such as for making a fraudulent claim).

8 **Deferred Enrollment**

9 If you decline enrollment in the Retiree Medical Plan because of other
10 employer-sponsored health care coverage (such as through your spouse's
11 employer), you may be able to enroll yourself and your eligible dependents
12 in the Company-sponsored Retiree Medical Plan at a later date as long as
13 enrollment is within 60 days after other coverage ends.

14 If you decline dependent enrollment when first eligible and your
15 dependent's other health care coverage was through continuation coverage
16 from a previous employer (coverage mandated by the Consolidated
17 Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended), your
18 dependent must exhaust his or her COBRA coverage to be eligible for
19 deferred enrollment.

20 If you are *not* enrolled in the Company-sponsored Retiree Medical Plan and
21 have a new dependent as a result of an event such as marriage, birth,
22 adoption, or placement for adoption, you may enroll yourself, your spouse,
23 and any dependent children during the year as long as enrollment is
24 requested within 60 days after the event by contacting the Boeing Service
25 Center.

26 If you *are* enrolled in the Retiree Medical Plan and have a new dependent
27 as a result of marriage, birth, adoption, or placement for adoption, you may
28 enroll your new dependent during the year as long as enrollment is
29 requested within 120 days after the qualified event. See "Changes in Status"
30 below for more information.

31 If you *are* enrolled in the Retiree Medical Plan and have not enrolled your
32 eligible dependents because of other employer-sponsored health care
33 coverage, you may be able to enroll your eligible dependents in the
34 Company-sponsored Retiree Medical Plan at a later date as long as
35 enrollment is within 60 days after other coverage ends. The coverage loss
36 must be due to loss of eligibility for the health care coverage (including
37 from divorce, legal separation, death, termination of employment, or
38 reduction in hours of employment), termination of employer contributions
39 toward such coverage, or reaching the other plan's lifetime maximum
40 benefit.

Transfer Between Plans

Transfer between plans is permitted only during authorized annual enrollment periods or following a change of residence.

- Annual enrollment period.

The Company establishes an annual enrollment period on or before January 1 each year when you may change medical plans.

- Change of residence.

If you move out of a coordinated care plan or HMO service area, you have 60 days to select a medical plan available in the new location by calling the Boeing Service Center. It is your responsibility to notify the Company of the change in residence within the 60-day period.

Status Changes

If you already are enrolled for this retiree medical coverage, you may be able to change coverage or add an eligible dependent if you experience one of the status changes described below. Any change to your coverage must be consistent with the status change that affects your or your dependent's eligibility for Company-sponsored health care coverage or health care coverage sponsored by your eligible dependent's employer.

Status changes include the following:

- You marry, divorce, or become legally separated, or the marriage is annulled.
- You acquire a new, eligible dependent child, such as by birth, adoption, or placement for adoption.
- Your spouse or dependent child dies.
- You or your spouse or dependent child starts or stops working.
- Your spouse or dependent child has any other change in employment status that affects eligibility for coverage such as changing from full time to part time (or part time to full time), salaried to hourly (or hourly to salaried), strike or lockout, a transfer between a nonunion salaried position and a union-represented position, or beginning or returning from an unpaid leave of absence, including an approved leave of absence in accordance with the Family and Medical Leave Act.
- You or your spouse or dependent child experiences a significant increase in the cost of employer-sponsored health care coverage or the employer-sponsored health care coverage ends, including expiration of COBRA coverage.
- The Company adds a new benefit option or significantly improves an existing benefit option.

- You or your spouse or dependent child experiences a significant curtailment or cessation of employer-sponsored medical coverage.
- You or your spouse or dependent child becomes eligible or ineligible for Medicare or Medicaid; you or your dependent becomes ineligible for Medicaid or a state Children's Health Insurance Program and loses coverage.
- You or your dependent becomes eligible for premium assistance under Medicaid or a state's child health care plan.
- Your dependent child becomes eligible for, or no longer is eligible for, health care coverage due to age limits, principal support status, marriage, or a similar eligibility requirement.
- You or your spouse or dependent child makes an enrollment change in his or her employer-sponsored health care coverage, either because of a qualified change in status or an annual enrollment.
- You or your spouse or dependent child changes place of residence or work, affecting access to care within the current plan or access to network providers.
- You are transferred to a different division, affecting eligibility for benefits under Company-sponsored health care plans.
- You or your spouse or dependent child loses coverage under a group health plan sponsored by a governmental or educational institution.

You also may change an election to comply with a qualified medical child support order (QMCSO) to provide or cancel coverage for a dependent child resulting from a divorce, legal separation, annulment, or change in legal custody.

If you are eligible to add new dependents, you must request the dependent enrollment change within 60 days after the qualified event. You can enroll a new dependent within 120 days following your marriage or your dependent child's birth, adoption, or placement for adoption. Enrollment may be requested by calling the Boeing Service Center. To request enrollment for a new dependent more than 60 days but within 120 days after marriage, birth, adoption, or placement for adoption, you must call the Boeing Service Center and speak with a customer service representative. You must provide the Boeing Service Center with any required supporting documentation by the date specified by the Boeing Service Center or your request will be denied.

Effective Date of Retiree Medical Coverage

Retired Employees

If you are a newly retired employee, the plan becomes effective on the first day of the second month following the month in which your active employment ends, provided you pay any required contributions.

1 If you are eligible for retiree medical coverage at the time active
2 employment with the Company ends, you may defer enrollment in the
3 Retiree Medical Plan until the date your benefits begin under the Company-
4 sponsored retirement plan. If you are hired on or after January 3, 2014, are
5 not a participant in The Boeing Company Employee Retirement Plan
6 (BCERP), and are eligible for retiree medical coverage at the time active
7 employment with the Company ends, you may defer enrollment in the
8 Retiree Medical Plan until any time before becoming eligible for Medicare
9 or attaining age 65 as long as you have other employer sponsored medical
10 coverage (such as through your spouse, as an active employee, or COBRA
11 coverage).

12 You are not eligible for retiree medical coverage after becoming eligible for
13 Medicare or attaining age 65.

14 **Dependents**

15 Current eligible dependents are covered for retiree medical benefits on the
16 same date your coverage is effective, provided proper application is made
17 and you pay any required contributions. Eligible dependents acquired after
18 your coverage is effective become covered on the date of marriage, date of
19 birth, or date the child is legally placed with you for adoption, if application
20 is made within 120 days of the event and you pay any required
21 contributions. For other newly eligible dependents, coverage is effective on
22 the date dependency is established, if application is made within 60 days
23 and you pay any required contributions.

24 **Medical Plans**

25 The Company-sponsored medical plan is the Traditional Medical Plan.
26 Where appropriate, Health Maintenance Organizations (HMOs) and
27 Coordinated Care Plans (CCPs) will be offered to retirees and their
28 dependents in addition to the Traditional Medical Plan. See your Summary
29 Plan Description or Certificate of Coverage for a description of medical
30 plan benefits.

31 **Summary of Traditional Medical Plan Benefits**

32 This summary applies to the Traditional Medical Plan.

33 This section shows general plan features; the Traditional Medical Plan
34 Schedule of Benefits section in Attachment A shows benefit amounts and
35 other plan information.

36 Benefit and plan payment provisions are based on a benefit year, January 1
37 through December 31.

Covered medical expenses for the Traditional Medical Plan are described in the Summary of Traditional Medical Plan Benefits section of Attachment A. Highlights of specific benefit amounts are described in the Traditional Medical Plan Schedule of Benefits in Attachment A.

Vision care program benefits do not apply to the Traditional Medical Plan.

Prescription drug benefits are as shown below.

Prescription Drug Program

The prescription drug program described in this section is available to retired employees and dependents enrolled in the Traditional Medical Plan. This program offers 2 coverage options for prescription drugs and medicines:

- Retail pharmacy card program—you can use the pharmacy card to obtain covered prescriptions from a participating retail pharmacy.
- Mail service program—called Medco By Mail.

A formulary applies to all retail pharmacy and mail order purchases. (A formulary is a list of drugs determined to be effective in both cost and treatment and approved by the Food and Drug Administration (FDA). A nonformulary drug also may be effective for treatment, but is not as cost-effective as formulary or generic drugs. A group of practicing physicians and pharmacists routinely reviews drugs to include in the formulary. If clinical data show several drugs are equally effective, the most cost-effective drug usually is chosen. The formulary may change from time to time.)

There are 3 categories of prescription drug purchases:

- **Generic**—drugs that are chemically and therapeutically equivalent to their brand-name counterparts but usually cost less.
- **Brand-name formulary**—brand-name drugs selected for the formulary based on cost and effectiveness.
- **Brand-name nonformulary**—brand-name drugs not selected for the formulary.

The program includes utilization management services and generic incentives (see “Pharmacy Management” and “Member Pay the Difference Generic Incentive Program” on page 291) to help ensure cost-effective, clinically appropriate treatment.

Retail Pharmacy Card Program

This program covers medically necessary prescription drugs required by Federal or state law to be prescribed in writing by a physician or dentist and dispensed by a licensed pharmacist. Covered prescriptions include legend drugs, contraceptive medications, tobacco cessation drugs, self-administered injectable drugs, insulin, needles and syringes, test strips, lancets, and alcohol swabs.

Prior authorization may be required for certain medications.

The retail pharmacy card program covers up to a 30-day supply.

Mail Service Program

The Medco By Mail program covers medically necessary prescription drugs and medicines required by Federal or state law to be prescribed in writing by a physician or dentist and dispensed by a licensed pharmacist. Covered prescriptions include legend drugs, contraceptive medications, tobacco

1 cessation drugs, self-administered injectable drugs, insulin, needles and
2 syringes, test strips, lancets, and alcohol swabs.

3 Prior authorization may be required for certain medications.

4 Medco By Mail covers up to a 90-day supply per prescription or refill.

5 Authorized refills are covered only after the initial order has been used.

6 Certain controlled substances are subject to quantity limits.

7 Unless the physician indicates otherwise, you will receive a generic
8 equivalent of the prescribed drug when available and permissible under the
9 law. You also may receive a different brand that is medically equivalent.

10 **Pharmacy Management**

11 Specific drugs are reviewed by the prescription drug program service
12 representative at the point of sale to determine if your prescription is
13 covered by the plan, clinically appropriate, and consistent with usage
14 guidelines.

15 **Member Pay the Difference Generic Incentive Program**

16 To encourage the use of generic drugs, if a brand-name drug is purchased
17 when an equivalent generic is available (for both retail pharmacy and mail
18 service)—whether you or your physician requests the brand-name drug—
19 you will pay the generic coinsurance or copayment plus the cost difference
20 between the brand-name drug and generic drug.

21 If for any reason your physician believes that you must use a brand-name
22 drug, he or she can ask for a coverage review by calling the service
23 representative. The service representative will request information from
24 your physician and review it to determine if your need for the brand-name
25 drug meets the conditions to qualify for coverage. If coverage is approved,
26 you will be charged the brand coinsurance or copayment for the brand-name
27 drug. If coverage is not approved, coverage will be provided according to
28 the member pay the difference generic incentive program.

29 ***Review Process for Brand-name Drugs***

30 Brand-name drugs are covered at no additional cost to you when your
31 physician provides information to the service representative, (Express
32 Scripts at 1-800-841-2797) showing that you:

- 33 • Experienced an adverse reaction, allergy, or sensitivity to a generic
34 equivalent,
- 35 • Experienced therapeutic failure with a generic equivalent,
- 36 • May be destabilized by changing to a generic equivalent, or
- 37 • Would be at unnecessary risk by changing to a generic equivalent.

Prescription Drug Program Exclusions

The following items are excluded under both the retail pharmacy card program and the mail service program:

- Any prescription filled in excess of the number prescribed by the physician or any refill after 1 year from the date of the prescription.
- Any prescription for which the person is eligible to receive benefits under another employer's group benefit plan or a workers' compensation law or from any municipal, state, or Federal program, including a Medicare prescription drug plan, except as required by law.
- Any service or supply otherwise excluded by the Traditional Medical Plan.
- Appliances or devices, such as blood glucose monitors or other nondrug items, including but not limited to therapeutic devices and artificial appliances. This exclusion does not apply to needles or syringes or to test strips, lancets, or alcohol swabs.
- Charges for the administration or injection of any drug.
- Delivery or handling charges.
- Drugs dispensed during an inpatient admission by a hospital, skilled nursing facility, sanatorium, or other facility.
- Experimental drugs or drugs used for investigational purposes.
- Fertility agents, unless approved by the service representative.
- Immunizing agents or allergy serum.
- Infusion therapy drugs, except as described in the home health care benefit.
- Medications to treat sexual dysfunction, unless the patient is being treated for a diagnosed medical condition.
- Obesity drugs, unless approved by the service representative.
- Over-the-counter drugs.

- Replacement of lost or misplaced prescriptions.

Coordination of Benefits—Retired Employees

If you or your dependent has other health care coverage in addition to being covered under this Plan, the following rules govern coordination of benefits with the other coverage. Other coverage includes, whether insured or uninsured, another employer's group benefit plan, other arrangement of individuals in a group, Medicare (to the extent allowed by law), individual

insurance or health coverage, and insurance that pays without consideration of fault.

The service representative has the right to obtain and release any information or recover any payment it considers necessary to administer these provisions.

Order of Payment

The primary plan pays its benefits first and pays its benefits without regard to benefits that may be payable under other plans. When another plan is the primary plan for health care coverage, the secondary plan pays the difference between the benefits paid by the primary plan and what would have been paid had the secondary plan been primary.

- A plan is considered primary if
 - It has no order of benefit determination rules.
 - It has benefit determination rules that differ from coordination of benefit rules under state regulations or, if not insured, that differ from these rules.
 - All plans that cover an individual use the same coordination of benefit rules, and under those rules, the plan is primary.
- If the aforementioned rules do not determine which group plan is considered primary, this plan applies the following coordination of benefit rules:
 - A plan that covers a person as an employee, retiree, member, or subscriber pays before a plan that covers the person as a dependent.
 - A plan that covers a person as an active employee or dependent of an active employee is primary. The plan that covers a person as a retired, laid-off, or other inactive employee or as a dependent of a retired, laid-off, or other inactive employee is secondary.
 - If a dependent child is covered under both parents' group plans, the child's primary coverage is provided through the plan of the parent whose birthday comes first in the calendar year, with secondary coverage provided through the plan of the parent whose birthday comes later in the calendar year.
 - If a dependent child's parents are divorced or separated and a court decree establishes financial responsibility for the health care coverage of the child, the plan of the parent with such financial responsibility is the primary plan of coverage. If the divorce decree is silent on the issue of coverage, the following guidelines are used:
 - The plan of the parent with custody pays benefits first.
 - The plan of the spouse of the parent with custody pays second.

- The plan of the parent without custody pays third.
 - The plan of the spouse of the parent without custody pays fourth.
 - If none of the aforementioned rules establishes which group plan should pay first, then the plan that has covered the person for the longest period is considered the primary plan of coverage.
 - Continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, always is secondary to other coverage, except as required by law.
 - If the retired employee or dependent is confined to a hospital when first becoming covered under this plan, this plan is secondary to any plan already covering the retired employee or dependent for the eligible expenses related to that hospital admission. If the retired employee or dependent does not have other coverage for hospital and related expenses, this plan is primary.
- Benefits under a Company-sponsored health care plan are not coordinated with benefits paid under any other group plan offered by the Company. You can receive benefits from only 1 Company-sponsored health care plan.
- Federal rules govern coordination of benefits with Medicare. In most cases, Medicare is secondary to a plan that covers a person as an active employee or dependent of an active employee. Medicare is primary in most other circumstances.

Payment Provisions

The primary plan pays benefits without regard to any other plan. When the Company-sponsored plan is secondary, it adjusts benefits so that the total payable under both plans for expenses covered under the Company-sponsored plan is not more than would be payable under the Company-sponsored plan. Neither plan pays more than it would without coordination of benefits.

Plan means any plan providing medical, dental, vision care, hearing aid benefits, or treatment under individual insurance, group insurance, or any other coverage for individuals in a group, whether on an insured or uninsured basis.

Treatment of end-stage renal disease is covered by the Company-sponsored plan for the first 30 months following Medicare entitlement due to end-stage renal disease, and Medicare provides secondary coverage. After this 30-month period, you will be covered by Medicare only.

Coordination of benefit provisions of Company-sponsored HMO and CCP plans vary by plan.

When an Injury or Illness Is Caused by the Negligence of Another

In some situations, you or a covered dependent may be eligible to receive, as a result of an accident or illness, health care benefits from an automobile insurance policy, homeowner's insurance policy or other type of insurance policy, or from a responsible third party. In these cases, this plan will pay benefits if the covered person agrees to cooperate with the service representative in administering the plan's recovery rights.

If a person covered by this plan is injured by another party who is legally liable for the medical or dental bills, he or she may request this plan to pay its regular benefit on his or her behalf. In exchange, the covered person agrees to:

- Notify the plan within 30 days of giving notice to any party, including an insurance company or attorney, of the covered person's intention to pursue a claim.
- Complete a claim and submit all bills related to the injury or illness to the responsible party or any insurer.
- Complete and submit all of the necessary information requested by the service representative.
- Reimburse the plan from any payment he or she receives from the responsible party or any other source.
- Allow the plan to be subrogated to all rights of recovery a covered person has against the responsible party or any other source and to cooperate with the service representative's efforts to recover from the responsible party or any other source any amounts this plan pays in benefits related to the injury or illness, including any lawsuit brought against the responsible party or insurer.
- Grant the plan a lien in the amount of benefits paid which can be enforced against any source of funds available to compensate the covered person for injury or illness caused by another party.

This provision applies whenever you or a covered dependent is entitled to or receives benefits under this plan and is also entitled to or receives compensation or any other funds from another party in connection with that same medical condition, whether by insurance, litigation, settlement, or otherwise. The plan is entitled to such funds to the extent of plan benefits paid to or on behalf of the individual as a first-priority right, whether or not the individual has been "made whole," and without regard to any common fund doctrine. The plan is entitled to such funds regardless of whether the plan's benefits are identified as being included in the funds and regardless of whether liability for payment of the funds is admitted by the responsible

1 party or any other source of the funds. This plan may recover such funds by
2 constructive trust, equitable lien, right of subrogation, reimbursement, or
3 any other remedy allowed under applicable law.

4 The covered person shall do nothing to prejudice the plan's subrogation or
5 recovery interest, including, but not limited to, refraining from making any
6 settlement or recovery that attempts to reduce or exclude the full cost of all
7 benefits provided by the plan. If an individual fails, refuses, or neglects to
8 reimburse the plan or otherwise comply with the requirements of this
9 provision, or if payments are made under the plan based on fraudulent
10 information or otherwise in excess of the amount necessary to satisfy the
11 provisions of the plan, then, in addition to all other remedies and rights of
12 recovery that the plan may have, the plan has the right to terminate or
13 suspend benefit payments and/or recover the reimbursement due to the plan
14 by withholding, offsetting, and recovering such amount out of any future
15 plan benefits or amounts otherwise due from the plan to or with respect to
16 such individual. The plan also has the right in any proceeding at law or
17 equity to assert a constructive trust, equitable lien, or any other remedy or
18 recovery allowed under applicable law, against any and all persons or
19 entities who have assets that the plan can claim rights to. The plan has a
20 first-priority right of recovery from any judgment, settlement or other
21 payment, regardless of whether the individual has been "made whole," and
22 without regard to any common fund doctrine.

23 In the event that any claim is made that any part of this subrogation and
24 recovery provision is ambiguous or questions arise concerning the meaning
25 or intent of any of its terms, the plan or service representative shall have the
26 sole authority and discretion to resolve all disputes regarding the
27 interpretation of this provision.

28 **Termination of Retiree Medical Coverage**

29 **Retiree Coverage**

30 Your medical coverage stops on whichever of the following dates occurs
31 first:

- 32 • You attain 65 years of age.
- 33 • You become eligible for Medicare.
- 34 • The end of the last month that any required contributions are paid.

35 Your covered dependents can continue their coverage until they reach their
36 termination date as described below.

37 **Dependent Coverage**

38 Coverage for your eligible dependents terminates on whichever of the
39 following dates occurs first:

- Your dependent no longer qualifies as an eligible dependent.
 - Your dependent attains 65 years of age.
 - Your dependent becomes eligible for Medicare.
 - The death of your surviving spouse.
 - The end of the last month that any required contributions are paid.
- Your surviving covered dependents under the age of 65 may be permitted to convert their medical coverage as described below in “Conversion Privilege.”

Continuation of Medical Coverage (COBRA)

If medical coverage for your dependents otherwise would terminate due to one of the following reasons, these benefits may continue for specified periods under Public Law 99-272, Title X, as amended, if the individual makes a timely request to the Company and pays the required contribution.

- Your death.
- Your divorce.
- You become entitled to Medicare.
- Your dependent child ceases to be a dependent as defined under this plan.
(A child eligible to be continued under the plan’s disabled child provision will still be considered to have dependent status.)

Conversion Privilege

If medical coverage terminates for reasons other than voluntary cancellation of coverage or by becoming eligible for another Company-sponsored plan, you or your dependent may apply for an individual policy of insurance of a kind then being issued by the service representative for group conversion purposes. Evidence of good health will not be required, provided written application is made and the first retiree medical premium is paid within 31 days following the end of the month in which medical coverage terminates. The policy will be issued at the service representative’s customary rate applicable to the age of the individual and to the form and amount of insurance provided under the converted policy.
